

Cowtown 101 – Leader Notes

11/01/10

Welcome – this is new for CTV (4th session) so bear with us; it is designed to be informal yet we need to keep it somewhat focused for our timeline. Some of you have been members for a while and others are much newer – however, you are members which joined in the 2009 / 2010 calendar year *(keep that thought)*

Objective: to leverage our common interest (the Corvette) and to make life more enjoyable by being a Cowtown Member.

So as we skim thru the handout, we ASK: *no response required however:* **think why did** you become a member and what do you desire or need from Cowtown (i.e. socials, competitive fun, discounts on products, knowledge, etc.)? ...what is your passion?

ALSO we would ASK: *that you please keep an open mind; you never know what fun you might enjoy that you never even thought doing or trying.*

This handout is a consolidated list of:

- a few knowledge resources – 4 handouts if you want them:
 - Cowtown Bylaws & Standing Rules – can email or it is on our website (About page)
 - Cowtown 101 Document
 - List of Elected Officers and Chairpersons (some w/photos)
 - Quick guide to our finding certain resources on our website
 - Why NCCC
 - Membership Directory isn't printed – electronic (secure) – you should have this already
- resources for you to take advantage
- competition programs (all types)

At the end, we will have a short Q&A however; don't hesitate to ask questions during our walk thru.
