*For those who have never been there as you come thru the entrance of the cemetery you will find the Public Information Center on your right and staging areas are next to this building. They are asking that people arrive between 9:30 and 9:45 to get in line. We will be leaving for the shelter around 9:55*

**Afterwards:** there is a celebration of life at the home of Sylvia and Larry Hoaldrige.

For those that aren't aware, Bernyce (Ted's wife) is Sylvia's cousin. Ted & Bernyce were members of Cowtown for years, although prior to our time.

They have also participated all of Cowtown's NCCC events for as long as we can remember. You have probably seen and talked to them at the Hoaldrige's during Pool Parties, etc.

Those of you that went on the *Blue Ridge Dragon Cruise* last year would also remember him; we celebrated Ted's 65<sup>th</sup> birthday that Monday evening, in the Bear's Den at Fontana Village Resort.
