

Good morning

Well the weather has finally settled down and we should be cruising somewhere, so I have rescheduled my Thurber cruise. This time we will going on Saturday the 13th of June. We will meet same place, same time (Cube Smart Storage, Benbrook at 11:30 am and leave around 12 noon). As before, if your are going please email me at geyerdrill@aol.com so I can get a rough headcount for dining. Do not use reply button as that will go out to everyone.

Last time I had around 27 cars and 30 people dining, so plenty of room for all. So come on out and let's have some fun driving out cool cars.

Thanks

Robert
