

Hi guys,

I have set up a Cruise to Cranfills Gap with lunch at the Horny Toad Bar & Grill.

The date I have chosen is Saturday Oct. 3, with a rain date of Saturday Oct. 10th. This place is eclectic and fun for groups like ours to stop at. They have room for 70 people to eat inside and a large covered area outside for even more seating with food and drinks served there as well.

As for the cruise, we will meet in Mansfield at the CineMark theater parking lot at 2041 N US 287 Frontage Rd, at 9:30 AM with drivers meeting at 9:45 AM and departing around 10:00AM. I have chosen a back roads route through Maypearl, Grandview, Lake Whitney, Meridian , and finally Cranfills Gap. This will cover around 110 miles and 2.5 hours driving time with a bathroom break halfway.

I know it's been long time since our last cruise, so lets all dust off those Vettes and go have a great time cruising in the countryside and have some fun with our Cowtown friends.

Please email me back at [geyerdrill@aol.com](mailto:geyerdrill@aol.com) if you plan to go. This is for a head count to make the cruise a bit easier and also a heads up for the restaurant so they can better accommodate us.

P.S. Bring your mask and don't forget your FRS radios and hope to see ya'll Sat. Oct. 3rd.
