

Hello cruisers

I have planned a cruise for Saturday, February 27th cruising to Bridgeport and having lunch at Yesterday's Dinner, a very eclectic 50's style dinner with plenty of atmosphere of that time long ago.

So here are the particulars you need to know:

We plan for everyone to meet at the Cracker Barrel restaurant (8010 SW Loop 820, Benbrook) at 9:30 am Saturday morning.

We will have a drivers meeting at 9:45am and plan to leave around 10:00am.

The cruise will take us to Weatherford and from there on to Whitt, Poolville, and finally Bridgeport and Yesterday's Dinner for lunch. There will be a stop in Poolville for cruiser points and a group photo opportunity with a restroom break nearby.

Those participating in the Cruiser program, don't forget your 2021 Cruiser logo and camera. I have located 4 more historical markers for you to find on your own in Bridgeport and will provide the addresses.

Don't forget to bring your FRS (two way) radios, a full tank of gas, a whole lot of humor and lets all have a great day cruising with our Cowtown friends

PS

If you plan on cruising with us please email me at (geyerdrill@aol.com) by Friday the 12th as I need a head count for the restaurant. Those already signed up at the meeting need NOT email.
