

Cook Children's Hospital "Christmas in July" party.

Monday, July 25th,

Yes, you read that correctly.

Cook Children's contacted us last week to ask if we would like to participate as we've done for many years before Covid.

They are slowly getting back to normal.

In the past they've allowed us to bring 12-15 volunteers, but right now they will only allow 5.

I'm hoping by July they will let us bring more than 5.

It's always fun to wear our Christmas attire and help with the party!

More details to follow.

That's it for now.
