

Hey Cowtown,

It's time to start talking cruises!

I plan a 2 hour cruise to an eclectic (joint) restaurant called Loco Coyote Grill.

It's located just south of Glen Rose along an out of the way country road.

I have set the date for Saturday the 26th of March.

We will meet at the Cracker Barrel parking lot on loop 820 in Benbrook at 9:30 am and try to leave around 10:00 am.

I have chosen a different back road route so those that have cruised here before will experience new roads and scenery.

I will need a head count for the restaurant so either email me directly at geyerdrill@aol.com (do not use the reply button) and I will also pass around a sign up sheet at the March club meeting.
