

Hello everyone,

Here we are already mid-November and knowing how quickly everyone's schedules fill up during the holidays, I wanted to get some information for our next volunteering event. This will be the Cook Children's Hospital Christmas Party, which is scheduled for **Tuesday, December 19th. So, save the date** - I will share more specific information and times soon.

CTV has been supporting Cook Children's Christmas at their July and December parties for many years. We greet children who can come down to the lobby and assist with games, crafts and refreshments. We also help them select a toy to take with them. Most of the children are accompanied by their parents and sometimes siblings. This is such a rewarding experience to see these children "light up" to see Santa and have some fun.

If you are interested in participating, please let me know soon. We will plan on approximately 10-12 people. Please **DO NOT REPLY ALL** - send email message to cathybaker3@gmail.com or text at 817-713-2190.

Thanks everyone -

Cathy Baker
