

Hello cruisers

If you were at last month's club meeting, I said my next cruise will be to Canton for their First Monday Trade Days 'flee market'. I'm still working on the details, but this is what I have so far.

I plan for all to meet up in Mansfield at Kohl's parking lot. This is next door south of Hobby Lobby.

Please stay in the back part of the parking lot. The cruise I'm working on is around 2 hours long. Still looking for mid-way break and should have something by then.

I have chosen Friday the 4th, as the weekend can be crowded. Be at Kohls by 8 am with the driver's meeting at 8:15 and leaving around 8:30. Our route will take us down US 287 to Ennis then to Cedar Creek Lake to Gun Barrel City and finally Canton.

As always bring your FRS radios and a full tank of gas.

Wear comfortable clothes and SHOES, as there can be a lot of walking. For those needing them, scooters are available for rent on site. Depending on where we park, shuttle buses are also available.

If you are not interested in the Trade Days, then come for the cruise and have lunch in Canton and return home at your leisure. The option is yours.

That's all for now. I'll give an update as needed. Please RSVP to me so I can plan appropriately for cruise size. Use my email geyerdrill@aol.com or text 817 819 6798.
