

Hello everybody,

For those members that were not present at our last club meeting, I want to let you know that I am leading a... LATE LUNCH cruise to Thurber on Saturday, April 4th. We will meet in Benbrook at the Cube Smart Storage parking lot at 11:30 AM, with our drivers meeting at 11:45 am and depart at 12:00 pm for Thurber and the Restaurant On New York Hill. Cube Smart's address is 8510 Benbrook Blvd. If you want to go, I need you to email me at [geyerdrill@aol.com](mailto:geyerdrill@aol.com) and let me know ASAP as I need a total head count for the restaurant. Those members that have already signed up need not respond. Do not use the reply button as this will go to all members.

The restaurant will allow you to BYOB if you so desire. Also there is a small museum within walking distance and for those collecting Cruiser Points, there are several points of interest close by. So pull that Corvette out of the garage and lets go cruising.
