To: All NCCC Member and Corvette fun lovers!

VIVA LAS VEGAS!

The Members of Desert Corvette Association are very excited and looking forward to hosting the National Council of Corvette Clubs - Convention 2004 in Las Vegas, Nevada! Desert has hosted our Millard Fillmore Corvette Classic and we have drawn Convention size crowds for the past 27 years.

Desert has had much fun in planning Convention 2004 in Las Vegas, the "Entertainment Capital of the World". The city that never sleeps will be a wonderful spot for our 45th Annual Corvette Convention! The Las Vegas Strip and Downtown is a world of its own. Where else can you go to visit Egypt, New York, the Tropics, King and Queens, Rome/Greece, Hollywood, and much more all in one town? This is the city of lights, excitement, and dreams. Talking about the King, Desert Corvette Association can neither confirm nor deny that Elvis is dead. These sighting reports are still coming in! Perhaps he owns a Corvette and will be at Convention 2004! We are getting ready to rock! Buggy Segal would be proud to see hundreds of gorgeous Corvettes flood into his town. Maybe Buggy, Jr. will be in town for our Convention too! One never knows!

Desert Corvette Association, one of NCCC largest Clubs, has been the NCCC Regional points leader since we have joined Council. Desert is foremost in hosting NCCC Corvette competition events including autocrosses (we own our own lights and equipment), concours and rallies. Not to forget showing folks a good time and we plan to do that in Las Vegas for Convention 2004!

Thank you for your considerations and please feel free in contacting us for any questions that might arise. We look forward to talking with you. Long live the Kings – CORVETTES and ELVIS!
