Competition Events

MONDAY – JUNE 7TH Concours and Car Show 

These two events will be inside the Stardust's 40,000 square foot air conditioned Pavilion. You will be cleaning and showing in air conditioned comfort. The Pavilion is just adjacent to the Stardust, just steps from Convention central. The Pavilion is the newest addition to the Stardust's versatile meeting and function complex. This new feature provides 40,500 square feet of clear span exhibit/function area. There are three 16' x 16' and one 12' x 12' rollup overhead doors. Drive through provides exceptional access for show set-up and tear down.

MONDAY – JUNE 7TH Red Rock Canyon "Sail Kitty" Rallye 

This poker Rallye will be a fun drive following easy directions and ending up in a place of natural beauty; the Red Rock Canyon National Conservation Area. In marked contrast to a town geared to entertainment and gaming, Red Rock Canyon offers enticements of a different nature. Peace, serenity and beauty are just a few words that will barely begin to describe what you will experience here. The Mojave Desert is not barren as you might think. It is teeming with life and beauty that in my opinion is rare and unique.

Petrified sand dunes, frozen in time, offer you a unique perspective of nature as well as the effects of the passing of millions of years. The excitement of suddenly appearing waterfalls, cascading into the canyons, will make you appreciate the mysteries and the hidden dangers of the Mojave. Red tailed hawks search for their next meal while drifting on air currents high above the desert floor.

What is a Sail Kitty? Well, it is a very famous flat cat that Desert Corvette Association hold near and dear to our hearts. You will each receive a specially made "Sail Kitty" to take home, when you leave on the Rallye. These kitties have become quite the collector items from our Millard Fillmore Corvette Classics and this Convention will be sure to have the most collectible yet!

TUESDAY – JUNE 8TH and WEDNESDAY – JUNE 9TH Low Speed & High Speed Autocrosses

When it comes to motorsports, there is not a better facility for all forms of racing than Las Vegas Motor Speedway! With 1,600 acres in the northeast portion of the Las Vegas Valley, the "Diamond in the Desert" has been deemed the most remarkable race complex in the world. Sports Illustrated called it the Racing Capital of the West.

The Low Speed Autocross  will be held inside the Las Vegas Motor Speedway - superspeedway. There is an array of different configurations we can use and our Low Speed Autocross Team has chosen the most fun course they have. Helmets and shoes required per the NCCC Rule Book . Plan for a great time and fabulous photo opportunities!

High Speed Autocross  will be held on Las Vegas Motor Speedway's road course, just adjacent to the Superspeedway. This is a fun track! It is a technical course that is flat and forgiving. You will love it! High speed at its best! Helmets and shoes required per the NCCC Rule Book and Group III needs the required fire suits.

THURSDAY – JUNE 10th Drag Races 

We are hosting two drag races this year! Record & Bracket Drags will be held at Las Vegas Motor Speedway's NHRA "The Strip". Las Vegas Motor Speedway's "THE STRIP" is a top-

rated NHRA Sanctioned raceway, which plays host to capacity crowds attending annual events from the NHRA Nationals to the World Series of Drag Racing. This state-of-the art facility will be the site of NCCC drag records being broken and wickedly fast times making history! We are following the NHRA rules here so be sure to wear long pants with sleeved shirts and closed toe shoes for these events. Helmets required per the NCCC Rule Book too! Don't be sent home because you forgot the rules.
