

## Functional Descriptions

### General:

- **Registration** (Glenda McMahan) – to help the participants register when they arrive

### Car Show - People's Choice: (TBD – need functional chairperson)

- **Vote Tally** – to count the votes for each entrant's vehicle

### Funkhana: (TBD – need functional chairperson)

- **Starter** – checks the participant is in correct category and starting and stopping their run. The participants will start and end in a Corvette (buckled up) – they will start and stop the stop watch hanging from the rear-view mirror.
- **Course Worker** – follows the participant thru the event to make sure they are completing the required action at each station.

### Rallye: Jack Gandy is the Rallyemaster

- **Chief Technical Inspector** (David Gill) – this is needed to participate in the Rallye. It consists of checking functional components of the Corvette for proper road travel, i.e. wipers, blinkers, stop lights, etc.
- **Checkpoint Workers** – for the Poker Rallye, there will be check points where participants will draw a card for their poker hand.
- **Scorer** – Rallyemaster (Jack Gandy)
