ATTRACTIONS

Unicycle Football League - If you're not already familiar, Unicycle Football is surprisingly exactly as it sounds, full-on American football played entirely on unicycles. Players must be mounted on a unicycle to be in play; similar to flag football, if your flag is pulled you are down, but adding unicycles to the mix you can also be tackled off your unicycle to marked down. The league originated in San Marcos, TX in 2008 and has grown into a highly competitive and entertaining sport that can be found nowhere else in the world!

Harlem Globetrotters - Dating all the way back to 1926, The Harlem Globetrotters have become a household name putting on exhibition basketball games in not only the US, but around the world. Combining athleticism with comedy and theater, the Globetrotters have put on quite the show with over 20,000 games. From incredible trick shots to extreme ball handling skills The Harlem Globetrotters are definitely an experience to see in one's lifetime.

32 Foot Rock Climbing Wall - This is the tallest 4 person portable rock climbing wall in Texas. This wall towers 8 feet over our standard 24' rock wall. With its patented 4-person auto belay system, it's easy to climb and smooth to rappel down. This unit is loaded with rocks to accommodate climbers of all ages.

Nerveless Nocks - The Nerveless Nocks are descendants of the Swiss Circus Family Nock and are among the most respected aerial stunt artists in the world today. Since 1954, The Nerveless Nocks have been thrilling audiences across the United States, Canada, Mexico, and world-wide. The Nerveless Nocks Thrill Shows has been the most successful continuing attraction ever presented in any amusement park or fair, world-wide. Acts will include sky high double sway poles, vortex of doom, and tower of chairs!

Live 80 - LIVE 80 is more than a cover band—it's the Ultimate 80's Experience. LIVE 80 is Dallas' premier 80's show band, playing your favorite 80's hits from new wave to pop to dance to hair metal and everything in between.
