

* REVOLVER CRUISE

Don't forget May 20th will be a cruise led by William Nolan and Mary Pittman to the **Revolver Brewery** in Granbury. Departure will be at 11:00 am at 2750 SW Wilshire Blvd. in Burleson (Texas Health Neighborhood Care & Wellness).

You will be able to bring in food and drink but no alcohol. There will also be food available for purchase. The cost is \$10.00 per person whether you intend to drink the beer or not. The ten dollars entitles you to four beers and a souvenir glass and live music.

The 100%er credit is for attendance at Revolver, **not the cruise**. If you do not want to drive your vette you can just come to the brewery. The 100%er event will end at 3:00, when the brewery closes. After that time everyone is free to leave or hang around until 5:00 and we will meet at a **Pasta Fina Italian restaurant** (<http://www.pastafinas.com>) for dinner. If you wish to stay, you can visit the old time square of Granbury, visit one of the wineries in the area or hang out on the Clark's patio by the lake until time for dinner.

Deadline for signing up is May 13th for both the brewery and dinner later that day.

If you wish to attend and didn't get to sign up at the meeting, please e-mail me at dcbc5356@charter.net by the 13th of May.

Thanks
