

Chevrolet's Special '427 Limited Edition Z06 Salutes the Classic 427

Chevrolet announced the 2008 Corvette 427 Limited Edition Z06, a limited-production model that pays homage to the big-block Stingray models of the mid-1960s. The 427 Limited Edition Z06 features a Crystal Red tint coat exterior, the first Z06 ever offered with red metallic tint coat paint. It also features graphics on the hood and fascia that evoke the style of the famed "stinger" hood design and graphics that were offered with 1967 models equipped with the 427 engine. Also unique to this model are "427" hood badges. Each example is numbered and signed by Wil Cooksey, the Corvette assembly plant manager who is retiring after 15 years on the job, and comes with a certificate of authenticity.

Available under order code Z44, this special Z06 enters production this spring. Only 427 will be offered in the United States and Canada, with 78 more exported outside North America. That's a total of 505 production vehicles – the same number of horsepower produced by the LS7 engine.

The special-edition Corvette carries a MSRP of \$84,195 and includes the 3LZ premium equipment package with a custom, leather-wrapped interior. A navigation system is the only option (\$1,750). As with other Corvette models, customer delivery is available at the Corvette Museum.

You Could Win a 427 Limited Edition Z06!
