

Hi everybody!

I wanted to drop you a line and remind you about the Last Chance Summer Bash & Rallye this Sunday.

It will be lots of fun and a great way to send out the Summer of 2007.

I have been asked by a few members if they can drop off their boats and jet skis before the rallye and the answer is YES, you can! The park opens at 6am. You can pull your tow vehicle in (you'll receive a green windshield sticker) and then run the rallye. If you will be in two vehicles, remember there will be a \$10 fee for each vehicle. The green windshield sticker is what will allow you to get in, out and back in the park without any additional fees. The City of Grand Prairie said the boats and jet skis will be safe but you should take every precaution and lock them while unattended.

Check out the info below and pack a lunch! We will see you there!

CTV's Last Chance Summer Bash & Rallye Sunday, August 26th

Cowtown Vettes is hosting one of Jack Gandy's infamous rallyes. The rallye will begin in the parking lot of

Sam's Wholesale on Campus Dr., Sunday, Aug 26th 9am.

Where you will receive your driving instructions and the fun will begin. This rallye will guide you through the area while you and your partner answer questions to what you see along the way. This can be some stiff competition so be sure to bring a pen and your best navigator.

Pack a lunch (picnic-style), load up the boat & jet skis and bring the family because your final destination will be

Pavilion #2 in Lynn Creek Park at Joe Pool Lake 11:00ish

where the fun will continue. Jack will give trophies to the rallye winners, we will have our picnic lunches together and enjoy the park.

If you are unable to make the rallye, meet us at the park for lunch. If you can't stay for the afternoon activities don't miss being a part of the rallye, they are loads of fun.
