WHAT IS A PROGRESSIVE DINNER & POKER RUN

On Saturday, November 3rd, Cowtown members are invited to attend a Progressive dinner and Poker Run.

A Progressive Dinner is where members meet at one house for appetizers, move to another house for the main course and end up at the last house for dessert. In conjunction with the Progressive Dinner we will each be playing a hand of 5-card poker for a Poker Run. Each participant draws a card(s) at each house. At the last house, winners will be announced where the best hand and worst hand will win.

We will begin at Bob and Cindy Morrison's home for the first course of appetizers and salads. While you are at the Morrison's don't forget to draw your cards for the poker run as well—you will receive your first two poker cards at their home.

Once everyone has had an opportunity eat and mingle we will caravan to the main course house which is being hosted by Kerry and Nancy McGovern. At the McGovern's we will be chowing down on BBQ and likes so be sure to get you a belly full but not so full you forget to draw your next two poker cards.

For the last stop, we will all be at Steve and Jan Arvay's where we will meet for sweets and treats! And our last poker card.

There is a \$5.00 per person charge and everyone (or couple) is asked to bring a dish (please see list to determine what sort of dish.)

Be sure to show our host homes a 'Cowtown Vettes' thank you and we hope to see everyone there!!!!
