

Friends of TCU Homecoming,

I am sorry for the late notice. You have been gracious enough to help us by driving your cars in the TCU Homecoming Parade in the past. I am writing to see if you would be willing to do it again. The parade is Friday, October 21 at 6pm, around the TCU campus.

If you are able to help, please let me know and I will get you more specific instructions.

Thank you for your consideration.

Steve Kintigh
Director
