\$25.00 SUBSCRIPTION

## Which One? By John Brefczynski

My whole life I've been in love with cars. When I was in my teens I loved fast cars and drag racing. During the space race in the 60's I read an article about how the Astronauts all drove Corvettes. After reading the mods they made to their cars, that's when I got hooked on Vettes. I always said I would own a Corvette.

When I got older I bought a 1970 Boss 302 Mustang, fixed it up including some changes to the engine. The car won first place in the Dallas Car Show, the predecessor to the Dallas Autorama. I always loved that car, but in 1976 it was stolen and I never saw it again.

While looking for another car, I saw a picture of a new Firebird, black with gold stripes that Pontiac was building. The next day I went down to the local Pontiac dealer and ordered one, with all the bells and whistles. The salesman told me this car was going to be rare because GM was not going to build very many. When the car was delivered, it was really a looker, everyone that saw it loved it. One night, I went to the movies and saw Smoky and the Bandit and there was my car in the movie!!! I was so excited to have such a rare car, but that was short-lived. Because of the success of the movie, GM built 25,000 black and gold Firebirds. There goes my collectable.

While reading Motor Trend, I saw where GM was going to produce a 1978 Indy Pace Car. The next day I went to the Chevy dealership and ordered a 4-speed, decked out. The original plan was to build about 500 cars, but after the high demand, Chevy decided to build 6502 cars. After a long wait, my car finally came in. When I arrived at the dealership, I noticed my car on the showroom floor with a tag \$5,000 over sticker. The Sales Manager told me he couldn't sell the car to me for our original price. After a lot of yelling and screaming, I left the dealership and hired a lawyer, who got me my car at the original contract price. I keep the car in storage and drove it only on nice days. Keeping it as an investment was my plan, but due to a family emergency, I had to sell it to cover bills. I still get sad thinking about it.

Still hooked on Vettes, I saved my money and began looking again in 1999. In an Auto Trader, I saw a 1996 Red LT4 and after looking at the car I was sold. It was everything I wanted. The car belonged to Mike and Janie Braswell. Mike told me about Cowtown Vettes and encouraged me to check it out. It wasn't until Jan and I started dating, that we went to a meeting, then the Dublin cruise, and joined the club the next month. I started entering car shows and modifying the car. I changed out the wheels, tires, exhaust and added details to the engine and interior. It has won over 50+ awards. I love the car and said I would never sell it.

Leaving work one day this June, I was going north on I35E when I glanced over to see a 1998 Indy Pace car for sale. I whipped in and looked at it closely. The car was pretty rough, but had less than 24K miles and I knew I could detail it and have it looking good with a little work. This time GM had kept their production numbers down. Only 1163 were produced, 547 with a 6 speed. Jan and I discussed it and she said we didn't need 2 Corvettes and 2 daily drivers, one of which was my gas guzzler 2003 SS Silverado. Sadly, one has to go, but which one? So, in the American Idol scheme, text 1 for Red to go and 2 for the Pace car to go to 817 403-0519. Too bad I can't charge like they do, then I might could keep both. **Centerfold on page**

## PRESIDENT'S REPORT

I have a BIG Announcement!!! Carol Savage and Jim Jones were married on Saturday July 7, 2007. I am so happy for them. They are a great couple. Please congratulate them when you see them next.

What a busy and exciting time of the year. All of the behind the scenes work is being done planning out the rest of the year. The sponsorship committee has put the finishing touches on our new program. The finished product is quite something. Thanks to Frank & Lei Testa, Bobby & Manda Gorman, Barb Greenfeder, (and myself) for your very hard work. The NCCC and car show events are taking shape. These are 2 great events everyone will want to be a part of. Please contact the chairman to volunteer. Bobby our VP has wonderful socials coming up. Some are traditional and always fun and some are new adventures. I can't wait. So fasten your seat belts for a lot of fun.

Thanks again to Rick Garabedian for serving as interim board member the past couple of months. At the August meeting we will be electing a new board member to serve till the end of the year. Good luck and thanks for running to Rick Garabedian and Don Wells.

Keep on Vett'n  
Kim West

Trivia Question: Since we have had so much rain lately what year was the first Corvette to have windshield wipers that sweep in the same direction instead of opposite directions?

*Last months answer was 1984.*

## YOUR VOTE COUNTS!

**Rick Garabedian**

I was asked by Kim West to fill in as a board member until the election this month.

I was honored to be asked, and I accepted her request.

Since then I have been asked by fellow members to run for the position for the remainder of this year. I have accepted their request.

For those of you that do not know me, my credentials are as follows: I have been a member now for over 7 years.

Of those years, I was a Jr. Board member in 2002, I was the president in 2003 and 2004, and a board member in 2005.

In the last 2 years I have been a member in good standing. I would be honored to once again help our club to the best of my abilities.

Thank you,  
Rick

**Don Wells**

Since becoming a member I have served on the Board and numerous committees. Even while not a Board Member, I have continue to express my opinions and keep Cowtown's best interest along with Membership's needs.

Served as Vice-President '02, '03, '04 & '06  
Logo Merchandise Chairman since '01

My goal as Board Member is to work closely with the Board and Chairpersons for the benefit of Membership, to promote membership growth and to make Cowtown Vettes the best Club in NCCC. Most import however is to serve you (membership) and your goals.

# CHARITY

*I can't believe we are into the second half of 2007 already! Are we having fun yet????*

I hope as many of you as possible will come out for National Night Out on Tuesday, August 7, from 7 - 9:00 pm, on 6<sup>th</sup> Street between Harris Hospital and Cook Children's Medical Center (see flyer and map below). Frank Testa has asked us to put on a small car show along with the food, fun, etc. at this event. Please consider bringing your Corvette out for a fun evening. Kids are welcome!

I would like to thank Robin Montgomery from the Make-A-Wish Foundation for coming to our June membership meeting and telling us what the Make-a-Wish Foundation is all about. The "walk" she mentioned happens to be on October 13, which is the same day as our annual car show. Maybe we can do it next year. If anyone has any ideas of what we could do with this organization this year, please let me know.

# HISTORIAN & WEBMASTER

**WOW, where has this year gone;** it seems like just yesterday that we were celebrating the beginning of the new year, then came Valentine's and here

we are into August; after celebrating the 4th of July.

Haven't the record setting rains this year been great, along with the cooler days and nights; versus the normal drought and heat? While the rains have hampered some of our activities, the recent trip to Nashville reminded us of the drought times with grassfires and heat.

Our Website was awarded the **Silver Web Award** from the **World Wide Website Awards**. As mentioned in last month's article; just for my curiosity, I did submit an entry to this panel and a couple of others, to have our website professionally judged. This panel of judging focused on overall design, creativity, content, navigation, scripting and technical design. Additionally, our website was the *highest rated Silver Winner* for June of 2007. For more information on this award, you can visit their website at: <http://www.worldwidewebawards.net/criteria.htm>

**Are you a Veteran?** If so, don't forget to visit and/or contribute to the **Cowtown Veteran's** webpage - click the yellow ribbon on any page to view it. If you don't have pictures, no big deal, we would still like to *list & recognize you and your service to our Country and our Freedom.*

**Thanks** go out to Paul & Viola Meyers and the McMahan's for sharing event photos for the event pages.

**Q: If I provide you printed photos,** can you use those for either the web or the club albums?

**A: YES,** we would greatly appreciate photos, even in printed form. If they are copies you would like to donate, they can be used in the albums. Although the resolution won't be as good as digital, I can also scan them for use on the website; then return the prints to you.

**Corvette History being made:** Corvette was named as one of the "Top 10 Sexiest Cars for 2007", by *Road & Travel Magazine*. Additionally, Corvette was named one of "Ten All-American Sports Cars for 2007" by *Forbes*. Did you have a chance to check out these articles which are linked from our website?

**Cowtown Email List Server:** We have completed the migration of over a dozen email lists from the dead list server to *yahogroups.com*. As of the date this article was written, we have 86 email addresses on our *CTV-ALL* email list, which should be close to full participation by our membership - **THANK YOU!!!** ☺

As mentioned at the last membership meeting, I currently have the *CTV-ALL* email list in a moderated mode, meaning that if you send an email to that list, I will be notified and will have to approve the email prior to it going to the entire club. This was done due to the different ways that this email list server works vs the one I hosted - if you do a "reply" hoping to only send back to the originator, it will go to all of membership, since the list is the sender and only acts on behalf of the actual originator. This has caught a few folks already, where they had only intended to respond to the originator. If you wish to send to only them, place their personal email address in place of the *ctv-all@yahogroups.com*.

The *CTV-EO* is a email list containing all elected officers (formerly the *CTV-Board*) and *CTV-COMMITTEES* that contains all committee chairpersons. Other committee lists like the car show, nccc, open road racing, cruiser, convention 2008 logo, etc. also exists for committee communications. Inclusion in a committee email list is restricted to the committee members for that function. If you have questions or need further clarification, please don't hesitate to contact me.

If you are not receiving emails about Club events, please get in touch with me to validate that you are on the email list(s).

If you have any suggestions, questions or comments about our how we are capturing our Club's history or website, please don't hesitate to give me a shout.

# SPONSORSHIP

## Members:

We have exciting news! Cowtown Vettes Board of Directors have approved the Guidelines for the new Sponsorship Program. The sponsorship program was developed to create a way to promote and sustain partnerships with potential sponsors and Cowtown Vettes and to generate funding for various Cowtown events and programs.

In order to complete this project a Committee was established and members were appointed. The Committee members are: Frank Testa, Chairman, Manda Gorman, Lei Testa, Barbara Greenfeder, Bobby Gorman, and Kim West, ad hoc. The volunteers have worked very hard.

The program details five levels for sponsor consideration. These are:

**Platinum:** One sponsor with financial support of \$5,000 or more. Our Platinum sponsor is Bruce Lowrie Chevrolet.

**Gold:** Two sponsors with financial support of \$2,000 or more.

**Silver:** Unlimited sponsors with financial support of \$1,000 or more.

**Bronze:** Unlimited sponsors with financial support of \$500 or more.

**In-Kind:** Unlimited sponsors who provide support in the form of products or services with a value of \$250 or more.

Another level of sponsorship is the Discount level. This would include those sponsors who do not provide actual services or products, or financial support but who reward Cowtown Vette members with discounts on purchases for parts, services, apparel, or other Corvette related items.

If you have any suggestions or recommendations for the program or potential sponsors, please do not hesitate to let a Committee member know.

Your humble servant,  
Frank

## COWTOWN CRUISER

**CRUISERS** ...we hear the cameras snapping as you are taking your CCP photo at various club and social events. As the points chasers (in any venue) will tell you, a point is a point, never pass one up.

We are in the planning stages of a couple of cruises; both day and overnight cruises. Some options for overnight cruises may end up as a trip to Bowling Green, KY, to the Corvette Museum - for NCM brick dedications. Another option would be an overnight cruise to Broken Bow, OK, or maybe to the Longview or Palestine area.

If you have any thoughts for either a day or overnight cruise, we would welcome those; get in touch with me and we will take a look at it.

**Q: Can we participate in a CCP Cruise, even though we don't care to track the points?**

**A: Yes**, you are welcome to participate in CCP the cruises even though you aren't tracking stops/points for the annual awards. Most of the day cruises are targeted at 5-8 stops, which also provides a nice for leg-stretch even for those not doing points.

**Annual Vette Photo Contest:** We have seen several cameras out and about at the socials and events. As you are snapping pictures, don't forget to keep an eye out for your favorite three photos you have taken this year to enter!!!

Some of us will only be displaying our photos this year (outside of the competition). Regardless if you are competing in the 2007 Cowtown Cruiser Program (CCP) or not, if you cruise in your Vette to neat places, you can still enter this annual contest.

Show us where you have been and what fun you have had while cruising and taking trips in your Vette! The Contest Rules are on our website at: [http://www.cowtownvettes.org/CCP/CCP\\_PC\\_07.html](http://www.cowtownvettes.org/CCP/CCP_PC_07.html) ...keep on cruising'

## GOVERNOR'S REPORT

### PARDON FROM THE GOVERNOR

By now most everyone knows that Cowtown Vettes won first place in the NCCC national web site contest. We have won every year that we've been eligible thanks to Doug McMahan's

hard work.

Here's what you might not know... There were 16 entrants from 11 regions across the country.

In the newsletter contest, our Southwest Region friends from Houston, San Jacinto Corvette Club, won first place with their publication The Grand Sport.

A rulebook clarification that came out of the National Governors' Meeting at the Nashville Convention is that putting a Holley 54 mm throttle body on a 1990 will bump the car to Group III. This means the car would have to meet all of the Group III safety requirements. I think it's easy to extrapolate the interpretation to other throttle body engined Corvettes.

Be aware that I get the National Governors' Meeting minutes along with committee minutes. I will share these with anyone who's interested. These are the unabridged minutes that are somewhat longer than what appears in Blue Bars. Just drop me a note, electronic or otherwise, or give me a call. The minutes are electronic, so they're easy to share.

Congratulations to Debbie Lindsey for winning the Roger Clancy Award at Convention!

I am really serious about wanting you to ask about anything I say or write that you don't understand. I'll bet there's a dozen or more folk who are equally baffled by all of this NCCC stuff. My offer does not apply to The Governor's Joke of the Month (tm).

Don't forget to write or call.../Scott

### NCCC 2008 Convention Competition Results:

Nashville was a lot of fun this year and they had prepared a great high and low speed course for us to enjoy; at Nashville Superspeedway. The high-speed was a 1.8 mile combination of the NASCAR oval and the infield road course, with changing elevations! The low-speed was along course as well, with a pivot cone and multiple elevations.

**Drags:** Glenda McMahan - 2nd Place, ET, Group C

Walt Zschirnt - 4th Place, Record, Group IIB

Doug McMahan - 5th Place, ET, Group C

Walt Zschirnt - 9th Place, ET, Group B

**Funkhانا:** Doug & Glenda McMahan - 2nd Place M/F

**High-Speed:** Glenda McMahan - 2nd Place, IIG

Doug McMahan - 5th Place, IIG

Walt Zschirnt - 9th Place, IIA/B

**Low-Speed:** Glenda McMahan - 1nd Place, IIG

Doug McMahan - 5th Place, IIG

Walt Zschirnt - 6th Place, IIA/B

**Rallye:** Doug & Glenda McMahan - 17th Place

The Rallye and the Drags were both enjoyed, with rain (*NOT*) however; even with the rain we did have a good day up in Bowling Green, KY. With the two rain delays, it was a late night by the time we returned to the hotel in Nashville. There was one new national drag record set in Women's IIE by Sharon Meeseman.

*Sue McGee*  
Many of you may not know Sue McGee but for us "old-timers" in NCCC, you may remember her. Sue served NCCC for many years as a Regional Membership Director for the Southeast Region. John and Sue McGee represented NCCC in various ways with the National Corvette Museum, as their home near Nashville, TN allowed them to attend many of the museum functions. She was a fun, happy, "Southern lady" who never met a stranger. John and Sue worked with me on the Corvette 50th Anniversary Committee for NCCC in 2003 and opened their home to all of the NCCC members attending the event in Nashville by hosting a barbecue dinner at their home. I think over 400 people attended that event.

John and Sue had the desire to host a NCCC convention in Nashville in June 2007 and their efforts and hard work were apparent as this convention was a great success. Although Sue was not able to attend due to her health, we all knew she was there in spirit. She planned many of the activities and her "helper bees" did the work that she had so diligently planned for.

Sue has been fighting lymphoma the past 3 1/2 years and we were notified the morning of July 20th that she lost the battle. Despite chemo and radiation, she never recovered to the extent that she was eligible for a stem cell transplant which we know has worked wonders with our own Sylvia. Thank you Lord! Sue fought the "good fight" as the Apostle Paul has told us but she did not win in the physical sense. However, I am

confident that she is in great spirits, laughing, and free once again. Our thoughts and prayers go to John and his family as they adjust to their loss. She will be greatly missed.

*Thanks A Million!*  
Thank-you Cowtown members for the beautiful plant you sent after my recent surgery. I truly appreciate all the cards and well wishes that have been sent my way over the past few weeks. I also want to thank Don & Karyn Fowler, Red & Barb Greenfeder and Kerry & Elaine King for bringing us meals and doing so many other things to help me (and Bob) through this trying time. Thanks-again.

*CTV Members & Miyako are Worth Their Weight In Gold!*  
I wanted to extend my appreciation to the members who attended the Dinner & Drive-In last month. After a mishap with Groggy Dawg our members stayed flexible and we were able to move to Miyako Japanese Steak House. Miyako took us in on little to no notice and did a great job. The food and service were outstanding. My deepest gratitude to our members for their understanding and Miyako for being the type of business we should all frequent.

*Manda Gorman*  
CTV Membership,  
Please keep James and Kim West in your thoughts and prayers. James lost his brother very unexpectedly last month. James & Kim,  
Our deepest sympathies.  
Your corvette family,

**CTV 100%er**  
**CTV's Last Chance  
Summer Bash & Rallye**  
**Sunday, August 26th**

Cowtown Vettes is hosting one of Jack Gandy's infamous rallyes. The rallye will begin in the parking lot of Sam's Wholesale on Campus Dr., Sunday, Aug 26th 9am.

Where you will receive your driving instructions and the fun will begin. This rallye will guide you through the area while you and your partner answer questions to what you see along the way. This can be some stiff competition so be sure to bring a pen and your best navigator.

Pack a lunch (picnic-style), load up the boat & jet skis and bring the family because your final destination will be Pavilion #2 in Lynn Creek Park at Joe Pool Lake 11:00ish where the fun will continue. Jack will give trophies to the rallye winners, we will have our picnic lunches together and enjoy the park.

*If you are unable to make the rallye, meet us at the park for lunch. If you can't stay for the afternoon activities don't miss being a part of the rallye, they are loads of fun.*

Got questions? We've got answers! Just call:

Thanks to all the members who stepped up last month and signed up for one or more worker positions. To all those that didn't have the opportunity, **PLEASE** take time at the August Membership meeting to volunteer as a worker. If you aren't going to attend the membership meeting please email me at [cinbob75@charter.net](mailto:cinbob75@charter.net) with the position you would like to volunteer for. If you don't know what position you would like to volunteer for sign the floater sheet and I will assign you to a position. This event is going to take the entire membership to make it a success. Thanks in advance for your support.
