PRESIDENT'S REPORT

It is hard to believe this year is half over, but the fun and excitement has just started. In the month of July, the Club has the July 4th parade, the trip to Shreveport and the NCCC Convention, a pool party and cruise in August, Annual Super Speedway TMS event in September, Annual Car Show in October, and the last 100%er in November. Do not forget to sign up to work the Super Speedway at TMS and the Annual Car Show.

In behalf of the membership, I want to congratulate our racers for holding first place in the region and second in the nation as of June 1st.

Have fun and be safe.

I want to congratulate the membership on meeting 100% participation in the 2010 NCCC National Kidney Foundation Raffle. For those that have never been to the annual NCCC convention, you feel something special inside when they announce the 100% Club's and you hear Cowtown Vettes.

"Remember this is your club"

VICE PRESIDENT'S REPORT

We had a pretty good turn out for the June 100%er, the "Trap" Rallye hosted by Mark Kirby. We had 11 cars run the rallye (so 22 people), with another 6 people who helped work it. The food and service at No Frills Grill in Mansfield was good too!

In July, we will have two 100% socials, the first being the Fourth of July Parade through the Westcliff West Neighborhood Association on Saturday, July 3rd. We need to start lining up at

9:15, as the parade will start at 10:00 AM. If you have flags for your vette, don't forget those... and don't forget to bring candy to throw for the kids and I always like to bring dog treats for the pups that show up too! Please see the flyer located elsewhere in this Low-Down for all the details and the specific location where we meet.

Our SECOND 100%er for July is our overnight trip to Shreveport on July 17th & 18th. By the end of the June membership meeting, we had around 32 people signed up to ride the bus! If you want to go, but haven't signed up yet, please contact me or Fred Rosett ASAP, so we can make sure you get on the list. Your only up front cost is the bus fare, which is \$50 per person for the round trip... this amount includes refresh-

ments on the bus, the tip for the bus driver, the hotel room for the bus driver, and a chance to win the drawing for a free room at the hotel!! If you are signed up, or you plan to sign up for this trip, please bring your bus fare (\$50 per person/\$100 per couple) to me at the July membership meeting (make checks payable to Cowtown Vettes). You will also need to make your hotel reservation directly with Sam's Town Hotel & Casino by calling 877-429-0711 and referencing Group Name: Cowtown Vettes, Group Code: #S07COW. For even more details, please see the email that Fred sent out to the entire Club on May 10th. I am SO excited about this trip... we're going to have a blast!!

In August, we'll continue our CTV tradition with a 100%er pool party at the Hoaldrigdes, so mark your calendar for August 21st! More details to follow...

See you at the July meeting!

GOVERNOR'S THOUGHTS -

Cowtown Vettes is still #1 in the Southwest Region! Way to go Cowtown Competitors!

We have four women and four men in the Top 10 of the Southwest Region:

You can find event pages and information on the June SWR Events on our website.

There are no SWR NCCC Events for the month of July. What we are looking forward to in July is the NCCC National Convention taking place July 24th thru 30th in West Palm Beach, FL. If you are interested in a week of fun and adventure, I encourage you to come check it out. You can find the link to the Convention details on our website – lower right corner of the home page.

During our June Membership Meeting, Cowtown had purchased enough Raffle Tickets to qualify us as a 100%er club. The 2010 Black Grand Sport will be drawn for on Friday night at the National Convention.

Try to stay cool!

2010 NCCC Governor

2010 NKF RAFFLE UPDATE

National Kidney Foundation®

100%

Current Ticket Purchase Participation

YES WE CAN!! AND WE DID!!!

Congratulations Cowtown Vettes, Inc. We set a goal of purchasing a minimum of a \$1520 donation in support of the NCCC National Kidney Foundation 2010 Raffle Car by purchasing the equivalent of one ticket per member (based on our membership at the start of 2010) and we made the goal-plus some! We actually have \$1845 to donate to this fund from ticket purchases to this point and I still have members that want to buy. Many of you bought extra tickets and several bought a lot of tickets. Don Wells put the challenge out to the membership early this year and you responded in a very positive way.

Cowtown Vettes will be recognized and receive an award during the banquet at the annual convention in Palm Beach, Florida in July. The recognition is great but what is more important, in my opinion, is the spirit of giving and helping those who are in need in a very unique way. You all have big hearts and are very focused on giving back to others. This mindset has been passed on through the years from the direction of our local Charity Directors for Cowtown Vettes. Karyn Fowler set the bar very high in leading Cowtown for many years in their charitable endeavors and those who have filled those shoes the last several years (currently Jane Buehler) have continued that tradition.

As has been mentioned before, I have the unique privilege to work with individuals who see the benefits of these donations and I thank you, thank you, thank you (as does Sylvia) for your continued interest in the National Kidney Foundation and the involvement of NCCC in this organization. So... Ring those cowbells and pat yourselves on the back for a job well done!!! Thanks again!

Debbie Lindsey
NCCC Director of Sponsorship

COWTOWN VETTES CHARITY REPORT

We had a huge turnout for the volunteer night at the Tarrant Area Food Bank on Thursday, June 10th. 29 volunteers showed up to work! Our check for \$250 was much appreciated, and Barb Higbee gave a tour of the Community Kitchen for those who had not seen it before. When our work was done, most of us "re-freshed" ourselves at the Mexican Inn.

Thanks go out to these folks for

I will be hosting a pet food drive at the July meeting. I work with the Don't Forget to Feed Me organization picking up from drop off locations and delivering pet food to the Tarrant Area Food Bank. The food bank has been out of pet food since mid May and is in dire need. I have recently found out that the summer time is a hard time of the year since kids are out of school and utility bills are higher. People are struggling to keep their pets with them. Please help out by bringing a donation of pet food (dry food, can food, or treats for cats or dogs) to the July membership meeting. I will also take cash donations to go and purchase the pet food. Thanks for your help!!!

Greeting The Troops

Several of you have asked if we could set up "Greeting the Troops" at DFW airport for a specific day each month.

So, starting in 2010, we'll try to go on the third Sunday of each month, to greet the returning military troops. I've been going pretty regularly and most of the time they arrive at 7:55 a.m. on Saturdays and Sundays. So call 972-574-0392, just before you leave for the airport, because the times can, and do change. We can go have brunch afterwards and some go to church!

Lately, they've been coming in to Terminal D (the International Terminal) but that changes too. The terminal and gate information is given to you when you call that number. You get a coupon for free parking at the airport from someone at the gate where the troops come in.

Hope to see a lot of you there!

COWTOWN'S NCCC EVENTS

The NCCC event (BRCC sanctions) that we hosted in May at Mineral Wells, partnering with CCT was a success. There were forty-eight entrants; three of which were from Illinois, who came down in their chase for National Competition Points. The weather for the two-day competition event was great and we finished early each day with very minimal delays. This success could not have been achieved without the dedication of the functional chairpersons (see below) and the Cowtown & CCT members that worked the event – **THANK YOU!**

Our next NCCC event that we will host is our annual **Super Speedway Weekend** at Texas Motor Speedway; our 14th year! The event will be held on September 18th and 19th so please put this on your calendar and lend a hand. This event is our largest source of operating income for the year so we do ask for your assistance, ideas and efforts to make it not only a financial success but to also host the best event that our guests / fellow competitors will attend this calendar year!

We are still seeking Volunteers for a couple of Functional Chair positions and we certainly welcome you to start signing up as workers. The sign-up sheets will be posted at the next meeting.

Charity Note: Over the past several years, this event has also raised a sizable charity donation. If you know of a business or individual that would like to donate items for the Saturday evening charity raffle, please obtain them and contact us with the details.

Thanks

WEBMASTER

Our website took a major hit this past month with a glitch in the online files in the webserver; at our web hosting provider. This glitch caused the manual editing of over 1,500 webpages; all pages from the year 2007 to date. The issue was with graphic buttons to the

left of every page which became corrupt; which put the wrong button in the wrong order however it opened the correct webpage. Example: when you looked at the website the buttons should have been in the order of Home, About Cowtown, Elected Officers, Meetings, etc. Instead, it showed Home, Photo Gallery, Elected Officers, Meetings, etc. The second button labeled Photo Gallery actually changed to

a depressed Photo Gallery button as shown below left), then when depressed the third button showed Charities (the dark hover mode button - right sample).

The buttons are actually individual graphic files; three graphic files per button name to be exact. The button graphic should be normal red until your mouse hovers over it, then it turns to darker red (2nd graphic file), then when you click the button it looks like you pushed the text into the button (3rd graphic file).

We really don't know what date the corruption took place and it wasn't until normal maintenance of webpages on Saturday the 5th that it was actually spotted. After an hour or so of investigation, I opened a support ticket with our webhosting company. It was then that they attempted to restore the button files from backups, only to find that the backups (a month's worth) contained no button files. Then the painful editing of each and every webpage started; which amounts to between three to five minutes a page in time spent.

After getting almost thru with the webpages from current back to 2008, it was discovered that the actual HTML programming code (under the covers) had also been impacted. The buttons looked fine however they pointed to bogus locations on within our website. This caused manual editing of the 1,500+ pages to once again.

At this time; things are looking better and we hope that the pages are all fixed and I would welcome you to contact me if you find any that are still corrupt; or for any webpage that might have issues, after all this is your website and I am only the webmaster that attempts to keep things current.

Since the last newsletter, we have added seven new event webpages containing over 691 images/photos which cover the last five club and regional events since our last Low-Down. The photos were contributed by Fred Proctor, Jim & Donna Forsythe, John Dick, Doc Lambert, Bill & Jane Buehler and ourselves.

Cowtown Email Lists: If you change your email address, mailing address, your Vettes, etc., please let membership know so that your address can be updated in the Membership Database along with the various email lists. Please send any updates to:

If you have any suggestions, questions or comments about how we are managing our Club's website, please don't hesitate to give me a shout.

COWTOWN CRUISER

Has the Coyote gone Loco? ...no, however the next Cruise will be Saturday, August 7th; enjoying a fun route down to *Loco Coyote*. This cruise is sponsored by Donald & Carlanne Hickman; so mark your calendar. The food is great, the portions are huge and you'll have a great time on this half-day cruise so RSVP

and come join the fun; details are on our website.

There are still dates available for you to sponsor a local cruise; even just a short day cruise which our members really enjoy. If you don't have any ideas on a cruise but you would like to sponsor one, get with me; there are always a few good ones that could be repeated.

I also have several thoughts on new cruises (like this one) that we would be more than happy to share and assist you with.

When a 'sponsored cruise' is booked, it will be placed on the *2010 cruise schedule*, you can find them on our website at:

http://www.cowtownvettes.org/CCP/cruiserpgm.html#CRUISE_SCHEDULE

You might ask "I really enjoy cruising in our Vette but what is this Cruiser Program all about?" the answer is that it is just another form of competition; for those that like to cruise in their Vette. The cruising can be done individually, in small groups or the focus cruises like the one mentioned above. Some folks capture cruiser points while cruising to NCCC Competition events, out of town car shows, club socials and then when they take short trips with their significant other.

The 6th Annual Cruiser Photo Contest is about half over however, there is still time for you to capture photos from neat places your Vette took you in 2010. To compete in this contest, you don't even have to participate in the Cruiser Program. Check out the contest information at:

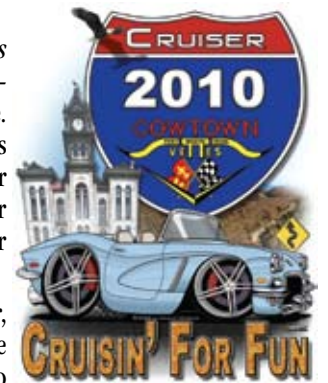

http://www.cowtownvettes.org/CCP/2010/CCP_PC_10.html

If you would like clarifications, or if you have a question or comment about the *Cowtown Cruiser Program (CCP)*, please feel free to give me a call or drop me an email.
