PRESIDENT'S REPORT

I thought June was a busy month. July started with a July 4th (bang) and has not let up. As I write, the breakfast and a movie await. But, August will slow down some.....maybe.

This club has a knack for creating something to do when nothing is scheduled. Last Summer (2012), Rick Garabedian bought a block of Ranger tickets. Not a sanctioned club event. No 100%. No signing a log sheet. I think about 7-8 couples ended up at the Ballpark. In that same summer, a handful of us attended a Cats game. Took pictures. Ate some great food. Pictures ended up on the web site. My message here: Don't wait for the club to invite you to an event. Create your OWN event. No, you do not have to invite the entire club. Making friends is inevitable and you will be drawn closer to some than others. That's part of being human. However, that does not define a clique and no one should react offensively because of it. Everyone gets left out of something sooner or later. Now, with that stated, it is also rewarding to step away from your established group of friends and reach out to someone you do not normally encounter in your social life. Go ahead. Ask them and do not be offended by "no." No one can be in two places at once and some just do not like to socialize as much as others. Some also have busier lives than others.

Carlanne has a miniature golf event planned for August. This event does not conflict with either "Vettes on the Rockies" or the NCM Hall of Fame Induction going on in Bowling Green, Ky. There is still sufficient goings on to satisfy "the itch."

If you leave town in August, be sure and take your wave with you.....and use it!

David Gill

2013 President
dogill80@sbcglobal.net

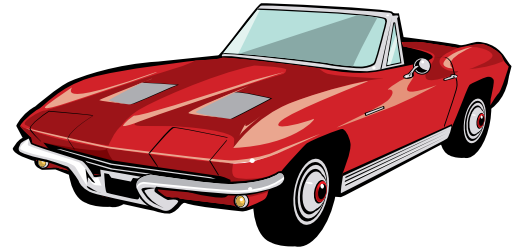

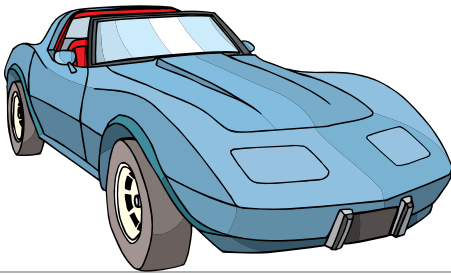

I just experienced my first NCCC Convention (well, part of it) and had one of the worst experiences turn into one of the best because of the people in this club. While in Bowling Green I ended up spending 3 1/2 days in the hospital with a blood clot in my leg. Word got around and I ended up with people stopping by unexpectedly to check on me. Some people I knew and some I didn't until they walked through the door.

Luckily, long-time friends Chuck and Elaine Heretta from Buckeye Corvettes were there to check me out of my hotel and move my Corvette from the hospital parking lot to the secured lot at the Holiday Inn. They also checked on me daily and Elaine made sure I was doing what the doctor ordered. Elaine also let Sylvia Hoadlridge and Glenda McMahan know what had happened. Without hesitation, Sylvia and Glenda started working on finding a way to get me, and my Corvette, home. I completely broke down when I read that text. I hadn't even thought that far yet and having them take care of it all, nothing said, blew me away.

Jim and Donna Forsythe drove me home to Oklahoma City while Raley Smith drove my car to Little Rock then Glenda took over the rest of the way. I cannot express how grateful I am for the generosity of Jim, Donna, Doug, Glenda, Raley, JoAnn and anyone else who had a hand in getting me home. Without them, I would still be in Kentucky for another week trying to get the doctor to release me to drive home. I know I've said it before, but I feel like I can't say it enough....THANK YOU!! And, yes Glenda, I would do the same for you if the need should arise.

I know we've all heard the phrase, "We came for the cars, but stayed for the people." This experience gave new meaning to that quote and proved it true in more ways than I could have imagined. - Rob Post

Calling All Visitors and New Members!

Visitors and New Members (and sometimes Veteran Members) are often overwhelmed by all the acronyms used and all of the different programs mentioned during the monthly meeting. Exactly what is "N triple C"? What is meant by saying an activity is the "100 %er" for the month. What is a "cruiser point", how do I get one, and what do I do with it once I get one?

Once every quarter, there is a special class geared just for you. Called "Cowtown 101" or CTV101, this class is designed to provide answers and help you get the most out of your membership. Programs like 100% and Cruiser Program will be explained and all your questions will be answered. The next class will take place right before the Membership Meeting on Friday, August 2, at 6:30 PM. The meeting takes place in the Coors Board Room which is upstairs above the meeting room. Everyone is invited to attend. If you have any questions, contact Jo Anne Smith, CTV-Membership@yahoogroups.com.

VICE PRESIDENT REPORT

It seems that July was a month of endless activities and I know I'm ready for an easier August. As a club we were well represented at all of the events held in July. The parade on July 4th was lots of fun as always. On July 6th a group of members went to the Streetside Classics car show and spent time looking at the cool cars they had for sale. On July 13th 30 cars were on display at Bruce Lowrie Chevrolet followed by margaritas and Mexican food at Rio Mambo Restaurant. Break-

fast and a Movie was the 100%-er event held on July 20th. The inside event offered a relaxing break from the summer heat. Add a monthly meeting on July 5th to all of these events and you can see why we all may need a rest!

The 100%-er event for August will bring out the kid in all of us. On Saturday, August 24th, a putt-putt golf tournament will be held at the Putt-Putt Golf center in Hurst located at 609 N. Loop 820. Teams will be determined by random drawing at the center. This will give members an opportunity to meet other members they may not know and will hopefully keep some marriages intact since spouses might be on different teams. After the tournament is completed we will be able to choose three other activities available at the center. Go-carts will challenge our driving skills and it will be interesting to see who ends up the best driver for the day. Bumper boats will give us a chance to relive childhood memories of bumper cars. More golf or inside arcade games will also be available. Your \$15.00 fee covers all four activities but if you do not want to stay after the golf tournament your pass can be used at a later date. After having all of this fun an optional lunch will be held at a place to be determined.

We will ease into fall with the 17th Annual Super Speedway Weekend on Sept 21st and 22nd being the 100%-er event for September. Autocross events will be held on both days but you do not have to race all of the events. If you have been thinking of trying autocross racing this is a great opportunity to do so. In addition to racing you can drive laps on the oval track on Sunday morning! With cooler weather, hopefully, the 100%-er event for October is the car show on Saturday, October 16th and gives you the chance to show off your beautiful Corvettes. Mark these dates on your calendars because workers will be needed at both events to make them successful. Our club will want to make our guests feel welcomed and have a pleasant experience.

COWTOWN CRUISER

Upcoming cruises include: August 10-18, 2013 Doug and Glenda will host the BLUE RIDGE MOONSHINE DRAGON RUN. The cruise that will include (1) run the Tail of the Dragon, (2) driving the Cherohala Skyway, (3) visit the Biltmore Estate, (4) run the Moonshiner 28 and (5) parts of the scenic Blue Ridge Parkway. This cruise was limited to ten couples due to the logistics of a

cruise this long. It should be great fun.

September 07, 2013; Carol Savage and Jim Jones are planning a "Lonesome Dove" cruise focusing on historic sites of Charles Goodnight and Oliver Loving. The cruise will cover roads west of Fort Worth and include the community of Zion Hill (CTV cruisers can get the rare letter Z) and with a possible lunch at the Steak Shed in Graford. More details to follow.

November 16, 2013, Carlanne and I are working on a cruise to the Texas Rangers Hall of Fame and Museum in Waco. I've spoken to the museum staff and they look forward to our arrival and have suggested we consider eating at either The Elite Café or Buz-

zard Billy's. George's and Quaker Stake & Lube have also been suggested. We will be taking a test drive and also trying out the fare at the restaurants. If you have recommendations on the food let me know.

Please check the Cruiser Schedule <http://cowtownvettes.org/CCP/cruisersch.html> for upcoming cruises and last minute changes and please remember that CTV guests and "tin cars" are welcome to join our cruises.

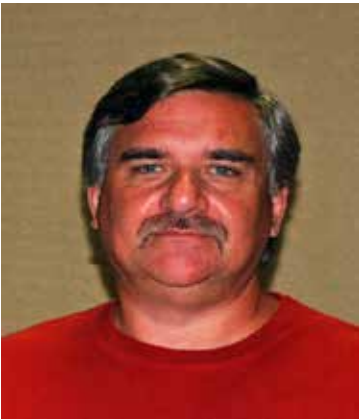

2013 Cowtown Cruiser Program (CCP) is still running and you have until early November to collect points. The 2013 Cruiser Logo and log sheets are available at our meetings or you can email me and I will send you a copy along with an electronic log sheet (Excel spreadsheet) that keeps track of your points. If you have questions, information is available on the Cowtown website or please give me a call.

We need members to host a cruise and it is an easy way to pick up 5 cruiser points. Cruises can start with breakfast and then cruise to some interesting location or cruise to an interesting location and end with lunch or dinner. They can be full-day or half-day in length and the object is to get together and have fun in our cars. I would be glad to help with the planning if needed.

2013 Annual Vette Photo Contest: The "What You Saw Along the Way" Photo Contest will end in November so you need to be taking interesting pictures of your Vette while you are out cruising. You will find rules for the Photo Contest on our website.

We welcome any suggestions for new cruise destinations or improving the program.

NCCC EVENTS

For 2013, the remaining CTV/NCCC event is our 17th Annual Super Speedway Weekend Sept. 21st, and 22nd at Texas Motor Speedway. Tech and Registration will be Friday evening. We will run 12 autocrosses, usually 7 on Saturday and 5 on Sunday, so mark your calendars.

There will be an

informal social at the Hampton Inn on Friday evening; there will be a catered dinner on Saturday evening around 7:00 p.m. The price is \$12.00 per person and the menu will be as follows:

Chicken Alfredo - Mixed grill vegetables
Garlic toast - Salad
Banana pudding & peach cobbler
Sweet & unsweet tea

We will have an NCCC planning meeting August 28,

Rick Watson
NCCC Events Coordinator
rickandkaren@mindspring.com

at the Coors boardroom at 7:00 p.m. If you would like to attend, we would enjoy having you there.

This is event is what we are known for. The first two NCCC events were an overwhelming success due to all the volunteers who came out and worked to make it happen. I would like to see that same show of support and volunteerism at this two-day event so our racers from Texas and other parts of the country will be more than happy to keep coming back year after year because of you!

So, with that being said, sign-up sheets for volunteers will be at the August and September membership meetings. Please sign-up and show support for your club. Remember: The best seat in the house to watch an Autocross is in the Corner!

SWR 2013 Schedule

- September 21st & 22nd (Saturday & Sunday) – the 17th Annual Super Speedway Weekend at Texas Motor Speedway

WEBMASTER

We have less than a half of this year left – it flies faster every year; maybe we are just staying so busy with life and all this fun Corvette stuff . Since the last report, we have added event coverage for four events consisting of thirteen event pages and over 1038 photos not counting the 738 + photos in flash slideshows. The events added were from the 54 th NCCC Nat'l Convention, the 4 th of July Parade and the Bruce Lowrie Exhibition . We would like to thank Raley & Jo Anne Smith, David & Patricia Gill, Doc

Lambert & Jim Jones for their photo contributions on events. With that said, we are still missing photos from some events if anyone has photos they can share – see the Photo Gallery page to see the blanks . Don't forget your camera when you go out to enjoy any of the many events available, regardless if it is a club event or something you went and participated in we do welcome YOUR photos!

Website Photo Requests : we would like to add photos of your Vette to the Member Vette pages linked at the top of our website; as James Blasé just did. For those that served our country, helping to keep America proud and free; we have a webpage where members can share photos from their service.

As you browse around the website, if you spot something on a webpage which appears to be incorrect or needs attention, please contact me so it can be looked at. Maybe you have an idea for something that would make our website better; we would like to hear about it. This is the club's website which is viewed from all over the world – so we want it to be up-to-date and always correct.

Cowtown Sponsors: know a business that might like to sponsor Cowtown at some level? Remember, if you have potential business that would like to see become a sponsor, please provide them with a sponsorship brochure or have them contact one of the elected officers. At the bottom of every page you will find a link for the Cowtown Sponsors page – on that page you will find a link for the sponsorship brochure which can be shared .

If you have an interest in assisting with Cowtown's website, please contact me – this is my 10 th year as webmaster for Cowtown and it would be great to enlist some assistance or to start training my replacement. This has been a goal for some time now; even if only to handle areas such as the Misc. Car Show or Competition Calendars; maybe even event pages, or social media, etc. Think about it and give me a shout.

Facebook: are you a Cowtown Vettes friend on Facebook? If not, please do so you can see the many comments that we receive from some of our teaser photos. When you "like" an event and/or photos on our Facebook page it also helps promote and make Cowtown more visible. The more visible we are, the more potential members we reach for club membership and even with our event invites like our NCCC events and the annual car show. NCCC also has a Facebook along with some specific pages around conventions each year; we would invite you to become a Facebook friend with NCCC as well.

Cowtown Email Distribution Lists : we continue to maintain a couple of dozen email distribution lists; these go beyond the Entire-Club list and the Officer list . Most of these are special interest such as Car Show committee, NCCC Events, specialty Cruises, Convention, etc. I would like to remind the Chairpersons that some of these lists (along with webpages) fall within your functional responsibilities so if you are a new chairperson, your email will be added. If you have questions around the distribution lists, getting yourself added to any specific one, etc. then please get in touch with me. Members, if you change your email address, mailing address, your Vettes, etc., please let membership know so that your address can be updated in the Membership Database along with the various email lists. If by chance you are not receiving the CTV-All emails then your correct email address must not be in the system; contact us. Send all email and address updates to: ctv-membership@yahoogroups.com.

If you have suggestions, questions or comments about how we are managing your Club's website and/or Facebook account, please don't hesitate to give me a shout. I also encourage you to shout if you find any pages that have issues or if there is something you would like to see or things you dislike; after all this is your website and I am only the caretaker of your website.

Thinking about Christmas??? New to the Corvette Store is the 2014 Corvette Stingray Power Wheels from Fisher-Price. Coolest kids in town!

I still have a couple of tickets to the museum available for CTV members. If you are planning a trip, let me know.

GOVERNOR'S THOUGHTS

Summer is flying by! Before long it will be renewal time again! As I get older times flies by faster year after year.

Convention 2013 in Bowling Green, KY is a thing for the history books. Those that attended had a great time. We enjoyed visiting with old and new friends, we toured, we

rallied, we raced and we funkanaed. We visited the Corvette Museum and remembered the reason why we love Bowling Green. There was a dedication of a brick for Jim Thomas while we there and reminded many of us of friends we have lost in our Corvette family.

It was a great enjoyable week starting with 2012 Champions Dinner where Cathy Anthony received her National recognition; She was #13 and Cowtown as a club was #7.

The week ended with the NCCC Banquet and Cowtown was very honored. We received 100% award for buying one raffle ticket per member and supporting the National Kidney Foundation in doing so. Debbie Lindsey received the Roger Clancy award, which is a humanitarian and charity award.

Glenda McMahan
2013 NCCC Governor
glenda-gm@att.net

Sylvia Hoaldrige received the President's Award. When you see these two congratulate them for a job well done! NCCC had 42 applications for scholarships and awarded 12. Keep in mind that if you or someone in your family is attending or planning on attending school this is a great program and check the website for details.

Cowtown also came home with several competition awards for the week. Donna and Jim Forsythe was 4 th in funkana and 5 th in the rallye!

Carlanne and Donald Hickman finished #1 in the rallye with 144 pts out of 148! Doug McMahan was #1 big block racer in the valve cover races. Congrats to all of these people.

Start planning for 2014 which will be in Savannah, GA August 25-29 th .

For the present year 2013, Cowtown is also very well represented in competition in the Southwest Region

Women: Cathy Anthony #4, Cindy Morrison #5, Donna Forsythe #8 and Carlanne Hickman #9

Men: Fred Proctor #2, Doug Shilen #4, Kevin Anthony #9
