PRESIDENT'S REPORT

At the risk of butchering the King's English, "Fall has fell." Hot weather is almost nonexistent. This is the perfect time for

you convertible and coupe owners to stow your excuses, peel off the top (of the car), and hit the roads. Cowtown's cruiser chair has provided us with several interesting cruises but, do you REALLY need an organized cruise to get out, follow some windy roads, and enjoy your Corvette? Contact a fellow member(s), get the cars out, lose yourself in the back roads and wind your way to a flea market, favorite restaurant, car show, or other area of interest.

The autocross is over and it was a success as evidenced by the participant feedback. The car show was also a success as evidenced by the turnout, the smiling faces, and the numerous awards AND despite the meager preregistration, we had 94 entries by the time judging commenced. Cowtown has worked hard at these and other events and has the rewards and gratification to show for it. Thanks to everyone who answered the call to volunteer. Our volunteers included many new faces which is what we are all about. Cowtown does not pledge or initiate. We just take your check, add you to our mailing list, and welcome you to our events.

Our November events are nearing and will be closely followed by the Christmas party and some charity events.

Check the web calendar and the rest of the Low Down articles for details. And while you are out enjoying that pretty Corvette of yours,....

VICE PRESIDENT REPORT

By the time you read this we will have hosted our All Corvettes Car Show. So far the weather looks good and everything is ready to go. This annual event is the

100%er for October and I hope you were able to attend. It's always a fun event that generates some stiff competition. It can be very difficult to pick that one car in a class that really outshines all of the rest because they are all so outstanding. Sometimes it comes down to just picking your favorite color or the one with the most sparkle. It's truly a spectacular sight to see that many Corvettes in one place.

On Saturday, November 8th, we have been invited back to the North Texas Mustang Club's final car show of the year. Although this is not a 100%er event I encourage you to come out and display your Corvette in the Mustang Challenge. Last year we had as many, if not more, cars as the Mustang club and won the club participation award. Many of our members also won class awards. It will be held in the parking lot of the Cracker Barrel at 889 S. Stemmons Freeway (I-35E) at the Fox Ave Exit (Exit 451) from 2:30PM to 6:00PM. It is a participant's choice car show and the entry fee is only \$10.00. Registration is at the location so arrive early to fill out the forms and get a good parking spot. Bring lawn chairs and a cooler with drinks/snacks. You can also dine at the restaurant.

Instead of cleaning out your refrigerator on Saturday, November 15th, why not join your Cowtown friends for "Saturday Night at the Movies"! This will be the 100%er event for November and will be held at the Coyote Drive-In located at 223 NE 4th St. just off N. Main St. between W. Northside Dr. and W. Belknap St. The gates open at 6:00PM so try to be there between 5:30PM and 5:45PM to get in line for entry so we can park together. The show starts at 8:00PM. I will not know what is showing until the Tuesday before and will send out a notification as soon as possible. Admission is \$8.00 per person. No outside food or beverages are allowed but the Coyote Canteen offers a variety of food and beverages, including beer and wine.

There will be plenty of time to visit and socialize before the movie starts at either the Canteen or by our cars. Audio for the show will be streamed to your car radio or to a portable radio if you want to sit in lawn chairs.

The final event of the year is the Annual Holiday Party and Awards Banquet. This is an opportunity for Cowtown to recognize those members who have worked hard to make the past year a successful one. The event will be from 6PM to 11PM on Saturday, December 6th, at the Radisson Hotel Fossil Creek. Following appetizers and drinks a holiday dinner buffet will be served consisting of garden salad with dressings, fruit salad with coconut garnish, herbed chicken with béchamel sauce, crusted beef sirloin, green beans almondine, broccoli with cheese, garlic new potatoes, and Alfredo pasta (vegetarian entree). A dessert display offering a variety of cakes and cheesecakes will be served. Dinner rolls, tea, coffee, and water are included. A cash bar will be open from 6PM to 10PM providing beer, wine, and mixed drinks. Two of our guests will be Marines who will take all of the unwrapped toys we bring to the banquet for donation to Toys for Tots. Door prizes will be awarded throughout the evening. Your payment of \$30.00 per member or \$40 per non-member will reserve a place for you. I will accept payments at the November meeting or they can be mailed to me at 1901 Florance Ann Lane, Haslet, TX 76052.

COWTOWN CRUISER

Corvettes for Vets, on Tuesday November 11th Carol Savage is planning for CTV members to participate in the Fort Worth Veterans Day Parade Fort Worth. Call Carol for details and she is planning to meet at the Cats Field for staging and lineup around 8-9 am. We will be carrying Vets in our Corvettes. We did this several years ago in Dallas and I think it will be a great way to show Vets our support.

The 2014 Cowtown Cruiser Program (CCP) & 2014 Annual Vette Photo Contest "What You Saw Along the Way" ends in November. The deadline for the 2014 CCP contest is a completed entry form postmarked or delivered to the CCP Chairperson at the meeting 11/07/2014. The supporting pictures must be postmarked or delivered to the CCP Chairperson no later than midnight Saturday November 15th, 2013.

The deadline for the Annual Vette Photo Contest is the start of the November Membership Meeting (11/07/2014). Please provide the CCP Chairperson with up to three entries per CTV member. The entries should be 3"x 5" or

4"x 6" in size with the entrant's name printed on the back. They will be posted on the Contest Board. The winner will be selected by member vote at the November Membership Meeting. Each CTV member present will get one vote and the votes will be counted by at least two CTV members who do not have a photo in the contest.

The Contest Winners and Awards will be presented at the Annual Christmas Party/Awards Banquet. Additional information on both contests is available on the Cowtown website or please call me.

We welcome any suggestions for new cruise destinations or improving the program.

GOVERNOR'S THOUGHTS

RENEWALS FOR 2015 ARE DUE NOW!

After the Nov. membership meeting you can still renew with Cowtown but there will be a \$10 late fee added. You will want to continue to enjoy all that membership with the great club of Cowtown Vettes & NCCC has to offer.

The competition year will be over by the time you read this and congratulations to all the hard driving competitors! We all will find out at our Christmas/Awards dinner who comes out on top! Then we competitors will be waiting until March for the season to start again!

By the time you read this the Southwest Region governor's meeting (held Oct. 25 in Waco) will be over and we will have a new RMD (regional membership director) and a new RCD (regional competition director). We know unless there is a few write-ins. Doug McMahan will be your new RCD. The RMD race will be either Scott Wheeler or Ron Ruston. It will be a great 2015 for the region with these people in office.

I will also be gone again at the time of the Nov. meeting. I will be in St. Louis at the national NCCC meeting.

At this meeting we will find out who will be the new national officers and which by-laws changes passed. The competition rulebook will be voted on from the floor. I have heard from several of Cowtown members and thank you for being a voice I can listen to. I am your representative and vote the way the majority of the club voices their opinion; it is important to share your opinions.

The Southwest Points Standings are as follows as of Oct. 15.

	Southwest Region	
	Men	Women
1st	Doc Lambert	
3rd	Fred Proctor	
5th		Carlanne Hickman
6th	Donald Hickman	Donna Forsythe
9th	Bob Morrison

WEBMASTER

The weeks of September and October have been as busy as they could possibly be. There has been a Corvette event of some type every weekend (sometimes two different ones on the same weekend); definitely no lack of Corvette activities to participate in for sure.

At the September Membership Meeting you voted in some **Bylaw & Standing Rule changes**; one of those is related to the Website and Social Media. While the changes don't go in effect until January 1, 2015, I'd like to promote those. As you can imagine, the Webmaster position typically has some volume of activity that goes on virtually every day of the week; look at the "What's New" button on our website - this doesn't even take into account the email lists or Social Media. Speaking of that area, there will be a *Social Media Committee* (chaired by the webmaster) **which is soliciting volunteers** to assist in promoting Cowtown thru social media, primarily *FaceBook*. This activity entails more than just on smartphones or tablets; it will require some computer activity. One of the other areas that will be spread is the management of Cowtown's *email distribution lists*, like the CTV-ALL and CTV-GUESTS. I have managed these and 30+ other distribution lists for the past 10+ years and now with this change I'll be handing most of this activity off to the appropriate committee to manage their own list. For example, the *Car Show Chairperson* should own and manage that list, just as *Membership* should be handling CTV-ALL and CTV-GUESTS. There are a few officer type lists like CTV-EO that the Webmaster will still maintain and be responsible for. If you have an interest in any of these areas please contact me and I'll share what the duties and my vision for this committee is.

Since my September report, the 2014 NCCC Convention pages were completed, 8 total pages with 472 photos. Other event pages cover the following: Cowtown's 18th Annual Super Speedway Weekend, another BEST IN CLASS event thanks to the hard work of everyone that made this event a success! The next weekend (9/27-28) we had competitors up in Oklahoma City competing in autocrosses at the Sherriff's track. The weekend of 10/4-5 we had members cruising up to *Eureka Springs Corvette Weekend* (I need photos) and other members down in Houston at the Police Academy autocrossing.

The weekend of 10/11-12 more autocrossing was held down in Waco while another group of members had a great time down at the *BRCC 9th Annual Car Show* in Granbury.

It doesn't appear to be slowing down for a few more weeks with more autocrosses & drags up in OKC; then the final SWR autocrosses will be in Waco the following weekend - you'll see those pages / photos next month. I would like to thank Mary Pittman, Raley & Jo Anne Smith, Richard Downing and John Dick for contributing photos so you don't just have photos from our perspective. Since the last webmaster report I've added 14 pages on our website adding 953 photos, 10 slideshows with 245 additional photos and 4 videos. We do have numerous events that we still have no photos or event pages for - just imagine how many we would have added if we had those represented. If you have photos for these events please get them to me - you'll see the blanks on the *Photo Gallery* page.

The *Election 2015* webpage will be posted by the time you read this so hopefully it gives you a common location to read the *Candidate Bios* and hopefully you have accepted a nomination to get involved and contribute as an elected officer. If you are not ready for that you can always volunteer to be a Committee Chair. Also keep in mind that just because someone has been functioning as committee chair for several years, each chair position is only a one-year term. The incoming President has the right to appoint any of the candidates that put their name in the hat for a specific chair position; they can even solicit their own candidate.

Please don't hesitate to shout if you have suggestions, questions or comments about your Club's website and/or Facebook account. Likewise if you find any pages that have issues or if there is something you would like to see or things you dislike; after all this is your website and I am only the caretaker of *YOUR website*.
