## WORDS FROM OUR PRESIDENT

CTV Members and guests,

This month's CTV big event was the Car Show. I was out there all day and I have to tell you I was very impressed with the number of CTV members who volunteered their time to make this happen. Many thanks to the members who volunteered, who entered their vehicle and to Bill Buehler and the car show committee for a great show.

As you know our NCCC autocross at TMS has been moved to November and I call on our membership to support our event by working the various jobs that need to be performed and by trying autocrossing. You really learn what your Corvette will do when you autocross and it will make you a much better driver.

On October 2nd the club held its first membership meeting at Buffalo West. I could not be there but I hear the CTV membership liked the location. We have also held the last two board meetings here and I thank their General Manager Chris Piekarski for allowing us to use their location and for taking good care of us.

Please remember Cowtown offers a variety of activities for its members and the more you participate the more you will enjoy the club and other members. It is our members that make Cowtown a great club.

*Donald Hickman*

## SEPT 2015 MEMBERSHIP MEETING

## VICE PRESIDENT'S REPORT

### Events for November -

**\* Friday - Sunday, November 20-22 - 19th Annual Super Speedway Weekend** - This is CTV's premier autocross event held at Texas Motor Speedway every year. We have participants who come from all over the country to attend, so we need everyone's help to make it a first class event. The event starts with tech and check-in at TMS on Friday night, as well as hospitality at the host hotel. The races take place Saturday and Sunday and there is Dinner on Saturday night at the Host hotel. We need lots of volunteers to pull all of this off, so the **TMS event is our 100%er for the month**. To get 100% credit, you need to either compete in the races and/or volunteer to help in one or more capacities. For more information, see the NCCC Chair column in the newsletter or check the website. Signup sheets for volunteers will be available at the membership meetings.

### Upcoming Events:

**Saturday, December 5 - CTV Annual Awards Dinner and Christmas Party** will be held in the **Lone Star Room at the Stockyards Station**, 130 East Exchange Ave, Ft. Worth. Because of the location, we are encouraging you to wear Cowboy Christmas attire. Doors open at 6 PM and the buffet will open at 6:30. This year we will again be collecting toys for Toys for Tots and we have invited 2 Marines to be our guests for dinner and pick up the toys. Also this year, we will have a DJ for dancing and entertainment.

Parking passes will be distributed at the November meeting. Reservations and money are due no later than November 15. Reservations will be \$35 for members and guests. Make checks to Cowtown Vettes. Details of the event are available on the invitation elsewhere in the newsletter.

Check the website for more information. If you have any questions, email me at [josmith619@att.net](mailto:josmith619@att.net).

## WEBMASTER

The website activity has gotten a little crazy again since we have one to two events a weekend. Each event webpage takes an average of 1-2 hours counting resizing and tagging each photo; thus it takes a few evenings to complete an event as large as the Cowtown Car Show with 5 pages and hundreds of photos. We do hope that you enjoy the pages and coverage that is the result of maintaining the website; that is the goal and if I'm not achieving it, I need to work harder ;)

Thanks to Raley & Jo Anne Smith, Mary Pittman, Doc Lambert, Robert & Cydnie Geyer & Jim Hill

(BRCC) who provided photos beyond my photos for the October event pages. However, there are still events without photos or coverage currently. They are identified on the Photo Gallery page by the Event Photos Coming Soon icon. I would invite you to keep your cameras handy – we can always use more photos and everyone has a different type of photo they like to capture. The photos which are provided to me are resized with credit is given to the photographer on each photo, prior to them being used on the website.

Are you on Facebook? Are you a Cowtown Vettes Facebook friend – if no, please invite the Club to be your friend. We post teaser photos from each

event which then link to our website for additional photos and information about our club. If you post photos at an event, we would also ask you to tag Cowtown Vettes in the photos.

As webmaster, I also maintain a couple-of-dozen email distribution lists for various functions beyond the all member list (CTV-ALL) and the officer list (CTV-EO). If you have questions around the distribution lists, getting yourself added to any specific one, etc. then please get in touch with me. If you change your email address, mailing address, your Vettes, etc., please let membership know so that your information can be updated. If by chance you are not receiving

the CTV-All emails then your correct email address must not be in the system; contact us. Send all email and address updates to: [ctv-membership@yahoogroups.com](mailto:ctv-membership@yahoogroups.com). When you are added to a list, you will receive an email asking you to confirm and join – you MUST accept this in order to be confirmed into the distribution list; the invite will eventually time-out as well so don't delay.

Please don't hesitate to shout if you have suggestions, questions or comments about your Club's website and/or Facebook account. Likewise if you find any pages that have issues or if there is something you would like to see or things you dislike; after all this is your website and I am only the caretaker of YOUR website.

## COWTOWN CRUISER

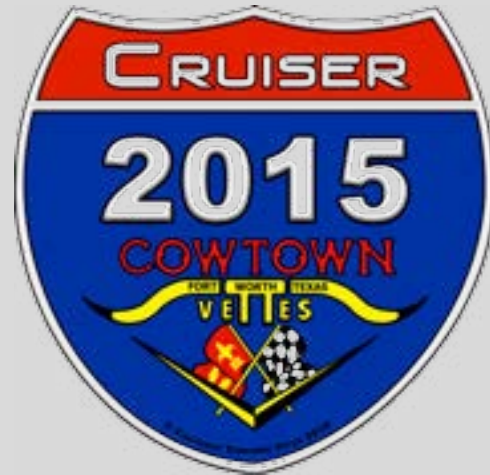

The Cowtown Cruiser Program for 2015 has come to an end. I hope you enjoyed cruising in your Corvette, collecting points, and discovering new places on your journeys. Your photos must be submitted no later than November 15th. After reviewing all of the point's sheets and photos, the verified points will be used to determine the top three competitors as well as those earning bronze, silver, or gold level participation awards. Awards will be presented at the December meeting and at the Awards Banquet.

I have enjoyed being chairman of the CCP this past year but will not be able to chair this program in the near future. Cowtown Vettes will need someone to take over this position for 2016. Donald and I will gladly serve as co-chairmen to help that person learn what is needed to fill the position. If you are interested in serving as chairman please let me or Donald know.

The Cowtown Cruiser Program for 2016 will begin on January 1st. The logo sheet and point's sheet will be available in December. If you are planning on participating in 2016 I would like to offer two helpful items. Last month I mentioned an APP called Markers. This is a great tool to use while traveling so you can find historical markers to maximize the points you get at each stop. In addition to locating the markers, this APP will usually show a picture of the marker or the words on the marker so you can verify that it has the information you need. The other item is a Rand-McNally Road Atlas. You can purchase a spiral bound, large print version that is easy to read. It shows county seats, state/national parks and forests, historical sites, and scenic routes that will help you plan your trips. An index in the back lists all of the counties and cities for each state.

Gwynne Hanna and I are working on the cruise for the Red River Army Depot in March. The dates are March 18, 19, and 20. If you have not signed up to go but are interested in going please let Gwynne or me know as soon as possible. This will be a cabin campout weekend in a very scenic and relaxing area. Those of you collecting points

will have many opportunities to get started on the 2016 program. Bring a book to read, games or puzzles to play, and comfortable walking shoes.

January 1st will also be the start of the 2016 "What I Saw along the Way" photo contest. You do not need the logo sheet to capture your Corvette in interesting or unique places nor do you have to be a Cowtown Cruiser Program participant to enter this contest. Members enjoy seeing all of the places a Corvette has been over the year.

I thank you again for the opportunity to have served as chairman of the Cowtown Cruiser Program for 2015.

**Happy Cruising!!!**

## NATIONAL CORVETTE MUSEUM AMBASSADOR

Cowtown Corvettes just finished experiencing our annual All-Corvette car show this past Saturday, October 17, 2015. I have heard from a variety of sources that it was a great success, and I certainly enjoyed showing my 1995 Bright Aqua Metallic coupe. Enjoying the camaraderie and looking at all those beautiful Corvettes was a great way to spend a Saturday. The gift bag that came with entering a vehicle was worth more than the entry fee. The National Corvette Museum provided the plastic sacs which enclosed the gifts, as well as providing a free annual membership to the museum for one lucky winner at the 50/50 drawing. The gift bags were stuffed with the official car show t-shirt, a Jegs baseball cap, a variety of cleaning products, a certificate for a free chicken dinner, a free car wash and other discount coupons and promotional material. I liked the small notepads provided by our trophy sponsor, Advance Battery; which might be a small thing, but was something I needed for the glove box of each of my cars. The only drawback I experienced was Show Car Envy. I walked up and down the C1 and C2 line of cars several times, wondering if this coming year will be the year I add a C1 or C2 to my garage. Only time and cash flow will tell.

The National Corvette Museum still has a number of events planned as they do every year. On November 5, 2015, the Vets 'n' Vettes gathering begins, honoring our veterans that own Corvettes, and those who are not yet owners of America's Favorite Sports Car. Next year all the great programs and displays that the NCM is known for will continue with a couple of new things to see and do. There will be several HPDE (High Performance Driver Education) offerings throughout the year, a C4 Gathering on May 12, and several Teen Driving Clinics as well. Under the Special Exhibits banner will be the Corvette Cave-In: The Skydome Sinkhole Experience, American Muscle Cars, Indy Cars, and other exciting temporary exhibits. There are three family events each year: the Monster Mash, Sleigh Rides with Santa, and the Easter Eggstravaganza. The NCM has

Teacher Resources and Field Trip information, the Driver Safety Academy, Scout Group Activities and lots of other interesting programs and events. There are several raffles throughout the year to benefit the day to day operations of the museum. You might be the one to win a brand new Corvette. As always, you can go to the website at [www.corvettemuseum.org](http://www.corvettemuseum.org) for all the latest information. You can even check out the several webcams available to get a live-action view of the various areas of the museum.

I hope everyone gets out to enjoy the open road now that the weather has cooled off. Cowtown Vettes has plenty to offer and so does the National Corvette Museum. Perhaps I'll see you on the way to the museum; or at least on the way to our monthly meeting. Also, be sure to give a wave to those other Corvette drivers. They are, after all, potential new members of Cowtown Vettes and the National Corvette Museum.

*James Blase*  
NCM Ambassador

## NCCC EVENTS

On November 21st & 22nd, Cowtown will host our **19th Annual Super Speedway Weekend at Texas Motor Speedway.**

It is the largest single event and the largest revenue generating event that Cowtown hosts each year; so please mark these new event dates on your Calendar. We start on Friday afternoon around 4pm with setup, tech, hospitality, etc. with autocrossing taking place on Saturday and Sunday. We do provide a catered dinner with Fastest Time of the Day (FTD) awards on Saturday evening at the host hotel, along with the NKF Charity event. We would also invite you to participate in the event – *remember, it is you against the clock and on a surface better than most city streets; you can drive as fast or slow as you want.* If you have never autocrossed in NCCC, you can run 10 of the events as a “novice” participant; while you learn all about enjoying your Vette. Feel free to contact me or other competitors in the club for any questions you might have.

We do have our functional chairperson positions filled and we thank everyone that stepped up for those. We still need volunteers to work several areas at the event; so please get involved and help Cowtown to be successful by hosting another great event. On the [Event Information](#) page on our website there is a section labeled [“Functional Descriptions”](#) located under Worker Signup. We would invite you to take a look at that; it explains (at a high-level) what each functional work area does. We will also have worker signup sheets at each membership meeting. If you prefer, you can click the link on CTV's website to RSVP as a worker via email.

You can visit the links embedded here in this article or on our club website to see event photos from previous years. We look forward to your assistance to enable Cowtown to host these

events to be the best in the region – *we need you and your skills and expertise! Thanks in advance for stepping up to support Cowtown and this event.*

Our NCCC Dates for 2016 have been filed so please mark your calendars.

- **April 30-May 1, 2016: 20th Annual Super Speedway Weekend at Texas Motor Speedway.** This date is the only spring date we could get to eliminate having to host our event either in the heat of the summer or in November next year. TMS has offered us the weekend following that last Thursday in April each year. One drawback, it is the annual Pate Swap Meet; which could also be a benefit. We will be having additional discussions with TMS to ensure our workers and competitors can easily get in and out of the infield area.
- **June 11, 2016: the 5th Annual Corvette Scramble at Fat Daddy's.** We had hoped to host this event on June 4th however a 14 event autocross weekend beat us out for the date.
- **September 17-18, 2016: Our annual No-Frills Autocross Scramble with CCT** which is typically held in the spring. We basically flipped the TMS & this event.

If you have any questions around NCCC, our events or competing, please don't hesitate to contact me.

Normal renewals are almost over! But it is not too late to renew with Cowtown and not miss a day of the fun and excitement! If you want to continue your membership, you must pay with a \$10 late fee, after Nov. 6th.

We had a great turnout for our car show and the weather was agreeable! Thanks for all the hard-working volunteers.

Not a lot going on in the Southwest Region at this time of the year, unlike past years. There have been events in Houston, Oklahoma City and Waco since our last meeting. Just one more event for the region and it is Cowtown's 19th Annual Texas Motors Speedway event, Nov. 21st and 22nd.

This past weekend there was record drags in Noble, OK and Doug enjoyed his first time as RCD at a Record Drag event; a very busy time in the tower. There were 3 new drag records set. Congrats to the new record holders! Two are names & faces you'll recognize around Cowtown and our events but none were our participating Cowtown members.
