## WORDS FROM OUR PRESIDENT

CTV Members and guests, As I write this we have just completed TMS and I thought it was a great event. My many thanks to the members who volunteered their time to make this happen. As those who were out there know, Saturday was cold and very windy. We could not hold these events without the member's support.

This will be my last report as CTV President and I am proud that the members put their faith in me to oversee the club.

Don Wells will be our President again starting January 1, 2016 and I hope you give him your full support.

Please remember Cowtown offers a variety of activities for its members and the more you participate the more you will enjoy the club and other members. It is our members that make Cowtown a great club.

*Donald Hickman*  
President  
donaldhickman@sbcglobal.net

## VICE PRESIDENT'S REPORT

*Merry Christmas*

### Events for December -

**Saturday, December 5 - CTV Annual Awards Dinner and Christmas Party** will be held in the **Lone Star Room at the Stockyards Station**, 130 East Exchange Ave, Ft. Worth. Because of the location, we are encouraging you to wear Cowboy Christmas attire. Doors open at 6 PM and the buffet will open at 6:30. This year we will again be collecting toys for Toys for Tots and we have invited 2 Marines to be our guests for dinner and pick up the toys. Also this year, we will have a DJ for dancing and entertainment. The deadline for making a reservation has passed, but if you have a reservation and did not receive a parking pass, please let me know ASAP so I can get one to you. Otherwise, you have to pay \$5 for parking.

**Saturday, December 19 - Holiday Evening in Grapevine** - Ray and Denice Kaspar have put together a fun outing in Downtown Grapevine for this evening. We're going to enjoy the holiday season and spirit that evening in downtown Grapevine! We're going to have dinner at Farina's Winery and Cafe (420 S. Main St.), then enjoy the terrific live holiday music and comedy show put on by "Mainstreet Live!" (formerly called the "Grapevine Opry"). The deadline to sign up for this event has passed, but if there are any cancellations, Ray will let us know. For those signed up, meet at Farina's at 4:45. Check for more details on the website.

### January:

There are no 100%er events in January. Watch for the announcement of events coming up in February.

Check the website for more information. If you have any questions, email me at [josmith619@att.net](mailto:josmith619@att.net).

## WEBMASTER

First I hope all of you had a great Thanksgiving and I'd like to wish all of you a Merry Christmas and a Safe, Prosperous and Happy New Year.

Again last month, the website maintenance has stayed crazy with the numerous events have been going on each weekend. Thanks to Raley & Jo Anne Smith, Phyllis Crim, Mary Pittman and Doc Lambert who provided photos beyond my photos for the October event pages. We do still have events without photos or coverage currently. They are identified on the Photo Gallery page by the Event Photos Coming Soon icon. I would invite you to keep your cameras handy –

we can always use more photos and everyone has a different type of photo they like to capture. The photos which are provided to me are resized with credit is given to the photographer on each photo, prior to them being used on the website.

I will start creating the 2016 calendars as soon as the TMS event is over and all the results and photos have been posted – along with the artwork for awards for the upcoming annual awards banquet. If you have club / Corvette content that you need posted (especially chairpersons) please provide that content to me electronically.

As webmaster, I also maintain a couple-of-dozen

email distribution lists for various functions beyond the all member list (CTV-ALL) and the officer list (CTV-EO). If you have questions around the distribution lists, getting yourself added to any specific one, etc. then please get in touch with me. If you change your email address, mailing address, your Vettes, etc., please let membership know so that your information can be updated. If by chance you are not receiving the CTV-All emails then your correct email address must not be in the system; contact us. Send all email and address updates to: [ctv-membership@yahoogroups.com](mailto:ctv-membership@yahoogroups.com). When you are added to a list, you will receive an email asking you to confirm and join – you MUST accept this in order to be confirmed into the distribution list; the invite will

eventually time-out as well so don't delay. As of the end of December (each year), any non-renewing members will be removed from these distribution lists

Please don't hesitate to shout if you have suggestions, questions or comments about your Club's website and/or Facebook account.

Likewise if you find any pages that have issues or if there is something you would like to see or things you dislike; after all this is your website and I am only the caretaker of YOUR website. In addition, in 2016, Cowtown will be able to participate in the NCCC National Club Website Contest so I'd like to ask that you think about what you like and dislike about it. Provide me some feedback of ideas and the things you came up with so we can strive to bring home another 1st place award.

*Doug McMahan*  
2015 CTV Webmaster  
[macsvettes@gmail.com](mailto:macsvettes@gmail.com)

The Cowtown Cruiser Program officially ended for 2015. Eleven members participated by completing their point's sheets and submitting photo documentation. Within these participants were 8 members that competed as couples. Awards for the top three competitors will be presented at the Annual Awards Banquet/Holiday Party on December 5, 2015. Awards for bronze, silver, and gold level participants will be given at the membership meeting on Friday, December 4, 2015. I would very much like to thank those that participated. Your photo albums were awesome.

Members shared their photos of "What I Saw along the Way" at the November meeting. There were 17 entrants in this photo contest. All members present at the meeting were able to vote for their favorite photo. The top three vote-getters will be recognized at the banquet on December 5th. After looking at the photos I am amazed at what weird, funny, interesting, and beautiful sights can be found on America's highways. A big thank you goes to each of you that took the time to capture that moment to share with us.

The logo and point's sheet for the 2016 Cowtown Cruiser Program are being worked on. They will hopefully be ready for use by January 1, 2016 when the new year for cruising begins. Although I will not be chairing this committee, someone will be able to get the forms to you if you are interested in participating in 2016.

This brings to your attention the need for someone to become chairman of the Cowtown Cruiser Program. I and Donald will be available to assist you in learning what the job entails. If you like to travel in your Corvette and enjoy taking photos of the places you visit, this just might be the perfect job for you! You will definitely get so much more out of your club membership if you are active in the club.

As the new year begins and travel plans are being made, remember to drag out that map or road atlas, pack your logo and point's sheet, have that camera ready, and take your Corvette out on the road. You never know what you'll discover while cruising the USA.

Happy Cruising!!!

*Carlanne Hickman*  
2015 Cruiser Chairperson  
chickma101@sbcglobal.net

Thanks to the 22 members who volunteered their time to the Tarrant Area Food Bank on Tuesday, November 10th! Both our time and our donation of \$400 were appreciated.

Don't forget to bring your toy donations to the club Christmas party on December 5th. Toys will be donated to Toys for Tots along with a check for \$350.

I'll need approximately 15 - 20 volunteers for the Cook Children's Christmas party on Wednesday December 16th. Volunteers will need to provide their full name along with birth date for a background check. I'll have the form at the meeting on December 5th.

September 17, 2015

Dear Friend of Heart,

Thank you for your gift of \$300.00 to the American Heart Association. Your generosity makes a critical difference in our work to build healthier lives, free of cardiovascular diseases and stroke.

Because of donors like you, we are able to fund lifesaving scientific research, initiatives that improve the quality of care at hospitals, programs that teach people the lifesaving techniques of CPR, and much more.

Yet, in spite of all the progress we're making, our most challenging work lies ahead. Cardiovascular disease remains our nation's No. 1 cause of death, and far too many people are developing harmful risk factors like obesity, hypertension and high cholesterol.

We need to do much more to create truly heart-healthy communities. That's why your support means so much to us. You are an important part of our Heart Family and we appreciate all you do on our behalf.

With sincere appreciation,

*Nancy A. Brown*

[Barcode]

Dear Cowtown Vettes,

Thank you for making gifts totaling \$550.00 to the National Corvette Museum in 2014. Your gifts, combined with those of other Museum and Corvette enthusiasts, have provided us with much needed funding for Motorsports Park projects, car care, new webcams, video equipment and travel expenses to interview and record Corvette history and other operating expenses.

We just wrapped up our 21<sup>st</sup> Anniversary Celebration, and what a great celebration it was. We recognized over 1,100 members who have been a part of the Museum for over ten years. We honored Herb Fishel, Rick Hendrick, and Russ McLean as our 2015 Hall of Fame Inductees and had the once in a lifetime opportunity to have them as part of a round table discussion with 19 former Hall of Fame Inductees. That was a lot of Corvette history in one room!

Also exciting during the celebration is a sinkhole is now an exhibit that will tell the story of that Museum visit.

At the Motorsports Park Complex. It was a picnic tables purchase.

We are able to do America's sports. Every gift made. Do you have plans to consider a gift to do in the remainder of the year?

Enclosed is a sample address labels and \$150 or greater, Designer Kirk Be...

Thank you for being...

Sincerely,

*Wendell K. Stroger*  
Wendell K. Stroger  
Executive Director

September 29, 2015

Mrs. Jane Buehler  
Cowtown Vettes  
Post Office Box 1974  
Fort Worth, TX 76101-1974

Dear Jane,

"Three grand essentials to happiness in this life are something to do, something to love, and something to hope for." -Joseph Addison

At Cook Children's our "something to do" is to provide the children in our community with the high level of healthcare that was once thought to be impossible. Our "something to love" is reflected in the genuine love our staff has for their patient families. **YOU** create the "something to hope for" at Cook Children's. Your support gives us hope for the future; hope that we will continue to innovate and transform the way we look at pediatric healthcare. Your generosity gives hope to our patients; hope for a life free from illness or injury so that they can get back to being a kid.

We are so thankful for your gift. Because of you, "hope springs eternal" at Cook Children's. With hope, anything is possible.

Sincerely,

*Grant Harris*

## NATIONAL CORVETTE MUSEUM AMBASSADOR

The Texas heat has finally been banished, being replaced with nice fall fresh air; so It's time to spend some time with the windows down or the top stowed as we cruise in our Corvettes. The National Corvette Museum would make a nice destination; but if time and finances keep you local at least you might check out the redesigned NCM website. On the Home page you can Plan a Visit or Shop or Explore the events, exhibits, educational activities or check out the News or the Webcams. There is a Learn section for all your NCM questions and of course a Support section to donate or support the museum in other ways. I have recently been learning a bit about the future of the Corvette.

Actually, what I have been learning is all the conjecture about the future Corvette with the typical variety of opinions being expressed. Is there going to be a mid-engined Corvette? And if so; when? How about an electric Corvette? There are a variety of electric cars on the drawing boards of a number of luxury brand automobiles right now. The mid-engined Corvette has been rumored to appear in the 2018 model year as a \$200,000 specialty vehicle. GM says there is no mid-engine Corvette in the planning stages; but could a mid-engine car of another name be in the works? No comment from GM. How about an electric Corvette being planned? They're not saying. Personally, I think all manufacturers are developing electric cars. Many have said as much. Mitsubishi has officially stated that they will not manufacture any vehicle with an internal combustion engine by the year 2050. I think it will be sooner than that. Electric vehicles are the wave of the future. They are a disruptive technology just like Mr. Ford's first auto. It was disruptive to the buggy whip manufacturers; which all went out of business. Electric cars have no oil to change, no gasoline to buy; are very environmentally friendly and as the battery technology improves, like with the new Lithium Titanate battery, will have a range comparable to the cars of today. If you have solar panels on your roof; you can operate your electric car essentially for free. Of course, there will still be brakes and tires and wheel bearings etc. to service; but the cost to operate

will be so much less than today that they will quickly replace the internal combustion engine powered vehicles. In the 2017 or 2018 model year Ford, Kia, Toyota, Nissan, Tesla and probably Chevrolet will have a pure electric car that gets over 200 miles on one charge and takes less than three hours to charge on 240 volts at home for a price in the \$30K - \$35K range. Right now the 2016 Nissan Leaf gets an average of 107 miles on a single charge and takes three and one half hours to charge to full capacity on 240 volts. At charging stations at Walgreens and other retailers it takes 30 minutes to charge to 80% using 480 volts. But what about high performance cars, you say?

Formula E road race cars have been competing all this year. They operate at a maximum of 200kW which is equivalent to 270 horse power. They dial them down to 150kW for better battery conservation during the race and produce about 200 ft-lbs of torque and approximately 140 mph. They use regenerative braking to add to their battery capacity; so the E-race requires a different technique than drivers are used to. Big names are starting to get involved in Formula E like Michael Andretti and, of course, Sir Richard Branson. Check out the YouTube video of the race in Miami; they sound like the Millennium Falcon to quote an online commentator; but what about an electric Corvette?

Well, I think it is inevitable; but a long way off. There are too many people who will bemoan the loss of the growl of their Z06 and the long tradition of the internal combustion engine from the first Blue Flame in 1953 to the modern LS engine of today's Corvette. Personally, I hope to live to see an electric Corvette. I like the almost silent whine of an electric car, the lack of pollution coming out of the tail pipe, and the way all that torque silently slaps you back in your seat when you step on the accelerator. I bet one day in the not too distant future there will be a display in the National Corvette Museum all about the first electric Corvette. I hope I will be able to afford one; or, at least, talk one of you youngsters into giving me a ride in yours.

*James Blase*  
NCM Ambassador

## NCCC EVENTS

On November 21st & 22nd we held our 19th annual Super Speedway Weekend at Texas Motor Speedway. However, at the time of this writing, the event wasn't complete so I can't share a lot of information around it. Please stay tuned for updates and photos in the next issue of the Low-Down and posted on our website.

I will say that hosting this event in November was less desirable than our previous September date, if for nothing else November is a busier time of year. Additionally it makes for tight timeframes for our Governor to know who wins the annual awards, since the presentation of those is only 2 weeks after the event this year.

As Chairperson, I would sincerely like to thank everyone that came out and stepped up to support Cowtown and help host this big event. It takes team work and I thank you for being part of the team!

Our NCCC Event Dates for 2016 have been filed so we would ask that you please mark your calendars.

- **April 30-May 1, 2016: 20th Annual Super Speedway Weekend at Texas Motor Speedway.** This date is the only spring date we could get to eliminate having to host our event either in the heat of the summer or again in November for next year. TMS has offered us the weekend following that last Thursday in April each year. One drawback, it is the annual Pate Swap Meet; which could also be a benefit. We will be having additional discussions with TMS to ensure our workers and competitors can easily get in and out of the infield area.

- **June 11, 2016: the 5th Annual Corvette Scramble at Fat Daddy's.** We had hoped to host this event on June 4th however a 14 event autocross weekend beat us out for the date.

- **September 17-18, 2016: Our annual No-Frills Autocross Scramble with CCT** which is typically held in the spring. We basically flipped the TMS & this event.

If you have any questions around NCCC, our events or competing, please don't hesitate to contact me.

NCCC GOVERNOR

THANK YOU, THANK YOU!!! THANK YOU!!!

To all that worked to pull off our Texas Motor  
Speedway event. A job well done!!

See my article next month for all the news on who  
won what for NCCC for 2015.

Have a great holiday season!

Merry Christmas!

AUTOCROSS IT  
LIKE YOU STOLE IT!

SAVE THE WAVE!

Hello everyone. Welcome to the Logo Merchandise store. There are lots of great things for sale with the Cowtown logo on them. Here's just a sampling of some of the things we have for sale:

Caps.....	\$ 7.50
Visors.....	\$ 7.50
Sweatshirts.....	\$20.00 (2XL and up slightly higher)
Long Sleeve T-shirts.....	\$15.00 (2XL and up slightly higher)
Short Sleeve T-shirts.....	\$13.00
Men's & Women's Long Sleeve Denim Shirts.....	\$25.00
Polo shirts. All different styles.....	\$25.00 (Please note that on all shirt orders, 2XL and up sizes are slightly higher)

**If you want your name added to your shirt, it's only \$3 more!**

**Or if you want a Cowtown logo or a certain year Corvette on one of your own shirts it's only \$5!**

Name tags.....\$ 12.00  
We also have stickers, patches, koozies, and tumblers (only two of these left!)

So stop by the Logo table before and after the meeting to place your order. You'll get your order by the next meeting.

Thanks!
