## WORDS FROM OUR PRESIDENT

What a beautiful day for a Club picnic. It was great seeing our members' children and grandchildren at one of our events.

We need to involve our family more often.

I want to thank Jo Anne and Raley in behalf of our members for a great time and their hard work.

Meanwhile, I received an email from the NCCC President. The 2017 NCCC Convention is back on at Bowling Green KY.

Again I want to thank you for your support!!!

## VICE PRESIDENT'S REPORT

**June Event** – The 100%er event for June is the **5th Annual Spring Scramble at Fat Daddy's Sports and Spirits Café, 781 West Debbie Lane, Mansfield, TX.**

The date is **June 11**. This is an NCCC sanctioned event.

If you have never attended this event, you are in for a treat. It starts with a Car Show at 10 AM. While the

car show is going on, you can participate in the Funkhana in the parking lot at 11 AM. What is a Funkhana, you ask? It is a series of tasks, usually based around a theme, that you perform with a partner working for the fastest time. It is a test of team work, skill, and your sense of humor. Anyone can participate in the funkhana. More info on funkhanas can be found at <http://www.funkhana.com/>.

The last events of the day are two rallyes, run simultaneously, departing at 1PM. More information on the Spring Scramble and registration info is available elsewhere in the newsletter and on the website. Lunch is not included, but Fat Daddy's will be open all during the event for your dining pleasure.

***In order to get 100%er credit***, you must participate as a volunteer or an entrant in one or more events. These are low cost events and a lot of fun, so plan to come out and participate.

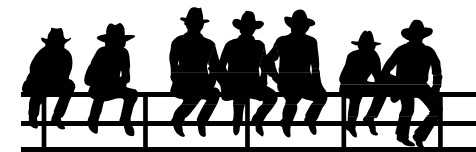

**July Events** – July starts off with our annual participation in the **Westcliff West Neighborhood Fourth of July** parade. On **Monday, July 4** at about **9:30 AM**, we meet at the Congregational Church parking lot, on the corner of **Trail Lake Dr.** and **Manderly**. We will decorate our cars and line up. The parade starts promptly at 10 and winds through the neighborhood. Bring candy for the kids and treats for the dogs. After the parade is over, we head to a local watering hole for lunch.

Our July 100%er event will be a backroads cruise to **Glen Rose** to eat lunch at **Loco Coyote**. The date will be **Saturday, July 23**. **William Nolan and Mary Pittman** will be leading the cruise. Check the cruiser report for details on where to meet and what time. We will arrive at Loco Coyote in time for a **12:30 lunch**. We will have the outdoor covered patio reserved for our group. We will be served a barbecue buffet lunch including 3 meats and 4 sides with ice tea for **\$18.95 plus tax and tip**. Alcoholic beverages will be available for purchase. I need to let the restaurant know the number that are coming, so I will need your RSVP by one week prior.

I'm working on some "bonus events" for June and July, but they are not finalized yet. These will be just for fun – not 100%ers. More info at the meeting and through email.

## WEBMASTER

We do have a few new event pages, these include the TMS 20th Anniversary Event and the May Family Picnic. I'd like to thank Raley & Jo Anne Smith, Richard Downing, Jason Blocker, Johnny Shotwell who provided photos along with ours. Don't forget to keep your cameras handy – you never know when you might capture a once in a lifetime shot. We can always use more photos and everyone has a different type of photo they like to capture which makes the event pages so much better. For any photo provided, I resized them for use on the web, the Low-Down and our slideshows at membership meetings. Recognition is provided to the photographer on each photo, prior to them being used.

The [NCCC National Website Contest](#) is taking place June 6 thru July 6, 2016. We have entered again this year and I would invite you to help us bring home the gold. If you see anything that you think is incorrect, something that needs added, an idea to make it look better, etc. please reach out to me. This does come at a bad time since we are leading the Swiss America Cruise from June 18th thru the 26th – smack dab in the middle of the contest. This is your website and I am just the facilitator to post the content.

Are you on Facebook? If so, [Cowtown](#) and [NCCC](#) have Facebook accounts – we would welcome you to become friends with both of them; both are linked off our home page. In Cowtown, we use FB to reach out to audiences that might not find us on the world-wide-web. We post a few photos from an event our members participated in and then link that post to our full website; we kind of use FB as a teaser share point so to speak.

We post on the Nat'l FB page to show other NCCC clubs how much fun Cowtown and the members have.

As your webmaster, I also maintain a couple-of-dozen email distribution lists for various functions; beyond the CTV-ALL and the officer (CTV-EO) list.

If you have questions around the distribution lists, getting yourself added to any specific one, etc. then please get in touch with me. If you change your email address, mailing address, your Vettes, etc., please let membership know so that your information can be updated.

If by chance you are not receiving the CTV-All emails then your correct email address must not be in the system; contact us. Send all email and address updates to: [ctv-membership@yahoogroups.com](mailto:ctv-membership@yahoogroups.com). When you are added to a list, you will receive an email asking you to confirm and join – you MUST accept this in order to be confirmed into the distribution list; the invite (from yahoo groups) will eventually time-out as well so don't delay.

Please don't hesitate to shout if you have suggestions, questions or comments about your Club's website and/or Facebook account. Likewise if you find any pages that have issues or if there is something you would like to see or things you dislike; after all this is your website and I am only the caretaker of **YOUR** website.

## COWTOWN CRUISER

**Corvette, always fun to drive!**  
**Rev it up and run**  
**Utilize, your car, your skills, your time**  
**Interesting places**  
**See the sites**  
**Intriguing people**  
**Now, why wait**  
**Go, just go!!!**

Your Corvette is always fun to drive whatever the season, but before it gets too hot take the top off and go for a cruise! Rev up the engine and "let 'er run" on the back roads or the highway whichever your pleasure! Utilize your car...don't leave it parked in the garage!! Check out your photo skills for cruiser points or a photo contest entry. It will be time well spent enjoying your ride and the country side. Think of the interesting places you can go, the sites you can see and the intriguing people you can meet. Everyone seems to have an opinion to express or a story to tell about a Corvette or at least they like to gawk, point and wave! Do it now, why wait!!! GO, just go!!!

The next organized cruise on the horizon is the Swiss America Cruise to Colorado on June 18 - 26, 2016, sponsored by Doug and Glenda McMahan. They are in the process of finalizing the plans for the things we will be seeing and doing along the way. It promises to be a great time and the McMahan's never disappoint.

The cruise through the back roads of Hood and Somervell counties with a stop at Loco Coyote for lunch is still in the works for later in the year, and we are still looking for anyone who would like

to lead a one-half day, full day or week-end cruise. Remember the cruiser program is designed to motivate you to get out and enjoy your Corvette, see the country side or places of interest and represent Cowtown Vettes. Also, remember that even if you don't wish to tally cruiser points you can still enter pictures in the "What I Saw Along the Way" photo contest.

SO GET OUT AND ENJOY!!!

**HAPPY CRUISING!!!**

# CTV 20TH ANNIVERSARY TEXAS MOTOR SPEEDWAY EVENT

April 29th thru May 1st 2016

# CTV 20TH ANNIVERSARY TEXAS MOTOR SPEEDWAY EVENT

April 29th thru May 1st 2016

Ok, I will confess to being a Corvette history nut. I enjoy reading about significant events in Corvette history. I am also pretty sure that I have bored some of my friends with Corvette facts that they have no interest in. Oh well, no one is perfect! Now what does this have to do with the National Corvette Museum?

Well, the NCM website is a wonderful source of these (useless) factoids. The official National Corvette Museum website, [www.corvettemuseum.com](http://www.corvettemuseum.com) contains numerous facts about the history of my favorite car.

For example, here is a great trivia question: Most Corvette people are aware that Corvettes have been built in Bowling Green, Kentucky since 1981, but have they ever been manufacture anywhere else? The first paragraph of the page entitled "Learn about Corvettes" provides the answer. It seems the 300 Corvettes that were built in 1953 were built in Flint Michigan. In 1954 production of Corvettes was moved to St. Louis Missouri where it remained until the 1981 model year. During the production of the 1981 Corvette, the cars were built at both plants simultaneously, in St Louis and in Bowling Green.

Another of my favorite trivia questions involves the first time fuel injection was available on a Corvette. The answer can be found on the Corvette timeline on the same page as above. The 1957 Corvette offered optional fuel injection and the first ever 4 speed manual transmission. The "fuelies" have become one of the most sought out collectable Corvettes and they typically sell

Fred & Donna Rosett's '65

well. The pages contain some original quotes from promotional stuff for the model year. Here are some examples from the 1954 Corvette page. "If you're young in heart, you'll like the Chevrolet Corvette. It's a joy to own and thrilling to drive. Designed for sports-loving, fun-loving people, it combines the sensational performance of the sports car with the luxury of the modern passenger car. The Corvette sets the standard for a coming field – The American Sports Car." These statements ring as true today as they did in 1954. Of course I am certain that driving a 1954 Corvette did not provide the same thrill as driving a 2016 Z06.

Lastly, there is also a page that honors those people who were influential in the history of Corvette. Some of those people were Corvette enthusiasts, some were professional racers, and some were employed by GM, but they all shared a passion for America's Sports Car. There is a page which has a picture of each of these individuals, and you can click on the picture to get their stories. You can also nominate someone for the Hall of Fame from this page.

So anyway, I thought it might be fun to challenge my readers to open up the new NCM website and explore it. What I have written above is just a sample of what is on the webpage.

Don Brown  
NCM Ambassador  
[dbrown1157@aol.com](mailto:dbrown1157@aol.com)

for much more than the non-fuel injected version.

I love reading the "Corvette Specs" pages as

We did host our second NCCC event of 2016, our 20th Annual Super Speedway Weekend at Texas Motor Speedway. This event consisted of twelve low-speed NCCC autocrosses with hospitality on Friday night, oval laps on Sunday morning, catered dinner on Saturday night, FTD Awards and special 20th Anniversary Mementos to all participants and workers. In addition, this event is a fund raiser for the Nat'l Kidney Foundation. Attendance was down for several reasons which I won't belabor in this article. Due to the lower attendance of course comes lower revenues and profits for the club.

We had a lot of great comments on the event, around the professionalism of the workers, the track layout, the quality event we host, etc. That is thanks to all of you!!!

I would like to thank the following Functional Chairpersons that stepped up to make this event a success.

Beyond the functional chairpersons are the dozens of great volunteers who came out to pitch in and work to make this weekend a success. WE THANK YOU ALL!

Cowtown's next NCCC Event Dates for 2016 are on the [Southwest Region Schedule](#), along with flyers. We would ask that you please mark your

calendars to assist in hosting and participating in these events.

- \*June 11, 2016:** the [5th Annual Corvette Scramble](#) at Fat Daddy's. This is our for-fun NCCC event that consists of a Car Show, a Funkhana and a Gimmick and Poker Rallye (all nationally sanctioned events). This is always a fun day of fun with your Corvette and friends so come on out and enjoy all of the fun events. Next Membership Meeting the slideshow will have photos from past events.

- \*September 17-18, 2016:** Our [annual No-Frills Autocross Scramble](#) held jointly with CCT. This event will be back out at the Mineral Wells Heliport, same place as our Practice Autocross was held. The course will be longer and different than practice since I never design and use the same course within a few years of each event. We will also have our third SWR Governor's Meeting of 2016 that evening. It is an open meeting if you'd like to sit in and see what we discuss and accomplish in them.

If you have questions around NCCC, our events or competing, please don't hesitate to contact myself, Donald or your NCCC Governor – Glenda.

NCCC GOVERNOR

Our Texas Motor Speedway Event was a great suc-  
cess. Thank you all for hard work and again Cow-  
town put on an exemplary performance. Unfortu-  
nately, it was not as well attended as in years past  
but we had just as much fun as usual.

We now have 181 members in Cowtown. We are a  
growing club and have lots to offer all of our mem-  
bers, from competition events, charitable events  
and fun socials. Come out to our 100% event on  
June 11 at Fat Daddy's Bar and Grill and see how  
much fun we can have competing in a car show,  
funkhana and two Rallyes (one gimmick and one  
poker). This is great fun! The car show is like any  
other car show but simple. The funkhana is a fun  
event that we compete against the clock with a  
partner in games such as "big kid" things like bean  
bag toss or racing a creeper thru cones or some-  
thing simple. Ask Doug who had a lovely bride last  
year, George Aggas! Again, there will be stories  
be told from this event! It is a NCCC event so you  
and Cowtown can earn points for the champion-  
ship series in the Southwest Region. The rallye's  
are both run at the same time, you get directions  
to follow and questions to answer along the way  
to end back at your starting point for the awards  
ceremonies and a cold one!

There have been a few recent changes in the com-  
petition schedule for the Southwest Region so be  
sure to check out the schedule in the Lowdown or  
on the website.

NCCC Convention is coming up and looks to be  
fun in Omaha, NE June 17-22. It is not too late to  
sign up.

There is still time to apply for the Larry Kolb schol-  
arship, due by June 15th. Check out the rules on  
the website.

Again, I want to remind you if any of your info,

such as email address or physical address changes,  
please let me know. This is the way you receive the  
news from national or as well as Cowtown.

Southwest Region standings are as follows:

- Kevin Anthony # 2  
Ronnie McCrary # 6  
Doc Lambert # 8
- Cathy Anthony # 4  
Glenda McMahan # 6  
Taylor Forsythe # 10
