WORDS FROM OUR PRESIDENT

It is hard to believe that the year is almost over. Thanksgiving and Christmas are just around the corner. Our babies will be soon put away for the winter, (*Ha, speak for yourself - Ed*) but first we have our 15th Annual All Corvette Car Show this month. Let's all work together to make another success.

I want to congratulate Glenda McMahan for being our 2017 Cowtown Vettes NCCC Gover

nor. She has worked very hard for our Club and I know she will continue.

Have fun and be safe on the road.

Again I want to thank you for your support!!!

VICE PRESIDENT'S REPORT

October Events -

Our October 100%er event is the **15th Annual Corvette Show**. Our club sponsored car show will be held on **Saturday, Oct. 15**. The show this year will be at **Ridgmar Mall, 1888 Green Oaks Road, Fort Worth** and show hours are **10 AM - 2 PM**. This is a popular show and a number of entrants come from all across the Metroplex to participate. There are a number of ways that members can volunteer to help make the show a success. In order to receive 100%er credit, members must volunteer or enter the show (or both). Look for further details elsewhere in the newsletter, and on the club's website.

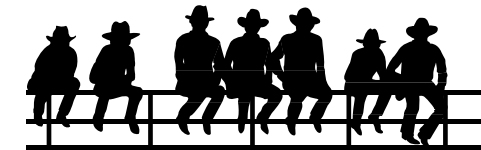

There is another bonus event on **Thursday, Oct. 20, CTV Day at the State Fair of Texas**. Find your own way to Fair Park in Dallas (you can ride the TRE from Ft. Worth and get off right at Fair Park). If you are age 60 or better, this is one of the SR. Citizen days at the fair and admission is free. General Admission tickets are \$18 or \$16 on-line. We will gather at the **Corvette exhibit in the Automobile Building at 11AM**. We will snap a group photo and plan a few other places we might like to meet up to enjoy some of the features of the Fair. More details at the meeting, website, and via email.

November Events - Our last 100%er of the year will be the return engagement of **Cowtown Goes Bowling** on **Sunday November 13 from 3-5 PM**. We will meet at **Cityview Lanes, 6601 Oakmont Blvd., FW, 76132**. We each get 2 hours of bowling, plus shoe rental for \$11. I need your reservation and your money no later than the November membership meeting. This was a lot of fun when we did it last year, so I invite all of you to participate.

Cowtown Goes Country Christmas Party - We are now taking reservations and payment for our annual Christmas Party. The date is **Saturday, December 3** in the **Lone Star Room at the Stockyards Station**. The doors and the bar will open at 6 PM, and dinner will be served at 6:30. The price of \$35 per person includes a holiday buffet, entertainment and a few surprises. As in the past, we will bring toys for the Toys for Tots program and will invite some members of the Marine Corps to be our guests for dinner and to accept the toys. More details will be shared at next month's meeting.

WEBMASTER

It has been another busy month with the website, seven new event pages and thousands of photos submitted to show coverage from *that Dam Cruise, a Day at the Stockyards, Vettes & Jets on the Lex* along with two different *NCCC events at Mineral Wells*. I would like to recognize Jason Blocker, Richard Downing, Raley & Jo Anne Smith, John Dick, David Gill, Robert & Cydnie Geyer, and Don & Nancy Wells who provided photos and videos; to go along with our photos. Please don't forget to keep your cameras handy – you never know when you might capture a once in a lifetime shot. We can always use more and different types of photos; a different eye behind the camera makes an event page content so much better. For any photo provided, I resize them for use on the web, the Low-Down and the slideshows at our membership meetings. Recognition is also provided to the photographer on each photo, prior to them being used.

As mentioned last month, I am working on a redesign of our club website; yes, a huge undertaking. Why, you might ask: well, it has been over 10+ years since I last did a major overhaul of the website and it is time. I believe the home page has become too busy and the look of the entire website is somewhat dated. I would welcome input, likes/dislikes, samples of websites that you like, etc. to help make **YOUR NEXT WEBSITE** better than ever.

Please don't hesitate to shout if you have suggestions, questions or comments about your Club's website, Facebook account or eMail distribution lists. Likewise if you find any pages that have issues or if there is something you would like to see or things you dislike; after all this is YOUR website and I am only the caretaker of the website.

Hard to believe, but this is the last month to accumulate points for the 2016 Cowtown Cruiser Program. This year has literally flown by. We have had several really fun cruises and thanks so much to the folks who led these cruises. I know everyone is especially grateful for all the hard work that went into planning and executing these cruises. Hats off to Gwen and Gary Hanna, Doug and Glenda McMahan, William Nolan and Mary Pittman and David Gill.

There is still one cruise in the planning stages for October to the Horton Classic Car Museum in Nocona sponsored by Robert and Cydnie Geyer. The Geyers led a cruise here a couple of years ago and my understanding is that the museum has expanded some since we were there. It was definitely a treat then and will be again. They have quite a few vintage Corvettes as well as lots of other cars all in beautiful condition. Watch for more specific details on the CTV website and at the October membership meeting.

Even if you are not chasing cruiser points you still have the opportunity to participate in the "What I Saw Along the Way" photo contest by submitting a photo of your Corvette in an interesting or unique setting. You can submit up to 3 photos per member (3x5 or 4x6) at the November membership meeting. They will need to be turned in to the Cruiser Chairperson, William Nolan prior to the start of the November meeting. Please write your name on the back of the photo. They will be displayed during the meeting and members can vote on their favorite photo. Awards for 1st, 2nd and 3rd place will be presented in December.

For the Cruiser Program, the points sheet must be completed and turned into the Cruiser Chairperson, William Nolan by November 6, 2016 with the photos due by November 13, 2016. Photos may be submitted in a photo album or scrapbook form or digitally via CD or thumb drive arranged by category as outlined on the log sheet. For specific questions you can refer to the website or direct your questions to the cruiser chairman. Awards for 1st, 2nd, and 3rd place as well as gold, silver and bronze awards will be presented in December.

As the year winds down, I encourage you to: 1) say thanks to the people who took us to fun

places on curvy roads, up high mountains, and across big bridges 2) think about sponsoring a cruise next year to one of your favorite spots..a day trip or a week long "vacation" or 3) think about serving as cruiser chairperson...it is another great way to get involved in Cowtown Vettes!

HAPPY CRUISING!!!

NCCC EVENTS AT MINERAL WELLS 09/17/2016

NATIONAL CORVETTE MUSEUM

Well, the bad news was that our vacation plans to Italy were changed by an earthquake that occurred 3 days before we were supposed to be there. Having no alternate plans, we decided to drive up to the NCM for the 22nd Annual Anniversary celebration. Cindy was also getting her song "We the People of America" recorded as a demo in Nashville. This allowed us to be in the famous 16th Avenue studio (The Parlor) while the song was being cut. This studio has been used to cut many famous country songs and is a state of the art venue. Thursday was an exciting day for us as we watched the magic being performed. Our friend and country music hall of fame arranger and producer, Ron Oates, was there to run the show. Arriving in Nashville on Wednesday, we ate dinner with Ron and his wife at the famous "Loveless Café". It offers great down home southern cooking, as well as killer Corvette photo ops. Highly recommended for anyone making a trip to the National Corvette Museum! Ron shared an amusing story with us. It seems that early on in his career, he was working with Roy Orbison, who drove his '66 Corvette to the studio. Admiring the car, Ron told Roy that he would love to have a car like his, but he couldn't afford it. The car was 6 years old at the time, and Roy said he would sell it. Still not believing he could own such a car, Ron asked how much. When Orbison said he would sell it for \$2,000, Ron jumped at the chance and they made the deal.

OK, enough about Nashville and on to Bowling Green and the NCM. On Friday we experienced the Celebrity Car show. This event is like a show and shine type of event where everyone just kind of shows up, opens their hoods and talks cars to the other attendees and the general public. We missed most of this event because we got off to a late start, but there was plenty more going on. As your Cowtown Ambassador to the NCM, I was able to attend the yearly Ambassadors meeting. Some of this was business, but a lot of it involved giving out awards. The awards involved Best Newsletter (for stuff regarding the NCM), best website, and club of the year and the like. I have to say I was not aware of these

contests so we really did not enter anything for Cowtown, but hopefully next year we will participate. There were also discussions about club visits to the Museum. The Museum people kind of told us how to plan and promote these visits, as well as how they can facilitate a good time when the club arrives. This sounds like a great way to do a long weekend cruise. I would be willing to lead a group on a club visit, so perhaps in 2017 we can put one on the calendar if there is enough interest.

On Friday night, Cindy and I attended the NCM Corvette Hall of Fame Banquet. This event was a lot of fun. We met some really nice Corvette folks who were sitting at our table and had a great visit with them while we ate a delicious meal. After the meal, a multi-media presentation was made about each of the 3 recipients. Two of the recipients were present with their families, and one of the recipients was deceased. Of the three honorees, there was famous Corvette racer Bob Bondurant, Ralph Kramer, who as a PR man for GM used his influence to help keep the Corvette alive during turbulent times and GM, and of course, Donna Mae Mims, the beautiful race car driver who loved Corvettes and was instrumental in starting 3 Corvette clubs. It was an inspirational evening that we enjoyed immensely.

On Saturday we enjoyed a cruise to Owensville, Kentucky where we dined on some great barbeque before heading home. It was a great weekend and as always, we enjoyed our time at the NCM.

NCCC GOVERNOR

THANK YOU for giving me the opportunity to serve as your governor again this coming year (2017). I am always ready to answer any questions you might have about NCCC (National Council of Corvette Clubs) organization or about the rules for competition. If I don't know the answer I am sure we can find someone that does.

RENEWALS!! It is that time again. I will be collecting checks **until** the **November meeting (4th)**. Cowtown is a great club with something for everyone and you will want to continue to be involved! The renewal form is on the website. I do need to know if anything has changed (**your phone #s, address, email address, Corvettes, etc**).

Thank you for coming out and supporting Cowtown's last NCCC event of the year **September 17-18th** in **Mineral Wells**. It was a great time and a very successful event. See all the details in NCCC events article and on the [website](#).

The competition events are wrapping up in October for the Southwest Region. **October 1-2nd** is a 10 event weekend in **Houston** at the **Police Academy**, a short fun asphalt course. **October 22-23th** is 7 autocross events in **Edmond, OK** just outside of Oklahoma City at the **Fire Academy** and followed on **Sunday** by 3 drag events in **Noble** just south of the city. The **last events of the year** for Southwest Region is a new location that none of us has been to but It is in **Kyle, TX** just south of Austin at **Central Texas Speedway** on **October 29-30th** for 10 autocross events. That is also the last 2016 Southwest Region governor's meeting if you want to see how things are run in the region.

Our club's standings for the Top 10 SWR points race are:

- Doc Lambert #3
- Ronnie McCrary #7
- Kevin Anthony #10

and the only woman from Cowtown is

Cathy Anthony #4

Cowtown Vettes is currently #1 in the Southwest Region; 178 points ahead of OCCC.

Congratulations to these people for a job well done when they are out there having FUN! There are several of you that are high enough in the points to earn a 2016 SWR Participation Shirt (200 points) – so check your points and consider attending another event or two this year. It is fairly easy to earn another 60 or fewer points; so if you have any questions around points and what it would take to get you to 200, contact me.
