VICE PRESIDENT'S REPORT

Happy New Year!

I am honored to be serving as your Vice President this year. I'm looking forward to many social events we will have in 2017.

Our first **100%er** will be a "come and go" Super Bowl Party on February 5th at the **Fox and Hound Sports Tavern, 6051 S.W. Loop 820 (off Bryant Irving) in Fort Worth**. We will have a private room with a big screen TV to watch the game, eat good food, and visit with friends. Everyone will order off the menu. There will be a Charity 50/50 football pool for \$2.00 per square. Kick off for the game is scheduled for approximately 5:30. <http://www.foxandhound.com/locations/fort-worth/>

You have another chance to qualify for 100% in February. On Saturday 25th we will have a Mardi Gras Dinner at **Boo Ray's of New Orleans, 7255 Boat Club Road, Fort Worth**. We will have reserved tables for our group and be able to order off the menu. Gather at 5 PM for a fun night. Feel free to wear Mardi Gras masks and/or your Mardi Gras beads. Deadline to sign up is the Feb. 3rd Membership Meeting. <http://www.booraysofneworleans.com/>

We are putting together a **Social Committee** to help plan events throughout the year that reflect ideas from the membership. I have spoken to several of you about participating in this committee. I would like to have an **initial meeting on Thursday, January 19, (location TBA)** to discuss some ideas for events. If you are interested, please contact me ASAP so I can add you to the email list. Here's to a great year!

2016 Charities Award
went to Raley Smith

WEBMASTER

Welcome to 2017 – my wish is that that 2017 will be a fun, safe, healthy and prosperous New Year for everyone.

I congratulate the new officers and chairpersons that have stepped up to guide Cowtown for 2017. I would like to remind some of you that some of the positions do have an associated webpage; i.e. Car Show, Charities, Cruiser, etc. The content on that webpage is yours to define – if you have questions, please reach out to me.

For the calendar year 2016, our website grew to contain a total of 3,135 webpages and over 76,330 photos. So, you can't convince me our members aren't out having fun with their Corvettes. These numbers represent website growth of 76 new webpages and 5,890 photos that were created and posted in 2016!

The month of December was a slower paced month, fairly typical – our members did enjoy three events though. There are six new event pages which represent coverage of the Friday evening Annual Participation Award presentation, the Saturday evening Christmas Party & Awards Banquet and the Cook Children's Christmas Party. I would like to thank Raley & Jo Anne Smith who provided photos to go along with our photos.

So ...next time you head out in your Corvette, GRAB that camera regardless what type of event – you never know when you might capture a once in a lifetime shot. We can always use more and different types of high-resolution photos; a different eye behind the camera makes an event page content so much better. For any photo provided, I resize them for use on the web, the Low-Down and the slideshows at our membership meetings. Recognition is also provided to the photographer on each photo, prior to them being used. You

might also capture that once-in-a-lifetime awesome “what you saw along the way” photo for the annual Cruiser Photo Contest.

YOUR Website: This month, you should have noticed numerous updated and new 2017 webpages; starting with the calendar pages. Webpages like the officers and some of the committee chairs always change around January 1st. As far as the website redesign, it won't be online immediately however; there has been a lot of efforts expended on it to decide layout, style, colors, etc. Several members have stepped up to be a viewing / sounding board for ideas; I'd welcome anyone to join that team as well. This will be YOUR NEW WEBSITE which will represent Cowtown globally.

Social Media: The webmaster also heads up the Social Media committee; one that you can get involved. Regardless if you just like to proof items, post on Facebook, etc. I'd invite you to contact me to join in. I know lots of you have Facebook accounts and post all the time. When you post a club or NCCC event, don't forget to tag Cowtown Vettes with the post or photo. Please don't hesitate to shout if you have suggestions, questions or comments about your Club's website, Facebook account or eMail distribution lists. Likewise if you find any pages that have issues or if there is something you would like to see or things you dislike; after all this is YOUR website and I am only the caretaker of the website.

Happy New Year!!

2016 was another great year for the Cowtown Cruiser Program! There were 9 participants all finishing at the gold level.

The top 3 competitors were:

- 1st : Doc Lambert (176 points)
- 2nd : William Nolan & Mary Pittman (160 points)
- 3rd : Doug McMahan (136 points)

Other participants included:

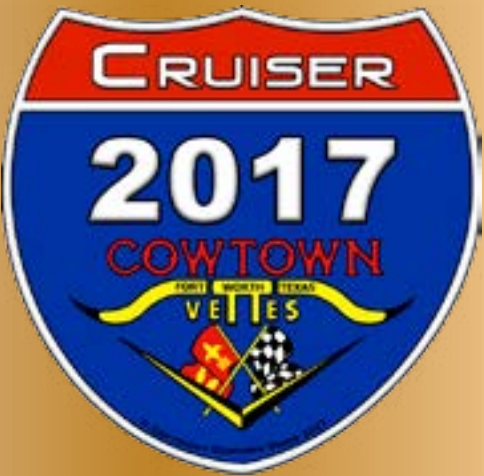

- Glenda McMahan (131 points)
- Robert & Cydnie Geyer (101 points)
- John & Nancy Dick (87 points)

There were also a number of great photographs submitted for the “What I Saw Along the Way” Cruiser Photo Contest. The winners were:

- 1st Place: Doug McMahan
- 2nd Place: William Nolan & Mary Pittman
- 3rd Place: Robert & Cydnie Geyer

Their photos can be viewed on the website.

The 2017 Cruiser competition started January 1, 2017. New cruiser packets are available electronically or in paper form. This includes the 2017 Cruiser sign, log sheet and program rules. The cruiser program has been modified slightly for the coming year with the deletion of the Rivers/Creeks category, the expansion of the historic churches and Veterans Memorials categories, increase in points given for out of state entries and increase in total points required to qualify. The cruiser program was started as a way to encourage members to get out and see where their Corvettes can take them. This can be a club organized trip or a personal trek through the countryside. Even if you are not collecting cruiser points you can still participate in the Cruiser Photo Contest by taking photos of your Corvette at the interesting places you “saw along the way”. We had some amazing photographs submitted for the 2016 contest and I know many of you took photos that you did not

submit. Almost all of us have a cell phone that can capture that special moment with your Corvette.

For the cruiser program to be successful we need members to suggest places to go and to sponsor cruises. There is already one cruise in the planning stages to the Horton Classic Car Museum in Nocona that was postponed from last fall and another cruise for later in the year through the back roads to the Horny Toad Bar & Grill in Cranfills Gap. Also, being planned is some type of cruise to or before or after the 2017 convention in Bowling Green, Kentucky. Hopefully there are several more in the works for day or week-end trips!

If you are interested and have questions about the process we hope to be able to schedule a Cruiser Program 101 prior to the February membership meeting to explain the process and answer your questions. We can also provide some past cruiser books for you to look at. Hopefully we can encourage more participants to get out and enjoy their Corvette and promote Cowtown Vettes while they are out and about.

HAPPY CRUISING!!!

130 days till the 2017 Dallas-Fort Worth Kidney Walk
Saturday, May 6
Levitt Pavillion, 100 W. Abram St., Arlington 76010

The NKF leads the U.S. in awareness, prevention and treatment of kidney disease for thousands of healthcare professionals, millions of patients and their families, as well tens of millions of Americans who are at risk.

Your support of the NKF will directly influence and positively impact the lives of those at risk for kidney disease, those living with chronic kidney disease and those who care for and about them.

The KIDNEY WALK is the nation's largest walk to fight kidney disease. Held in nearly 100 communities, this Walk raises awareness and funds life-saving programs that educate and support patients, their families and those at risk.

WHY I WALK...

- Kidney disease is a major public health issue. 1 in 3 American adults is at risk for kidney disease. 1 in 9 American adults has kidney disease--and most don't know it.
- High blood pressure and diabetes are the two leading causes of kidney disease.
- Of the 118,000 Americans on the waiting list for a life-saving organ transplant, more than 96,000 need a kidney. Fewer than 17,000 people receive one each year.

Logon to the CTV website and click on the NKF logo to join Team Corvettes for NKF. There is no registration fee. However, each registrant is asked to fundraise. Please consider emailing your family, friends and co-workers for their help with donations and spreading awareness of the life-saving programs provided by the National Kidney Foundation.

TO KICK OFF THE 2017 DALLAS-FORT WORTH KIDNEY WALK, I will be selling \$1 chances at the January membership meeting, as well as the February, March & April meetings, for a \$25 gift card. At the end of each meeting, one (1) ticket will be drawn and the winner of the \$25 gift card announced. That ticket will then be returned to the other tickets sold and will be eligible for the 50/50 drawing that will be held at CTV's Annual Weekend.

 Team Captain

TECH TIP – C4 THRU C6 CORVETTE LETTERING DRESS-UP

Does the rear of your C4 thru C6 need a little snazzing up; maybe just something simple to accent the recessed Corvette lettering on the rear? It is an easy job to do and most folks can accomplish it properly in less than thirty minutes. The same techniques and products show below are available for C4 thru C6 Corvettes.

There are various styles (at least) of lettering available; you can choose from stainless, vinyl decals or the domed poly type shown in this article. Regardless of which type lettering you choose, the process is basically the same and about the same level of difficulty (EASY).

Start out with by cleaning the lettering area of the car so that you don't have any dust which transfers to your hands or falls off and on to the letter's stick-um. Next, you will need to prepare the recessed lettering area; do this with care otherwise you'll end up losing a letter on the highway or at the car wash. To prepare the area we used the alcohol wipes that came with the kit plus we used a Q-tip and alcohol to make sure the corners were cleaned out.

Once the alcohol has dried, take a lint-free rag and wipe the dried residue off. Peel the protective backing off the Corvette Letter Set – make SURE you DO NOT touch the sticky-em on the back of the letters; handle with the clear protector shield. Due to the logo design and shape, I decided to work from left to right, placing the "C" in the recessed area first.

Move letter by letter from left to right, pressing each of them into the recessed area. Once you have all the letters pressed into the recessed letters, burnish firmly over the clear protective

shield with a dry soft rag until you are sure you have all the letters adhered to the body. Once you have the letters in, GENTLY pull the clear protective shield off of the letters – again, I would recommend left to right due to letter shape. You now have made "your statement" to your Corvette by adding the lettering of your choice to give the Corvette your personal touch.

Note: many of the lettering sets also work on the passenger's dash; follow the same procedures as mentioned above to dress-up the otherwise bland passenger dash area. **NOTE: It would NOT be recommended to use stainless steel lettering in this area since it is also the Air Bag covering.**

NCCC EVENTS

Well the day has come and I have taken over the NCCC Event Coordinator position from Doug. Big shoes to fill but I at least have Doug as the Co-Coordinator and Rick Watson has promised to watch over me. I look forward to the NCCC Events listed below and know 2017 will be a great year for Cowtown Vettes. If you have questions about NCCC, our events, or competing in events please contact me, Doug or our NCCC Governor Glenda.

NCCC GOVERNOR

Good-bye 2016 and hello to 2017 being a great year! This new year will have lots going on in Cowtown, as usual, and I am sure it will be a great year!

Events we will be hosting for 2017 are as follows:

- A practice autocross **March 18th at Burleson High School**, this is where you can come out and see if you are interested in autocross. It was a fun time, last time we were there and not too far from home. Come out and give it a try in your car or to try working an area you haven't tried before. This is a trial run of what our autocross events require; see how you can be a part of the great Cowtown team for putting on an event.
- We will have our annual **Texas Motor Speedway event April 29-30**. This looks to be a great time any year! April should be good weather for autocrossing.
- June 3** will be our fun event with a car show, two rallyes, and a funkhana. Everyone has fun at this event, taking part or just watching some people trying their best at game type events. This is an event you won't want to miss. This event is at **Fat Daddy's in Mansfield**.
- September 23-24** will be our **Mineral Wells** autocross and my favorite place to autocross.

Put these on your calendar and plan on being a part of our events. I am more than sure you will hear lots more on these as they approach the time.

2016 ended with a great **Christmas/Awards party** and thank you, **Jo Anne Smith** for all the hard work to make this happen.

Our **2016 NCCC Award Winners** were as followed:
