## WORDS FROM OUR PRESIDENT

Well my friends,  
It looks as though  
this Month is full  
of things to do to  
have fun in your

Corvette. We have a chance to  
show our cars off at an event in  
Cleburne, a 4th of July parade  
that is so much fun to partici-  
pate in, and even a July Christ-  
mas at our amazing Cook's Chil-  
dren Hospital in Fort Worth, as  
well as a cruise to the American  
Airlines Museum. I hope that  
you will attend one or all of  
these events if possible. While  
attending these events, please  
make sure you stay hydrated  
as the temperatures are go-  
ing up, and we see every day  
that someone has issues with  
the heat. Your safety is always

our concern. There is a great  
deal of information on all these  
events on our website with fur-  
ther details, so I ask please to  
look at it for more information.  
Thank you all for your great at-  
tendance at our meeting and  
events and look forward to see-  
ing you all soon.

*John Armes*  
**President**

### ASSISTANCE REQUESTED

I would like to ask you to help us to  
make **YOUR new website** awesome.

As you run around the new website,  
look closely and carefully at everything  
and help fine tune it.  
Please see my article in this issue for  
more information.

**Regards - Doug**

## VICE PRESIDENT'S REPORT

### JULY

We start off July with our annual participation in the Westcliff West  
Neighborhood Fourth of July parade. On Tuesday, July 4 at about  
9:30 AM, we meet at the Congregational Church parking lot, on the  
corner of Trail Lake Dr. and Manderly. We will decorate our cars  
and line up. The parade starts promptly at 10:00. Bring candy for  
the kids and treats for the dogs. Don't forget your hats, sunscreen  
and water. After the parade is over, we will head to RJ Gator's for  
lunch. See CTV website for more info.

On July 15th we will visit the **American Airlines C.R. Smith Muse-  
um** for our 100% event. The museum is located at **4601 Texas  
Highway 360 in Fort Worth**. We will meet at the museum at 10:30  
am. The tickets are \$7.00 for adults, \$4.00 for military, students  
with ID, children 17 and under, and anyone 65 year or older, After  
visiting the museum, for those who choose to, we will go for lunch  
at The Grease Monkey located at 200 North Mesquite in Arlington.

### AUGUST

Fred and Donna Rosett have very graciously offered their home  
for a CTV pool party. This will be our August 100%er on 5th. The  
party will begin at 3:00 pm and we will be serving Spring Creek  
BBQ (beef, sausage, chicken, and tea). The cost will be \$14.50 per  
person. This will be BYOB (no glass containers). Water and some,  
but not much, beer will be supplied. You will need to bring your  
own chair and towel and swim suit (nude swimming will not be  
allowed). Deadline for signing up will be August 1st. Make payment  
to me, Becky Clark. If you wish to send me your payment, send me  
an e-mail and I will give you my address. If you sign up and don't  
cancel by the 1st of August payment will still be expected.

Got any questions?  
Contact me at [bcdc5356@charter.net](mailto:bcdc5356@charter.net).

## WEBMASTER

**Happy Independence Day** to everyone ...we are looking forward to celebrating this great nation down at the Cleburne Air Show and at the 4th of July Parade. June slowed down a little although it seems everyone had a chance to enjoy some Corvette fun. The latest event pages from these events include a Cruise to Revolver, Auto-crossing in Edmond OK, Drags in Nobel OK, our annual Corvette Scramble @ Fat Daddy's, working the Tarrant Area Food Bank and the weekday Cruise to Magnolia Markets. Thanks this month to Raley & Jo Anne Smith, Mary Pittman, David & Pat Gill, Jane Buehler and Becky Clark for providing photos for our webpages; to add to the ones we provided.

**Legacy Website Issues:** In short I have NOT enjoyed the continued issues with our website; not to mention it has taken lots of valuable time away from working on the new website. When I look at the homepage in my HTML editor (I currently use Expression Web), everything looks fine ...I then publish it to the internet ...then when I check it on the internet (or someone calls) things are NOT what they show on my screen in the editor. Investigating further, I've found that the editor has been adding dozens of lines of bogus syntax / code in the webpage (under the covers as we say). This extra syntax was corrupting and hiding the good code making things disappear off the page. I think I finally have it figured out though ...which will keep it consistent until it is replaced with our new website. For a few statistics, your legacy website has a little over 3,000 webpages and over 75,000 images – it grew a little since late 2003 when I took over as webmaster. At that time it had 17 webpages and a little over one hundred images.

**Cowtown's New Website:** Well, as you might have noticed, you do now have a new website. It has taken several months and countless hours to recreate over one hundred new webpages; 102 pages to be exact. Creating the new website was not as simple as just copying old content from the old pages to a new formatted page. Besides the totally new look, new graphics have been created, some pages were combined and some were eliminated, etc. Heck, I even found misspelled words that have been on some of the pages for years!

The old webpages will be retained for historical reference, especially around the events which we have all enjoyed over the years. Yes, retained because it just doesn't make sense for me to reformat them all – nor do I have that much "spare" time. As time goes on, the new website will continue to receive tweaks to pages, especially around items like the header graphics which are unique for each page. If you do have ideas on something neat you'd like to see for your website, please don't hesitate to drop me a note.

With all that said, I would like to request your assistance as you browse around your new website. If you see something that looks a little odd, something that doesn't work correctly, something that seems to load too slowly, etc. let me know. Honestly, I've worked on this for so many hours, the saying the "forest and the trees" syndrome has kicked in – I REALLY

need some fresh eyes on these pages. Besides the website being Cowtown's image in the world-wide-web, the annual NCCC National Website Contest is kicking off. I plan on entering Cowtown's New Website in the contest on July 12th, at which time the judges will start critiquing it with no mercy. So I ask that you beat up the new website – don't be bashful (I know most of you aren't ;) ...try and look at everything ... simply put, everything you catch before then is one less thing that the judges spot and ding us on. As a team, maybe we can at least place in the top 3 this year.

**Photos:** Don't forget to grab your camera (or smartphone) when you get into your Corvette; if you forget it – most will have a smartphone. We can always use more and different styles / views of high-resolution photos for our website & newsletter. Please try to take your photos in the largest format your smartphone / camera offers. Hint: smartphone / tablet photos are marginal – unless you set the camera to its highest resolution. For any photo you provide, I resize them for use on the web along with a larger format for the Low-Down and the slideshows at our membership meetings. Recognition is also provided to the photographer on each of their photos.

**Social Media:** The webmaster also heads up the Social Media committee; one that you can get involved. Regardless if you just like to proof items, post on Facebook, etc. I'd invite you to contact me to join in. I know lots of you have Facebook accounts and post all the time. When you post a club or NCCC event, don't forget to tag Cowtown Vettes with the post or photo, regardless if you are on this committee or not. Once a year or so, we like to share our acceptable use of the email distribution lists, it can be found at:

<http://cowtownvettes.org/misc/eMailLists.html>.

There are a couple of dozen email distribution lists which are maintained by the webmaster; beyond the all member list (CTV-ALL) and the officer list (CTV-EO). If you have questions around the distribution lists, getting yourself added to any specific one, etc. then please get in touch with me. If you change your email address, mailing address, your Vettes, etc., please let membership know so that your information can be updated. If by chance you are not receiving the CTV-All emails then your correct email address must not be in the system; contact us. Send all email and address updates to: [ctv-membership@yahoogroups.com](mailto:ctv-membership@yahoogroups.com). When you are added to a list, you will receive an email asking you to confirm and join – you **MUST** accept this in order to be confirmed into the distribution list; the invite (from yahoo groups) will eventually time-out as well so don't delay.

Please don't hesitate to shout if you have suggestions, questions or comments about your Club's website, Facebook account or eMail distribution lists; after all this is **YOUR** website and I am *only the caretaker of the website.*

The word Corvette is synonymous with fun whether it be cruising down the highway or speeding around the racetrack, but since this article is supposed to be about cruising we will leave the racing to another time! As stated in previous articles, the point of the cruiser program is to encourage our members to get out and drive their cars. Even if you only cruise around our area there is still so much to see....and so many cruiser points to be had. It still isn't too late to chase those cruiser points. Remember the things that need to be included in your photos are: 1) an identifiable portion of your Corvette 2) you 3) the Cruiser logo sign 4) an identifier of your location... ie city sign, county sign, historical marker. In order to read the text on an historical marker it can be beneficial to take a close up photo of the marker. Including the historical marker or being out of state gives you an extra point in some categories. You can refer to the cruiser log for point totals allowed per category. If you have questions about any of the cruiser requirements or rules please do not hesitate to ask.

The only cruise currently on the schedule is the Wild Horse Convention Cruise for members that will be attending the NCCC National convention in Bowling Green, Kentucky. This cruise will be led by Doug and Glenda McMahan and promises to be a treat for those members going to convention who want to see the sights on the way to and around the convention area.

This is the point of time in the year when this article gets a little difficult to write....it is hot and people of

going this way and that with their personal travels. So if you have a suggestion for a cruise and need some help putting it together we would be glad to help. Also, there has been a bit of interest in making a return cruise to Loco Coyote, so if you are interested in doing that let us know also.

Remember to be on the look out for a unique setting in which to photograph your Corvette for the "What I Saw Along the Way" photo contest. Each person is allowed to enter 3 photos ( 4 x 6 ) in this contest with the club voting on them in November. You do not have to participate in the cruiser program to participate in this contest. I know there are some great photographers in this club with some beautiful Corvettes. Looking forward to seeing your photographs.

Lots of Apples!

We had a great night volunteering at the Tarrant Area Food Bank on June 13th. HEB donated 40,500 pounds of apples (56 pallets) and we helped sort them. The apples were gorgeous and came in all sizes. Some of them weighed a pound each!

We presented a check for \$362.50 from our charity fund. A big thanks to those who came out to support this event:

## NATIONAL CORVETTE MUSEUM

Many of our Cowtown members are anxiously awaiting the NCCC convention in Bowling Green, Kentucky. With Bowling Green being the home of the National Corvette Museum, this will present a great opportunity to visit the museum and participate in some great activities in the process. Now it should be noted that this is not a NCM event, so the activities need to be planned by convention goers.

First the good news, if you are an individual or family member of the NCM, you will have unlimited free access to the Museum. You can also take advantage of their wonderful gift shop which has a lot of great Corvette themed merchandise. As a member of the museum, you can show your membership card and enjoy a discount on all regularly priced merchandise. When Cindy and I go to Bowling Green we usually stock up on really cool Corvette merchandise. In addition to the member discount, we also save shipping costs by buying this stuff in person. It might be a good time to become a NCM member so you can enjoy these benefits while at the convention. Now about the museum. In order to really appreciate the museum, especially if it is your first visit, you need to plan on spending at least 3-4 hours of your time touring the exhibits. If you are fairly new to the Corvette community, a visit to the museum can provide an opportunity to gain knowledge of the Corvette tradition and some history of the car itself. Some of my favorite exhibits include one that has a C3 that was the personal car of Zora Arkus-Duntov. In the same area is a really nice display of a C1 at a service station. There is also a C2 that was once owned by Roy Orbison. Being a C3 guy, I also like the mock-up assembly line photo of the C3 frame being mated to the body at the old St. Louis factory. Since we have a lot of club members who enjoy motor sports, I expect the exhibits that trace the history of Corvette in racing will be of interest to you. There are many other things to see in the museum, so I would just advise our members to take your time and enjoy everything

the museum has to offer. I also understand that the NCM Motorsports Park will offer a special opportunity for touring laps on the motor sports track. The following was copied off of the NCCC website:

*"Touring Laps" will consist of at least one session of the entire motorsports track and depending on how well the participants behave we hope to have multiple runs available in the morning and afternoon groups. The "touring laps" consist of groups of 4 or 5 cars, led by a track employee around the course at a moderate speed for at least (2) laps per run. Pre-registration will be required for scheduling purposes and this information will be available on the NCCC Web Site under the 2017 Convention Section."*

While you are in the area, you might want to cruise some of the local farm roads which offer some great scenery and also some fun driving. Mammoth Cave National Park is only about 30 miles from Bowling Green and is a nice side trip for those visiting the area. There are plenty of good restaurants in the area, but the one that we

always visit at least once while in Bowling Green is a steak house called Montana Grill. It

is conveniently located on Scottsville road and is near most of the hotels. I highly recommend this place.

Have fun on your road trip to Bowling Green and let me know how it went. As always, Happy motoring and if you want information on NCM membership you can email me at [DBrown1157@aol.com](mailto:DBrown1157@aol.com).

## NCCC EVENTS

On a rainy Saturday June 3rd, 2017 Cowtown Vettes held our 6th Annual Spring Scramble at Fat Daddy's Sports & Spirits Café, Mansfield, TX. This included a People's Choice Car Show, a Funkhana, and both a Chance (poker) and a Gimmick Rallye. There was a tie for First Place in the People's Choice Car Show between Doc Lambert and Kevin and Cathy Anthony with Second Place going to Raley Smith. Doug McMahan and Taylor Forsythe won the Funkhana. Kevin and Cathy Anthony won both the Chance and the Gimmick Rallye and the Overall Competitor's Award. A great time was had by those who risked getting their Corvettes wet and the club appreciated their participation. You should look forward to watching a replay of the Scramble at the next membership meeting.

If you have questions about NCCC, our events, or competing in events please contact me, Doug or our NCCC Governor Glenda.

NCCC GOVERNOR

It was a rainy day and the skies were dark but lots of fun was in store for the people that came out to the Corvette Scramble at Fat Daddy's in Mansfield. I would like to thank all that came and took part, worked or just watched the events. The day turned out to be a lot of entertainment! The day started with a car show chaired by PJ Jackson, then we had the truly entertainment of the funkhana created by Carlanne Hickman. Last but not least we had two rallyes that Jack Gandy was in control of getting people lost in Johnson and Ellis counties. Check out the website for pictures and if you missed this you missed a good time of laughing, discussing and even cussing.

The winners that took home the picnic blanket awards were:

- Kevin and Cathy Anthony – 1st place car show
- Raley and JoAnne Smith – 2nd place car show
- Funkhana –Doug McMahan with help of the young one Taylor Forsythe
- Gimmick and Chance (poker) Rallyes (both) they had 3 A's for their poker hand!
- Kevin and Cathy Anthony
- Overall competitor (highest overall pts) – Kevin and Cathy Anthony

July brings a break in Southwest Region NCCC events, it is too hot! But wait the hotter month is Aug. and there is an event in Waco at Baylor Sta-dium ( Aug. 12-13).

Standings for the Southwest Region competition:  
#1 Kevin Anthony  
#3 Norman Walker  
#5 Doug McMahan  
#8 Doc Lambert

Women:  
#4 Cathy Anthony  
#5 Glenda McMahan

Cowtown is #2 in the Region

Some of us will miss the July Social since we will be at the 2018 Convention Meetings in New Or-leans. This gives us a chance to scope out the 2018 Convention hotel, track and other things that will make this convention a blast.  
Stay cool!

SAVE THE WAVE!
