WORDS FROM OUR PRESIDENT

Hello Cowtown Members,

Well we just had a great month for activities for all to enjoy their Corvettes and share some patriotism for our Country as well. I want to thank all members who represented our club in many activities outside the metroplex as well in car shows and all Corvette Events around our State.

This month we have some more things to enjoy and allow us to soak in this Texas heat. I want to thank our members for participating and even opening their homes for some great activities. This is why I love to be a member of this Great Club,

as it not only allows us to join together with these great cars, but spend quality time with some incredible people.

A special thanks to all the members who help organize our events each month.

Have a great month and see you soon!

John Armes
President

arnesgs@gmail.com

ASSISTANCE REQUESTED

I would like to ask you to help us to make **YOUR new website** awesome.

As you run around the new website, look closely and carefully at everything and help fine tune it. Please see my article in this issue for more information.

Regards - Doug

VICE PRESIDENT'S REPORT

AUGUST

Fred and Donna Rosett have very graciously offered their home for a CTV pool party. This will be our August 100%er on 5th. The party will begin at 3:00 pm and we will be serving Spring Creek BBQ (beef, sausage, chicken, and tea). The cost will be \$14.50 per person. This will be BYOB (no glass containers). Water and some, but not much, beer will be supplied. You will need to bring your own chair and towel and swim suit (nude swimming will not be allowed). Deadline for signing up will be August 1st. Make payment to me, Becky Clark. If you wish to send me your payment, send me an e-mail and I will give you my address. If you sign up and don't cancel by the 1st of August payment will still be expected.

SEPTEMBER

Our September 100%er will be dinner and a movie. On September 23rd we will meet at 5:00 pm for dinner at Babes Fried Chicken in Granbury. You can arrive in Granbury early if you want to spend some shopping on the square. Following dinner we will go to the Brazos Drive-in Movie Theater for a double feature. The movie starts at dusk and we should be there 30 to 45 minutes before the movie begins. So depending on how long dinner takes, we may have some time to kill. But that would be better than being rushed to catch the movie. Plus, we want to try to park together at the drive-in so the earlier we get there, the better. Cost of the movie is \$20.00 per car or \$10.00 per single person, cash only. No debit or credit cards. There is a concession stand with snacks and sodas, but feel free to bring your own refreshments. Bring your lawn chairs and portable radio in case you want to sit outside your car and socialize before or during the movie. The movie sound will broadcast on station 89.1 FM.

Got any questions?

WEBMASTER

The temperatures are definitely on the rise to meet the typical July & August experiences. As far as the website, it has gotten a little cooler (i.e. slowed down a little) but still plenty of activity. The latest event pages from these events include Autocross Events in Edmond OK, Drive Your Corvette to Work Day, Cowtown Exhibition at the Cleburne Air Show, the 4th of July Parade and the visit to the C.R. Smith Museum & Lunch. Thanks this month to Raley & Jo Anne Smith, William Nolan & Mary Pittman, Richard Downing, and Robert & Cydnie Geyer for providing photos; complimenting ones we provided.

Cowtown's New Website: The new website has been much easier to maintain, which has been a blessing this month. Keep in mind that the old webpages will be retained for historical reference. Either the new website doesn't have an fopars (very doubtful) or it just isn't being looked at with enough scrutiny. To date, I've had virtually no critique on mistakes or issues. I have however continued to tweak various pages since (like cleaning your car) the more you look at it, the more you see something else that needs done. One question I've had is where is the old "Home" page button – well, it doesn't exist as such – simply click the Cowtown logo on any page. If you do have ideas on something neat you'd like to see for your website, please don't hesitate to drop me a note.

The website is Cowtown's image in the worldwide-web and it needs to be the best it can be. As a reminder, it is entered and being judged in the annual [NCCC National Website Contest](#). So I ask that you take a few minutes and beat up the new website – don't be bashful (I know most of you aren't ;) ...try and look at everything, simply put, everything you catch before then is one less thing that the judges spot and ding us on. As a team, maybe we can at least place in the top 3 in the contest this year.

Photos: Grab that camera (or smartphone) when you get into your Corvette. We can always use more and different styles / views of [high-resolu-](#)

[tion](#) photos for our website & newsletter. Please try to take your photos in the largest format your smartphone / camera offers. Hint: smartphone / tablet photos are marginal – unless you set the camera to its highest resolution. For any photo you provide, I resize them for use on the web along with a larger format for the Low-Down and the slideshows at our membership meetings. Recognition is also provided to the photographer on each of their photos.

Social Media: The webmaster also heads up the Social Media committee; something any of you can get involved with. I know lots of you have Facebook accounts and post all the time. When you post a club or NCCC event, don't forget to tag Cowtown Vettes with the post or photo, regardless if you are on this committee or not. We would also ask that you pay attention to what you post on social media; please DO NOT post pictures of Vettes racing or other actions that might jeopardize the owner's insurance (i.e. photos with license plates).

The club has a couple of dozen **email distribution lists** which are maintained by the webmaster. If you change your email address, mailing address, your Vettes, etc., please let membership know so that your information can be updated. If by chance you are not receiving the CTV-All emails then your correct email address must not be in the system; contact us. Send all email and address updates to: ctv-membership@yahogroups.com. NOTICE: When you are added to a list, you will receive an email asking you to confirm and join – you **MUST accept** this in order to be confirmed into the distribution list; the invite (from yahogroups) will eventually time-out as well so don't delay.

Please don't hesitate to shout if you have suggestions, questions or comments about your Club's website, Facebook account or eMail distribution lists; after all this is **YOUR** website and I am **only the caretaker of it**.

Doug McMahan
 Webmaster
macsvettes@gmail.com

It seems this is about the time of year that my creative writing ability takes a nose dive. What do I write about.....it's HOT!!! I don't want to be out cruising around in my Corvette....then around the corner and over the hill is a beautiful field of sunflowers or a sunset reflecting off of a shimmering lake that I would have missed if I had stayed home. Since our area is a bit ahead on rainfall for the year things are still a bit green and pretty. So, crank up the car, turn on the air-conditioning and take a ride. There is so much to see.

The only cruise currently on the schedule is the Wild Horse Convention Cruise. Robert and Cydnie Geyer have taken over the leadership of this cruise to the NCCC National Convention in Bowling Green, Kentucky for convention attendees. The Geyers travel extensively so I know they will have some fun things to do and see on the way to convention.

While you are trying to stay cool during the "dog days of summer" be thinking about some great places to cruise this fall. Share your favorite curvy road or scenic byway. Is there some out of the way restaurant you've been wanting to try or a favorite you would like to do a repeat to. Plan it and we'll get it on the calendar.

There are still approximately 3 & 1/2 months left to collect those cruiser points or to take a photo of your Corvette in a scenic or unique setting for the "What I Saw Along the Way" photo contest. The photo contest will take place at the monthly meeting on November 3, 2017. Photos for that will need to be turned in to the cruiser chairperson before the start of the meeting at 7:30pm.

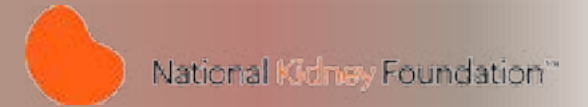

Participants can submit 3 (4 x 6) photos per CTV member. If you are participating in the cruiser program the deadline for submitting your points log to the cruiser chairperson is Sunday, November 5, 2017 with the photos being due by Sunday, November 12, 2017. Be sure and check out our great new website for the rules and info.

GET CRUISING!!!

William Nolan
Cruiser Chairperson
wmmnolan@msn.com

Mary Pittman
Co-Chairperson

Hello everyone. Hope you're staying as cool as possible!

Many families are struggling to feed their families this summer and many of them have pets who need food too. We don't want them to have to give up their beloved pets because they can't afford to feed them.

At our August meeting we will support the "Don't Forget to Feed Me" pet food program by donating food. As you shop this week and next, pick up some pet food to bring to the meeting. Leave the food in your car until after the meeting and we will let you know where Kim and James are parked and then you can take it to them after the meeting.

As we've done in the past, we will also accept monetary donations and coupons and Kim and James will shop for pet food. We'll have a jar for these donations at the 50/50 table.

You can learn more about this great organization at <https://www.dontforgettofeedme.org>.

Thanks in advance to all and especially to Kim and James West for their efforts in this club event!

Well here we are almost done with a miserably hot north Texas summer. Most of us kind of stayed inside for the summer, but as an old song used to say "I can feel changes comin' on." As hard as it is to believe, we are rapidly heading to the fall for car show and driving season. Of course for some of us, we also look forward to football season.

In the meantime, we still need to get through August. For many of us, that will include a trip to the national convention in Bowling Green. In last month's column, I mentioned several of the things I enjoy doing when go to The National Corvette Museum. This month, I would like to mention a couple of others.

OK, this is not directly related to the NCM, but it is a really cool thing to do nearby. In Nashville, there is a restaurant call the Loveless Café. It is located in one of those old motels that has a giant neon sign out front. This is a great place to take a night time Corvette photo. If only one of you does this, it might be a winner in the cruise photo contest. The down home cooking is not bad either, and they have the best home style jellies and jams you can buy. (The jams are a little pricey, but they are well worth it.) Trust me on this one, it is worth the side trip.

Just for the benefit of those that feel that one week in Bowling Green is just not enough and for those who will not be attending the convention, but want something to do the week before Labor day, have I got a deal for you! The 23rd NCM Anniversary Celebration is slated for August 31 – September 2. This is an annual event that Cindy and I attended last year. It was an enjoyable event and I would recommend it to anyone.

During the celebration, there is a Corvette Hall of Fame induction dinner to honor this year's inductees. The honorees will be Peter Brock, Jim Minneker, and Tommy Morrison. We attended this banquet last year and it was one of the highlights of our trip. Besides the wonderful program, it gave us to opportunity to meet and visit with some really nice Corvette folks.

By the way, have you been wanting to attend one of those high performance driving school? If so, here is your chance! During the Anniversary Celebration on Friday, there will be a 1 day high performance driving school for the modest price of \$225.00. Now, if you are already an expert and just want to drive on the NCM Motorsports track all day on Wednesday for just \$90.00. This is a heck of a deal and sounds like a blast. Other events include road tours, car shows, ask the expert sessions and of course the fellowship of visiting with 1000 or so of your favorite new Corvette friends. There are many activities that will

go on that I did not mention. Whatever you do, be safe in your travels.

As always, Happy motoring and if you want information on NCM membership you can email me at DBrown1157@aol.com.

Don Brown
NCM Ambassador

NCCC GOVERNOR

August is hot!! It is just starting to heat up in North Texas and I, for one, am ready for fall and cooler weather! The competition schedule shows that it is too hot to autocross and so we wait!

One event in the August heat is in Waco at The Baylor Stadium parking lot on Aug. 12-13. 14 low speed events and take lots of water if you are going! It will be a fun weekend and hopefully your hotel will have a pool to jump into when the event is finished. If you are a member who doesn't or hasn't autocrossed take your car out for a drive and come see what all the fuss is about. If you enjoyed our practice autocross you would probably enjoy this event. You can stay the weekend and socialize with other Corvette lovers or come just for a few hours, I promise you will have a good time, maybe eat with the competitors at a new restaurant and make a few new friends.

NCCC convention in Bowling Green, KY is August 21-25 and is packed full of fun and excitement. Robert Geyer is leading the cruise to convention so see him if you are interested.

The Southwest Standings are as follows:

- Kevin Anthony #1
- Norman Walker #2
- Doug McMahan #3
- Doc Lambert #6
- Larry Schaapveld #9

Women:

- Cathy Anthony #2
- Glenda McMahan #4

Cowtown is #2 in region standings and #9 in national standings.
