The latest event pages from events our members participated in this month include the Dinner & Drive-In Movie along with the Brazos River Corvette Club's Annual Car Show. Thanks this month to Raley Smith for providing photos; adding to the photos we provided.

**2018 Officer Elections** are in full swing. Many of you have nominated members, some of you have accepted the nominations. I would encourage you all to get involved. Think about the positions, ask questions if needed and let's have a good turnout of candidates for 2018. This club needs good candidates and new thoughts to keep it progressing with the times. Yes, we are a car club however, everyone has different thoughts and ideas which can contribute to making this club better. As candidates are nominated, they will added to the webpage so everyone knows who has been nominated. As elections get closer, the final candidates will have an opportunity to post their Bio on that same page.

**Social Media:** The webmaster also leads the Social Media committee; something any of you can get involved with. I know a lot of you have a Facebook account and post all the time. We would ask that when you post a club or NCCC event, don't forget to tag **Cowtown Vettes** with the post or photo, regardless if you are on this committee or not. We would also ask that you pay attention to what you post on social media; please DO NOT post photos of Vettes competing that might jeopardize the owner's insurance (i.e. photos with license plates).

**Photos:** Grab that camera (or your smartphone) every time you get into your Corvettes we can always use more and different styles / views of high-resolution photos for our website & newsletter. Please try to take your photos in the largest format your smartphone / camera offers. Hint: smartphone / tablet photos are marginal – unless you change the settings to its highest resolution.

For any photo you provide, I resize them for use on the web along with a larger format for the Low-Down and the slideshows at our membership meetings. Initials are added giving recognition to the photographer on each of their photos.

The club does have a couple of dozen **email distribution lists** which are maintained by the webmaster. If you change your email address, mailing address, your Vettes, etc., please let membership know so that your information can be updated. If by chance you are not receiving the CTV-All emails then your correct email address must not be in the system; contact us. Send all email and address updates to:  
[ctv-membership@yahogroups.com](mailto:ctv-membership@yahogroups.com).

NOTICE: When you are added to a list, you will receive an email asking you to confirm and join – you **MUST accept** this in order to be confirmed into the distribution list; the invite (from yahogroups) will eventually time-out as well so don't delay.

Please don't hesitate to shout if you have suggestions, questions or comments about YOUR Club's website, Facebook account or eMail distribution lists. Likewise if you find any pages that have issues or if there is something you would like to see or things you dislike. Remember, it is your website and it is Cowtown's image on the world-wide-web and it needs to be the best it can be.

The 2017 Cruiser Program has come to an end. Your log sheets are due by mid-night, Sunday, November 5, 2017 and your pictures are due by midnight, Sunday, November 12, 2017. Remember they can be submitted in a photo album or scrap-book form or digitally via thumb drive, etc. and labeled per the log sheet. Points will be verified and awards will be presented at the December meeting and/or the Christmas social. Thank you to all who participated.

Did you ever wonder how the cruiser program came about?? When Cowtown Vettes was chartered back in 1974 the charter stated that “the general purpose of the club is to encourage planned trips, social activities, and events for members of the club”... At that time, besides the social aspect, most of the events revolved around racing...autocross, drags, concours, funkhana and rally. An organized cruiser program did not come about until 2005 and has evolved year by year as participants made suggestions. Doug McMahan created the program guidelines and served as the first cruiser chairperson. This provided a fun avenue of competition for those who were not interested in racing, but wanted to be out driving their cars. Bobby Gorman was the first winner in 2005, and Doc Lambert has claimed the top spot 7 out of the next 11 years! It is a unique opportunity to travel the back roads and see things you might not otherwise take the time to notice.

So start thinking ahead to next year. I know there are a couple of club members that already are working on ideas for cruises. Don Brown has a Route 66 cruise in the planning stages and I am hopeful there will be a cruise to NOLA in July to the NCCC convention which is sponsored by the Southwest Region. So, be thinking about somewhere you would like to take the group....some great curvy road, a funky out of the way restaurant...did you know you can get oysters on the half shell in Bluff Dale, Texas...thanks for that information Becky Clark....what piques your interest

just might interest your friends and fellow Corvette drivers, also. There might be places we have been to previously that bear repeating...somewhere you especially enjoyed and would like to take the group to again....no one says you can't do a repeat! So make a plan and let's get cruising!!

**HAPPY CRUISING!!!**

The **16th Annual Cowtown Corvette Show** was a huge success! I want to thank everyone who donated items to be used in the goody bags, the door prizes and the 50/50 raffle. I especially want to thank **Bob Pressler** and **Willie Owens** for pounding the pavement and knocking on doors to get donations! You made my job easy!

We raised \$1088 with our sales of 50/50 tickets. Our own **Chris Piekarski** from Buffalo West was our 50/50 winner and went home with \$544. Thank you to **Mary Pittman**, **Becky Clark** and **Cydnie Geyer** for helping me all day with the 50/50 ticket sales and door prizes.

Mark your calendar for **November 9th at 6:00 pm** and plan to join us as we volunteer at the **Tarrant Area Food Bank**. It's always a fun time!

We will donating toys for **Toys for Tots** at the Cowtown Christmas party on **December 9th**. If you won't be at the party, please bring them to the November or December meeting.

Well, it is fall and time to lock those Corvettes in the garage in anticipation of a bitter winter with ice and snow storms...NOT! We live in beautiful North Texas where our driving season lasts 10-11 months.

The weather is fantastic and has been for a while so we need to get out and do some serious driving while it lasts.

Speaking of beautiful weather, our Cowtown Corvette Show last weekend was fantastic! Cindy and I both enjoyed it with Cindy bringing our C7 roadster and me driving my 1972. Kudo go to Bill Buehler and all of the volunteers whose hard work made this show a success.

What does any of this have to do with the National Corvette Museum? Well the museum is about Corvettes and our club has a business membership, so there is that. Anyway I just wanted to express my appreciation for a wonderful weekend to those who made it possible.

Now about the NCM. A lot of the traditional activities for the year are completed but the Museum has already scheduled a lot of their annual events for 2019 so if you are still a working stiff like myself, now might be the time to peruse the schedule in order to schedule your vacations.

The biggest annual event of the year happens early spring (April 26 -April 28.) The event is called the Michelin NCM Bash @ the National Corvette Museum. This event normally features a walk around of the next years Corvette. Will this be the introduction of the long awaited Zora inspired mid-engine Corvette? We'll see! Regardless, there are plenty of other reasons to attend this event. The following is quoted from the NCM website and provides a short description of the Bash

*“Activities include scenic road tours including visits to old favorites and new attractions, special seminars, 2 Car Shows, autograph sessions,*

*access to Customer Assistance Center, talk to the Corvette Mechanic, participate in a raffle drawing, and win memorabilia at a live benefit auction. Also back by popular demand are the Women’s Garage Party presented by women engineers from GM, This event will see the return of members of the Corvette Race Team, the always popular Ladies’ Oasis, and the Bash banquet. You also have the opportunity to participate in NCM golf with members of the Corvette design team and Corvette Racing.*

*Join us at our new Motorsports Park for touring laps. Feel free to go over and watch as Corvettes they take to the track to learn what their cars can do.”*

Other activities planned at the National Corvette Museum for 2018 include the C4 Gathering on May 17-19 as well as several Museum in motion events which occur at attraction areas all across the country.

Of course if you are in the Nashville or Bowling Green area, any time is a good time to visit the Museum and if you ask some of the staff there, I would bet they will be willing to furnish you with some route sheets for some great local road tours. If you are interested in Membership in the National Corvette Museum, I would be happy to assist you or you can visit the National Corvette Museum website.

Thanks for reading this month and happy motoring!

### THANK YOU!!!!

...to Raley Smith & Christi McMahan for being the photographers at the 2017 CTV Car Show in my absence (due to NCCC Racing).

They, along with William Nolan provided me with close to 1,000 photos of the event for our website, Low-Down and slideshow.

The Best of Show photos are usually the most difficult and painstaking to take – great job and THANK YOU!

Complete schedule and flyers for these events can be found at <http://www.ncccsregion.org/schedule.html>

## NCCC GOVERNOR

Renewal for Cowtown for 2018 is almost over. The checks are due to me by Nov. 7. I will not be at the November membership meeting. There will be someone taking renewals on my behalf. You can also mail them to my home address before Nov. 7th. After that date, you can still renew your membership but it will cost you an extra \$10. I have to have them into our Southwest Regional Membership Director by Thanksgiving, so I need time to do my thing! Cowtown and NCCC are both great organizations and you will want to stay a part of them.

Cowtown's NCCC annual awards will be presented at the January 2018 membership meeting. This is due to competition in the Southwest Region not being over until the weekend of our Christmas Party. This year is an unusual one for competition, with the 2018 convention warm-up/fund-raiser being so late in the year. Plan on attending the 2018 NCCC Convention in New Orleans, LA, July 15-20, 2018. I promise it will be tons of fun!

The competition events still to come in the Southwest Region is with one more weekend in Edmond, OK (11/4-5/2017), our joint event with Corvette Club of Texas in Mineral Wells (11/18-19/2017) and the Convention warm-up and fund-raiser (12/1-3/2017).

Cowtown is being represented at all these events with numerous competitors.

Current SWR Standings are as follows:

**Cowtown is #1.**

Men:

- Kevin Anthony #1
- Doug McMahan #2
- Norman Walker #3
- Larry Schaapveld #5
- Doc Lambert #7

Women:

- Cathy Anthony #2
- Glenda McMahan #3
