## FROM THE PRESIDENT'S DESK

Hello Cowtown,

I want to take this time to say Thank You to all of our competitors and workers who worked so hard this past year to make our club #1 in the region. This is not a simple task and if it had not been for our members going to the events time after time and racing as well as working in the events to help make them successful, than we would not be celebrating this great reward. I can never thank you all enough for representing our

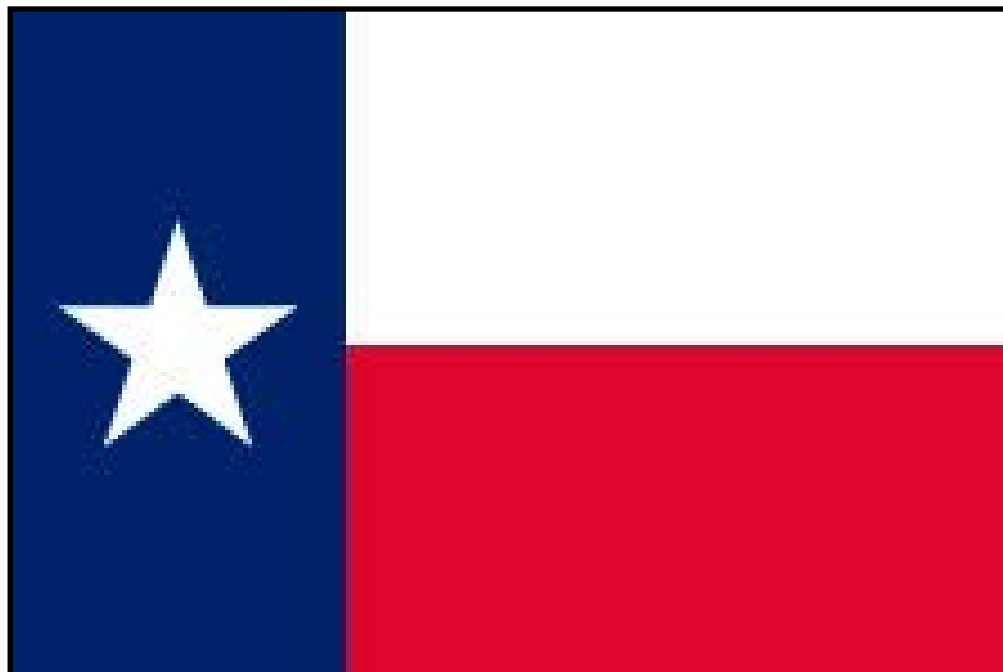

club year after year and being such a great example of sportsmanship and work ethics. We have many members receiving awards and I would just like to say congratulations to you all who competed and represented all of us.

You truly are the best of the best! Great Job!!

*John Armes*  
President  
[armesgs@gmail.com](mailto:armesgs@gmail.com)

**Happy 44th Anniversary to Cowtown Vettes!**

**April 6, 1974 - April 6, 2018**

## VICE PRESIDENT'S REPORT

### March

On March 24th we will hold a practice autocross as our 100%er for the month. It will be held at the **Burleson High School** parking lot. To qualify for 100%er for this event you must either work at the event or enter to autocross. Registration begins at 8:00 am and drivers' meeting is at 9:30 am. Lunch will not be provided. I have contacted **Moon Tower Pizza** to let them know a large group will be coming I between 1:00 and 3:00 for anyone that chooses to wait and eat after the event. More details and flyer link is on the website.

### April

Our April 100%er will be the **22nd ANNUAL NCCC Super Speedway Weekend on April 27th - 29th**. This is our premier racing and fundraising event for the year and we need everyone to help make it a top-notch event. There will be opportunities to volunteer to help for any of the 3 days, Friday evening, Saturday, and Sunday. In order to get 100%er credit, you need to volunteer or race (or both) one or more of those days. Look elsewhere in the newsletter and on the website for further details.

**April 6th is CTV's 44th Anniversary.** We will have a celebration cake at the April membership meeting.

In addition, on **Sunday, April 15th, the Annual Vines and Vettes Car Show** will take place at **Lost Oak Winery in Burleson**. Check the website calendar for more info.

Got any questions ?

## WEBMASTER

BBBBRRRRR – ok, it has been long enough, the COLD can GO AWAY NOW!!!

The latest event pages from events are posted, sharing the fun our members had participating in the Jim Jones Exhibit. I would like to thank Raley Smith & Mary Pittman for stepping up to provide us with photos for these events.

So – have you thought about stepping up to be Cowtown's Webmaster? A reminder that this will be my last year; it has been fun and rewarding however I feel that it is time for someone else to step in and take over. If you have an interest I would welcome you to contact me. I'll be more than willing to share what the position entails and what I've learned during my time as webmaster. When I redesigned our website last year, I did make several design changes that makes the site easier to maintain; along with switching things over at the end/beginning of each year. I am sure that someone in our club has an interest and possess more skills in this area than me ;)

**Social Media:** Do you have an interest for Social Media activities (Facebook in specific). If so, would you like to be on CTV's Social Media committee? For Facebook it is simple, when you post from a club or NCCC event, tag **Cowtown Vettes**; it is that simple. If **Cowtown Vettes** isn't on your friend list; send an invite.

We would also request special attention to what you post on social media; please DO NOT post photos of Vettes competing (at least racing) that might jeopardize the owner's insurance (i.e. sharing photos is fine – don't share ones with the license plate visible). For other aspects of the Social Media committee it involves scouring our website for faux pas, helping to set direction for the website and Facebook, and last but not least helping to shape our external communications / promotional documents.

**Photos:** We always welcome you to grab that

camera (or your smartphone) every time you head out with your Corvette. We can always use more and different styles / views of high-resolution photos for our website & newsletter. Please try to take your photos in the largest format and resolution that your camera and/or smartphone can capture. Hint: smartphone / tablet photos are typically marginal – unless you change the settings to the device's highest resolution. For any photo you provide, I take and resize them for use on the web along with the larger format for the Low-Down and the slideshows shared at our membership meetings. Your initials are added to the photos, to provide recognition to the photographer on each and every photo.

The club has a couple of dozen email distribution lists which are maintained by the webmaster. If you change your email address, mailing address, your Vettes, etc., please let membership know so that your information can be updated. If by chance you are not receiving the CTV-All emails then your correct email address must not be in the system; contact us. Send all email and mailing address updates to: [ctv-membership@yahoo.com](mailto:ctv-membership@yahoo.com).

NOTICE: When you are added to any distribution list, you will receive an email asking you to accept and join. You MUST accept it in order to be added to the distribution list; the invite (from yahoogroups) will time-out after several days, as well so don't delay.

In closing, please don't hesitate to shout if you have suggestions, questions or comments about YOUR Club's website, Facebook account or eMail distribution lists. Likewise if you find any pages that have issues or if there is something you would like to see or things you dislike. Remember, it is your website and it is Cowtown's image on the world-wide-web and it needs to be the best it can be.

*Doug McMahan*  
 Webmaster  
[macsvettes@gmail.com](mailto:macsvettes@gmail.com)

Webster lists one of the definitions of cruising as “to move or proceed speedily, smoothly, or effortlessly”. That pretty much says it all about traveling around in a Corvette. It is definitely speedy, smooth as silk and with that much horsepower basically effortless.....and oh, so much fun!

The CTV Cruiser Program was designed to encourage our members to get out and enjoy driving their cars either individually or in a group with a little friendly competition thrown in, collecting those cruiser points, to make it more interesting. A great way to boost that cruiser point total is by including historic markers in the categories in which they are allowed. The marker should include the name of the city, county or state that you wish to use if for. You can make your trip down the road not just a cruise, but also a history lesson. There are apps or websites to help you locate the markers when planning your cruises or you can just enjoy happening upon them. Also, county courthouses tend to be a bonanza of points with the county name, sometimes the city name, historical markers and veterans memorials. It still isn't too late to start! The 2018 Cruiser logo, rules and log sheets are available from the Cruiser Chairpersons, William Nolan or Mary Pittman. Daylight savings time kicks back in on March 11, giving that extra hour of daylight each day and hopefully it will be warmer by then, so get out and enjoy!

The Geyers have a cruise in the making for the first part of April heading west through several counties including stops at county courthouses, historical sites, lunch and even a bit of shopping if you are interested. We'll keep you posted on the specifics as they become available and always remember you can check out the cruiser section on our great website for info. As mentioned before Becky Clark is looking into another combination 100%er/cruise with William Nolan for later in the year! If you would like to sponsor a cruise we would be happy to help you put your ideas together and get it organized.

Don't forget to be watching for a great photo op for your Corvette for the “What I Saw Along the Way” photo contest. The contest is open to anyone in the club and you do not have to participate in the cruiser program to enter. You don't have to be a fabulous photographer to stumble onto that stunning or unique location that will make for a great picture of your Cor-vette! Looking forward to seeing more great photos this year!

**HAPPY CRUISING!!**

## NCCC EVENTS

Our first event this year will be this month, Saturday March 24th, the Practice Autocross held at the Burleson High School parking lot. If you have not been to this location, it is a big open parking lot with very few things to watch out for and a great place to practice or learn what you can do in your Corvette. Please consider coming out as there will be numerous club members present to either ride with or who would be willing to ride with you to show you the ropes.

I will have flyers at the March Membership Meeting for both the Practice Autocross and for our big event, the 22nd Annual Super Speedway Weekend, April 28th & 29th, 2018 at Texas Motors Speedway.

I will be passing around signup sheets for both

events and even if you choose not to run your Corvette, there is a lot of fun to be had working the events and watching members compete.

Our 2018 event dates are:

- Practice Autocross – March 24th, 2018
- TMS – April 28-29, 2018
- Fat Daddy's – June 2, 2018
- Joint Event w/CCT – September 15-16, 2018

A complete schedule and flyers for these events will be coming soon at [www.cowtownvettes.org](http://www.cowtownvettes.org).

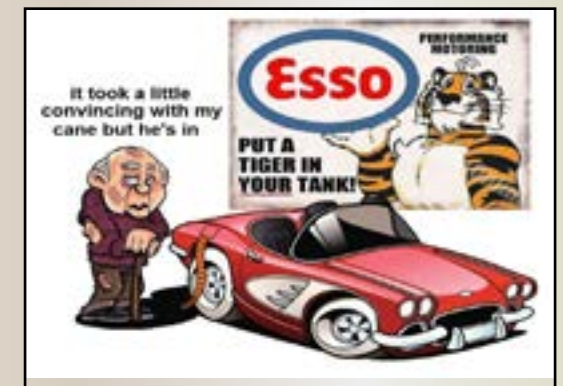

We continue to look for new locations to hold autocross events. If you know of a location that might work please contact me or Doug.

If you have questions around NCCC, our events or competing, please don't hesitate to contact me, Doug or your NCCC Governor – Glenda.

# NCCC GOVERNOR

Ok, enough of winter! I am a summer kind of person and want to see the heat come back to Texas! Not the hot, hot summer heat but sunny days and flip flops!

March and April are always busy months for Cowtown and Southwest Region. Competition starts up again and weekends fill up! March 10th is the Southwest Regional Banquet for 2017 in Blanco, TX and Cowtown looks to have good representation. Remember Cowtown is the #1 club in Southwest Region and we worked hard to accomplish that. Great job, Cowtown!

March the 17th and 18th 14 low-speed autocrosses in Waco at the Baylor Stadium parking lot, always a fun place to run. You can come watch and meet some new Corvette people if you aren't interested in competing. If you are interested in getting involved in autocrossing this is a great event.

The next weekend, March 24th, is our practice autocross at Burleson High School parking lot; small but gives our members a chance to try autocross without officially competing. There are seasoned competitors that will be on hand to help you. It also gives our members who help Cowtown host our events a chance to refresh our minds at what we need to do to put on our premier event at Texas

Motor Speedway; which is April 28th and 29th.

Save that weekend to help Cowtown; we will need workers and people to help put on this event! Come out to practice and test your car and your personal skills and get interested in competing and then come to Texas Motor Speedway, you never know this might be the last year we can host an event there and you might say I always wanted to run there but didn't. Don't be that person!

I am looking forward to a beautiful spring and a great time with Cowtown Vettes.

Remember plan on convention in New Orleans, LA June 15-20th. This will be a big week of parties and plenty of fun and fellowship.

**If you want your name added to your shirt, it's only \$3 more!**

**Or if you want a Cowtown logo or a certain year Corvette on one of your own shirts it's only \$5!**

We also have stickers, patches and koozies

So stop by the Logo table before and after the meeting to place your order. You'll get your order by the next meeting.

Thanks!  
*Donna Forsythe*  
Logo Merchandise Chairperson
