## FROM THE PRESIDENT'S DESK

Howdy Y'all!

As you'll shortly realize, this mis-sive is by proxy since I missed the editor's deadline.

On the assumption I was there, it was great to see and visit with so many of you at Vines and Vettes. A good turn out both people and cars. Congratulations to those of you who won something.

Unfortunately, the scribe of this wasn't there, so previous comments are a best guess.

Hopefully, I'll make the deadline next month!

see y'all soon!

## VICE PRESIDENT'S REPORT

### May

There will be two opportunities in May to qualify as 100%ers. The first will be the **National Kidney Foundation walk on May 5th at Levitt Pavilion in Arlington, 100 W. Abrams St.** You can logon to the CTV website and click on the NKF logo to join Team Corvettes for NKF. There is no registration fee. However, each registrant is asked to fundraise. Normally, after the walk, members go to have brunch together. If you have questions you can call or text **Sylvia Holdridge at 817-846-9478.**

The second 100%er will be on May 19th which will be a cruise led by William Nolan and Mary Pittman to the **Revolver Brewery in Granbury.** There you can enjoy live music while visiting with fellow members. You will be able to bring in food and drink but no alcohol. There will also be food available for purchase. The cost is \$10.00 per person whether you intend to drink the beer or not. The ten dollars entitles you to four beers and a souvenir glass. The 100%er event will end at 3:00, when the brewery closes. The cruise will begin at **11:30 am from 2750 Wilshire Blvd. (Texas Health Resource) in Burleson, rain or shine.**

### JUNE

The 100%er event for June is the **7th Annual Spring Scramble at Fat Daddy's Sports and Spirits Café, 781 West Debbie Lane, Mansfield, TX.** The date is **June 2nd.** It starts with a Car Show at 10 AM. While the car show is going on, you can participate in the funkhana. The last events of the day are two rallies, run simultaneously. More information on the Spring Scramble and registration info is available elsewhere in the newsletter and on the website. Lunch is not included, but Fat Daddy's will be open during the event for your dining pleasure. In order to get 100%er credit, you must participate as a volunteer or an entrant in one or more events. These events are a lot of fun, so plan to come out and participate.

## WEBMASTER

The latest event pages from events are posted. Those share the fun our members working the TMS Professional Races, The first Cruise heading out West, the Vettes & Vines Corvette Show, and a Low-Speed Autocross event at TSTC / Airport in Waco. Don't forget your camera! Thanks to Richard Downing for the great photos from the autocross. Thanks to Larry Currey for photos that added to our photos for these event pages.

Do you have something Corvette related you want to buy or sell? If so, don't forget the Classifieds page on our website.

**Photos:** We always welcome you to grab that camera (or your smartphone) every time you head out with your Corvette. We can always use more and different styles / views of **high-resolution photos** for our website & newsletter. Please try to take your photos in the largest format and resolution that your camera and/or smartphone can capture. Hint: smartphone / tablet photos are typically marginal – unless you change the settings to the device's highest resolution. For any photo you provide, I take and resize them for use on the web along with the larger format for the Low-Down and the slideshows shared at our membership meetings. Your initials are added to the photos, to provide recognition to the photographer on each and every photo.

**Social Media:** Do you have an interest for Social Media activities (Facebook in particular). If so, would you like to be on CTV's Social Media committee? For Facebook it is simple, when you post from a club's or NCCC event, tag **Cowtown Vettes**; it is that simple. If Cowtown Vettes isn't on your friend list; send an invite. We would also request special attention to what you post on social media; please **DO NOT** post photos of Vettes competing (at least racing) that might jeopardize the owner's

insurance (i.e. sharing photos is fine – don't share ones with the license plate visible). For other aspects of the Social Media committee it involves scouring our website for faux pas, helping to set direction for the website and Facebook, and last but not least helping to shape our external communications / promotional documents.

The club has a couple of dozen **email distribution lists** which are maintained by the webmaster. If you change your email address, mailing address, your Vettes, etc., please let membership know so that your information can be updated. If by chance you are not receiving the CTV-All emails then your correct email address must not be in the system; contact us. Send all email and mailing address updates to: [ctv-membership@yahoogroups.com](mailto:ctv-membership@yahoogroups.com).

**NOTICE:** When you are added to any distribution list, you will receive an email asking you to accept and join. You **MUST** accept it in order to be added to the distribution list; the invite (from yahoogroups) will time-out after several days, as well so don't delay.

In closing, please don't hesitate to contact me if you have suggestions, questions or comments about YOUR Club's website, Facebook account or eMail distribution lists. Likewise if you find any pages that have issues or if there is something you would like to see or things you dislike. Remember, it is your website and it is Cowtown's image on the world-wide-web and it needs to be the best it can be.

## COWTOWN CRUISER

April showers have brought about an abundance of May flowers....the blue-bonnets have been stellar this year giving way to irises, roses and so much more. A wonderful time to take in the Dallas Arboretum, the Fort Worth Botanic Gardens or even a jaunt over to Mineral Wells to see Clark Gardens. Whatever your choice, it is a wonderful time of year to be out cruising around in your Corvette and a great opportunity to take the top off to enjoy the warmth and gentle breezes.

April also saw our first organized cruise of the year led by Robert and Cydnie Geyer. Twenty four cars, 45 people and 1 canine companion (Stretch Smith) headed out on Saturday morning, April 14 on our way to Granbury, Thurber, Strawn and Albany. Our first stop was at the courthouse square in Granbury. Most Texas courthouses have historical markers located on the property...hence a point for the county name and a extra point for the historical marker containing the county name! Another bonus at quite a few Texas county courthouses are veterans memorials...so we had an opportunity for multiple points at both the Hood and Shackelford county courthouses...throw in the monument at Thurber and a point for this being a club sponsored cruise...so they can add up in a hurry. We took advantage of the monument in Thurber for a photo shot of our cars and members. Lunch at Mary's in Strawn was a treat....known for their chicken fried steak which didn't disappoint...they also have a wide variety on their menu to please everyone. Seventeen cars continued on to Albany in Shackelford county for the second half of the cruise. You were on your own once we reached Albany. Some took advantage of visiting the car museum there while others did a little shopping, had ice cream at the soda fountain or visited the Old Jail Art Center and of course some of us had to get cruiser points. Despite the wind and somewhat cool temperatures it was a fun trip with something for everyone.

Our next scheduled cruise is one of the 100%er events for May. Becky Clark has planned an afternoon outing to Revolver Brewery in Acton (Granbury) on May 19 to be led by William Nolan. The drivers meeting will be at 11:15am at the parking lot of Texas Health Burleson, 2750 Wilshire, Burleson with plans to leave at 11:30am. Hopefully the plan is to change up the route a little bit from last year. You can bring

food and non alcoholic beverages if you desire. We will enjoy beer tastings, live music and just being able to visit with our Corvette friends. As always be sure to check out our website for the latest cruiser information.

Finally, remember to be watching for that interesting location to photograph your Corvette for the "What I Saw Along the Way" photo contest. You never know when that spontaneous moment might come along that you can capture on your camera or cell phone that is just perfect! Any club member can submit photographs for this contest you do not have to participate in the cruiser program to be eligible. Club members will vote for the winning photo at the November club meeting.

Unusually, for the second month in a row, Mr Hickman had nothing to say. I can only imagine he was busy playing with his big yellow **Tonka** truck....

- **Joint Event w/CCT – September 15-16, 2018**

A complete schedule and flyers for these events will be coming soon at [www.cowtownvettes.org](http://www.cowtownvettes.org).

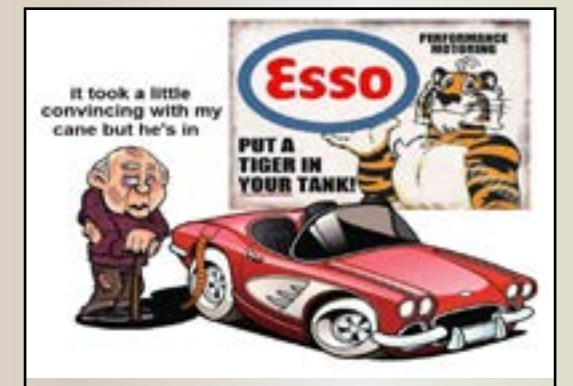

We continue to look for new locations to hold autocross events. If you know of a location that might work please contact me or Doug.

If you have questions around NCCC, our events or competing, please don't hesitate to contact me, Doug or your NCCC Governor – Glenda.

NCCC GOVERNOR

It's April and maybe spring is finally here! As I write this it is 45 degrees and the wind is blowing west Texas by us! So winter is trying to hang on but Texas heat will win in the end!

Cowtown as usual is a busy club! Our cruise to Albany was a big hit! People love to drive their Vettes and eat! It was a great day!

I hope everyone has received their new NCCC cards in the mail. If you have NOT, please let me know.

Autocross in Waco (at the airport) on April 21-22 back at TSTC (Texas State Technical College) and it was wonderful being back at the old location of CenTex. It is a big fairly open course and lots of fun for those competing. CenTex always puts on a good event and make all their competitors feel welcome. This is close to home so if you would like to try autocrossing check it out. For future events see the website. If you just want to cruise down and watch, you gain cruiser points for doing so; along with credit towards the NCCC Travel Award.

The last weekend of the month was our big event at Texas Motor Speedway and a super amount of work but a great successful weekend.

May will be busy as well. Doug and I have a National Meeting in St. Louis, we will miss the monthly membership meeting so you won't have to hear either of us talk. ;-)

The last weekend of the month is 7 low-speed auto-crosses at the Edmond Fire Academy in Oklahoma and 3 drag events in Noble, OK. Always a fun time!

Southwest Region Scholarship applications are due to Mary Anne Kolb by June 15th. The scholarship is open to you or a family member. See the website for details; or see me.

Let's party and have a great time in New Orleans for 59th National Convention July 15-20th. You can renew or make new Corvette friends. We all love our cars but the people keep us involved and having a blast.

SWR standings as of April 15th:

Men:

- Doug McMahan #1
- Doc Lambert #9
- Ronnie McCrary #10

Women:

- Glenda McMahan #1
- Kerrie Sutton #6
