## FROM THE PRESIDENT'S DESK

Hello Cowtown,

Well it has been a crazy Month with no meeting and the heat has been extreme.

It was good to see the great turnout for the 4th of July parade and I know several of our members are enjoying the NCCC convention.

This Month we have a lunch

scheduled at a local BBQ spot that I have heard is a good place to eat by members who have already been there. Look forward to it.

Have a great Month and as always please take care of yourself whatever you are enjoying because you matter.

**Happy Travels!**

## WEBMASTER

The latest event pages from events are posted; these share the fun our members had at the Drive Your Corvette to Work Lunch and 4th of July Parade. We hope that you all had a chance to attend one or more of these events.

In the next few weeks, you should find event pages of the fun our members had at the 59th Annual NCCC Convention in New Orleans very soon; going thru lots of photos. For those that didn't attend, you missed a lot of fun. Yes it was hot and humid and we worked a lot but it was great to spend time competing and visiting with our extended family!

**2019 CTV Officer / Board Elections** will be here before you know it. We encourage you to consider one of these positions. Governor nominations come up at the September Meeting and the other positions are at the October & November Meetings. If you aren't ready for an elected position, consider one of the volunteer positions as a chairperson (or co-chair).

**Photos:** Have you taken photos or videos at events that have not been shared on the website and/or Low-Down? If so, why not? Everyone has a different way in which they look at and experience things, that is part of what makes us unique; photography is no different. It does not have to be four+ dozen photos; it could be two or three that you think are just neat that you would like to share. It might just be one photo that you took on one of your own trips; members do like to see the fun others are having in their Corvettes, so do not hesitate to share. For any photo you provide, I do resize them for use on the web. I then use a larger sized photo to provide PJ for the Low-Down and

I use them in my slideshows, which are shared, at our membership meetings. Your initials are added to all your photos, providing you recognition as the photographer.

Don't Forget, gather your three photos for the "What you saw along the way" **Cruiser photo contest**. This contest takes place at the November Membership Meeting – it is a great venue to share your special photos taken while enjoying your Corvette. Talk to Mary or William (Cruiser chairpersons) if you have any questions.

Send all email and mailing address updates to: [ctv-membership@yahoogroups.com](mailto:ctv-membership@yahoogroups.com).

**NOTICE:** When you are added to any distribution list, you will receive an email asking you to accept and join. You **MUST** accept it in order to be added to the distribution list; the invite (from yahoogroups) will time-out after several days, as well so don't delay.

In closing, please don't hesitate to contact me if you have suggestions, questions or comments about **YOUR** Club's website, Facebook account or eMail distribution lists. Likewise if you find any pages that have issues or if there is something you would like to see or things you dislike. Remember, it is your website and it is Cowtown's image on the world-wide-web and it needs to be the best it can be.

## COWTOWN CRUISER

How can it possibly already be August!?!? The year is flying by and it is HOT!! Summer's heat came early this year and has been relentless. Despite the fact that the air conditioner works really well in our Corvette it still is not my favorite time of year for cruising, but who wants to sit at home, so crank up that air and go out for a ride there are still things to see and places to go.

Several of our members enjoyed their own cruises to and from the NCCC Convention in July to New Orleans, Louisiana sponsored by the Southwest Region. It was a great way to collect some of those out of state bonus points as well as points received for attending the convention itself. It was our first convention and an enjoyable experience.

There are about 3 and 1/2 months left to collect those cruiser points...I know that does not seem like much, but when you are starting with a clean slate it is easy to collect a bunch of points on your first time cruising around just our area. It has been mentioned that we maybe have not explained the cruiser program to the extent we should have. I think some times we forget that everyone hasn't been around forever. On the surface the program may look a little overwhelming, but it truly isn't. To me the easiest way to get a handle on it is to carefully read the rules sheet then ask specific questions on anything you might not understand in lieu of us trying to explain it all at once. The best way to stack up points is to either use historical markers on the categories they are allowed in and/or cruise out of state. It only takes 50 points for a bronze award....so get cruising.

If you aren't interested in collecting cruiser points, but you like to take pictures of your Corvette you can

still participate in the "What I Saw Along the Way" photo contest. Participants can submit **3 (4 x 6) photos** of their Corvette in a scenic or unique setting. The photo contest will take place at the monthly meeting on **November 2, 2018**. Photos for that will need to be turned in to the cruiser chairperson prior to the start of the meeting at 7:30pm. We had some great photos last year and look forward to seeing many more this year.

There are currently no scheduled cruises. Hopefully when the weather cools down a bit someone will step up and plan an outing for our group. Just let us know and we will get it on the schedule for you and help out in any other way necessary.

**HAPPY CRUISING!!**

## SPECIAL BIRTHDAY SURPRISE

On July 24, 2018 a group of us had the privilege of participating in a special birthday surprise for a young man named "Davis". His mother, Kathy, had contacted me last month to see if any of us might agree to let Davis see our car on his 14th birthday. She explained to me that he is a "down syndrome" young man and is just obsessed with Corvettes. Boy did our club step up to the plate!! There were 20 of us that dropped by their home with a total of 13 cars. Davis did not know we were coming and when I pulled into the driveway, the first thing out of his mouth was "open the hood".

Davis got multiple "rides" around the neighborhood as did his sisters and several neighborhood kids. After presenting Davis with gifts, he and his family and friends joined us for lunch at Kincaids where we sang HAPPY BIRTHDAY to him. While there, I spotted three uniformed Fort Worth Police officers who agreed to stop by our table to wish Davis a "Happy Birthday". They also gave him a FWPD badge for his shirt.

A very special thanks to the following participants:

Bill & Jane Buehler, Jan & Larry Dyer, Donna & Jim Forsythe, Mark Kirby, Fred Proctor, Carol Savage, Bob & Jo Smith, Jo Anne and Raley Smith, Tony Sokoloski, Dale & Kathy Thomson, Mike Toombs and last but certainly not least Rhonda & Steve Weible.

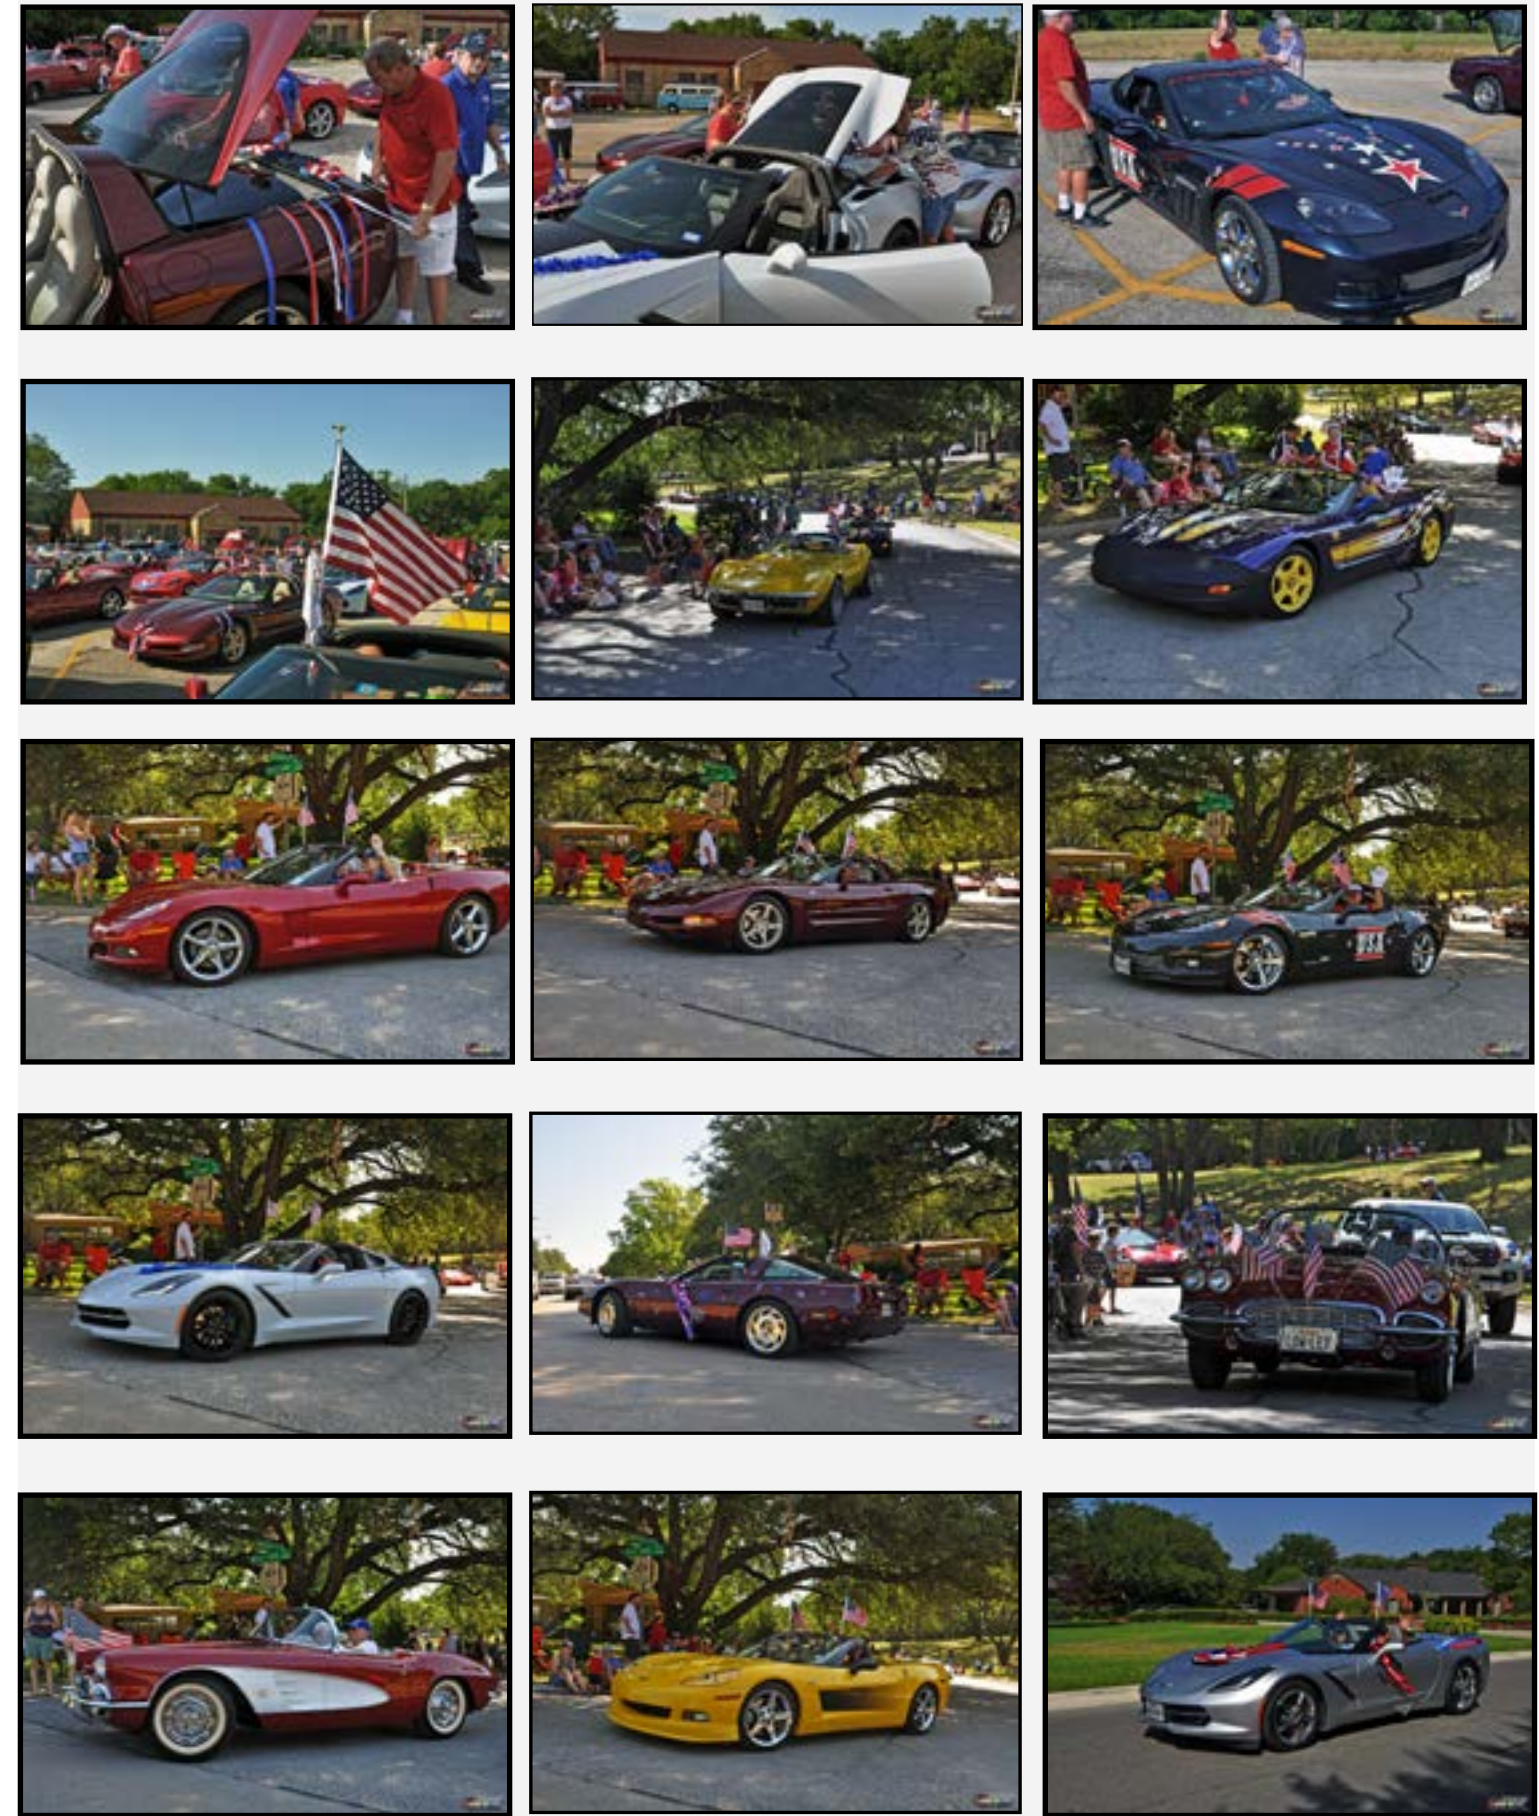

We are incredibly fortunate to have the ability to give back to our community in such special ways.

Thanks again to all.....

## NCCC GOVERNOR

Texas is HOT!

New Orleans was hot!

My guess it is summer in the south!

NCCC (National Council of Corvette Clubs) convention was a success! The Southwest Region did a great job of putting it on! We partied and ate good food. We competed in autocross, high speed track days, funkhana, valve cover racing, car shows and enjoyed the rain of New Orleans. All in all it was a great week but I am glad to be home where it is not sooo humid! See additional page in the newsletter for awards and who attended and who worked. August is a free month for NCCC events in the Southwest Region. So maybe by our event in September the heat will give us a break! Our event Sept. 15 & 16 is the next event. Plan on coming out and watching, working or participate in competing, it is always a fun time. September also has a 7 autocross / 3 drag event weekend in Waco at the airport along with Little River Dragway in Holland, TX. There is a SWR Governor's Meeting that Saturday, where we bid for our 2019 Event Weekends. The third event of September is a 14-event autocross weekend in Edmond, OK.

### SW Region / National standings are as follows:

Men:

- Doug McMahan #1 / #11
- Doc Lambert #5
- Norman Walker #7

Women:

- Glenda McMahan #1 / #7
- Kerrie Sutton #5
- Cowtown Vettes #1 / #3
