FROM THE PRESIDENT'S DESK

Hello Cowtown,

Where has this year gone to?

Well I hope you are enjoying yourself with this beautiful weather we have been experiencing. It's time for nominations for Governor as well as

Officers coming up. If you are thinking of a position please get with one of the present Officers and talk to him or her about it. The club is about all of us and new ideas are always welcome.

I hope to see you all soon and enjoy all the amazing things we have all been blessed with.

John Armes
President
armesgs@gmail.com

JOIN US TO REPRESENT COWTOWN at the 2018 BRCC Car Show

BRCC donates their NCCC Sanctions to Cowtown for the following competition year due to our participation in their annual car show.

Date: October 13, 2018

Location: Historic Granbury Square

Note: Cowtown has won the Club Participation Award for the last 7 years – let's keep it going!
Detail your Vette for this show & enter Cowtown's the week after!

We typically have a caravan that departs from **Cracker Barrel in Benbrook, located at I-20 & Winscott** watch for details in the next Low-Down & on the Website

VICE PRESIDENT'S REPORT

SEPTEMBER

Our 100%er event for September will be the **CTV Autocross Scramble and Southwest Region Fundraiser** on the **15th and 16th** at the **Mineral Wells Heliport**. Cowtown will be hosting the event on Saturday, so we are responsible for having all our volunteers in place on that day. SWR will host the event on Sunday and as members of SWR we ask Cowtown members to volunteer to work. And of course, you are welcome to race on either day. In order to get 100% credit, you will need to volunteer or race (or both) on either day. More info about the event is available on our website

OCTOBER

On **Saturday October 13th** the **Brazos River Corvette Club** will be holding their 13th annual corvette show on historic Granbury square. We hope everyone supports BRCC by entering their cars as they in turn support ours.

Saturday, October 20th will be **Cowtown's 17th annual Corvette show**. It will be held at **4921 Overton Ridge Blvd. (in the parking lot in front of Bed, Bath, and Beyond)**. This will be the October 100%er. This is a major event for Cowtown and everyone is encouraged invited to enter their cars. There is also a need for volunteers to help in a number of capacities. It's a chance to see some great cars and visit with some interesting people. Check the website and newsletter for additional details.

October 27th and 28th there will be a Southwest Region Fundraiser consisting of 14 autocrosses. The event will be held at the **Texas State Technical College in Waco, TX**. See the website for the flyer and more details.

The latest event pages from events are posted which share the fun our members had at Surprise Birthday Party for a youth, Volunteering at Cook Children's Christmas in July Party, and the 59th Annual NCCC Convention in New Orleans. For those that didn't attend, you missed a lot of fun. It was a bit hot and humid and we worked a lot however, it was great to spend time competing and visiting with our extended family!

The link to the [2019 NCCC Convention](https://corvettesnccc.org/2019Convention/Convention2019.html), (<https://corvettesnccc.org/2019Convention/Convention2019.html>) which will be held in the Denver, CO area. If you would like to know more about convention, the events, the parties, etc. please feel free to contact any of those, which attended; or myself.

2019 CTV Officer / Board Elections will be here starting next Membership Meeting; we encourage you to consider one of these positions. The Governor nominations come up at the September Meeting and the other positions are at the October & November Meetings. If you are not ready for an elected position, please consider stepping up for one of the volunteer positions; either as a chairperson (or co-chair).

Do not forget: gather your three photos for the "What you saw along the way" Cruiser photo contest. This contest takes place at the November Membership Meeting – popular vote. This is a great venue to share your special photos, which you took while enjoying your Corvette. Talk to Mary or William (Cruiser chairpersons) if you have any questions.

NOTICE: When you are added to any distribution list, you will receive an email asking you to accept and join. You **MUST** accept it in order to be added to the distribution list; the invite (from yahogroups) will time-out after several days, as well so don't delay.

In closing, please don't hesitate to contact me if you have suggestions, questions or comments about **YOUR** Club's website, Facebook account or eMail distribution lists. Likewise if you find any pages that have issues or if there is something you would like to see or things you dislike. Remember, it is your website and it is Cowtown's image on the world-wide-web and it needs to be the best it can be.

September, how can it possibly be September....this year is just flying by as is your opportunity to participate in the 2018 Cruiser Program.

There is still time to rack up some cruiser points for 2018. It only takes a little time and effort. August brought some significant rains to our area and cooled down the excessive temperatures we had been experiencing so things have greened back up a little bit and it has gotten more pleasant to be out and about. As always county seats can be a great location to get multiple points...possibly the city name, county name, with historical markers and usually a veterans memorial. So get out and enjoy a ride in your Corvette.

If you have any questions about accumulating or tabulating your cruiser points or how to document/display your photos, please don't hesitate to ask for assistance.

There are currently no scheduled cruises on the calendar, but Becky Clark and William Nolan are working on the possibility of a couple of "Drive and Dine" events before the end of the year. You are always welcome to plan and execute a cruise for the club to one of your favorite spots whether it be a scenic location or a great place to dine.

Don't forget about the "What I Saw Along the Way" photo contest. You do not have to participate in the cruiser program to participate in this contest. Each member can submit 3 photos (4 x 6) of your Corvette taken in an interesting or unusual setting that you saw along the way while you were out cruising. These photos must be turned in prior to the start of the November meeting and the winner is selected by popular vote.

For those of you collecting cruiser points please note that your completed log sheet must be turned in to the Cruiser Chairman by midnight, November 4, 2018 and the photos must be turned in by midnight, November 11, 2018.

Also, think about taking the opportunity to be the cruiser chairperson for next year. Change is good and it is time for someone with a new vision and new ideas to chair this function. Rumor has it that Doug and Glenda McMahan may be planning a cruise for next year and William Nolan might even be able to find another route to Revolver Brewery.....so there is a head start already!

HAPPY CRUISING!!

What I Learned at Corvette Convention as a “Newbie”

In July 2018 we had the opportunity to attend our first NCCC National Convention which was held in New Orleans, Louisiana. To say it was in New Orleans was a bit of a misnomer since we were over in Metairie, Louisiana which is a \$25 to \$30 dollar cab ride to the French Quarter from where we were.....however, after just a little time in the French Quarter, being over in Metairie didn't seem too bad....lots less crazies than on Bourbon Street.

The first 2 & 1/2 days we were there were taken up with some of the chores and prep work of being part of the Southwest Region which were the hosts of this event....stuffing goodie bags (not a job I would necessarily assign to a group of guys again)..beer is better I am told...arrivals and parking (some of those rigs are really, really big) and finally registration. Obviously my “newbie” status as evidenced by the gold badge (to everyone else's white one) was the reason I did not readily recognize Dave Heinemann, the president of NCCC...he was relatively “cool” about my lack of intelligence, thank goodness. William helped facilitate parking and drove a golf cart to and from the parking area assisting people with their bags, etc. with 90 degree temperatures and 90% humidity, it was a treat not to have to walk from the parking area toting all those bags....he made lots of friends.

One of the first things I learned was that Corvette owners/lovers come in all age groups, shapes and sizes, and physical abilities....all in all though it was a predominately over 50 crowd, cause let's face it a Corvette is expensive and definitely not a family car....no, you can no longer get away with propping up that child on the console or stuffing them in the back end....just saying!

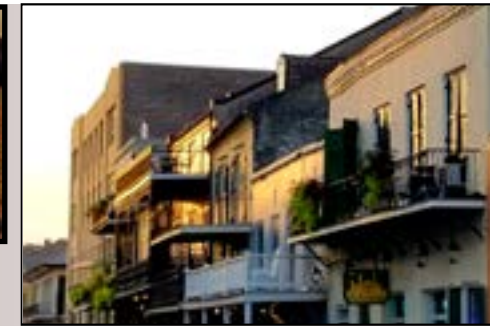

The cars were all the same make and model....Chevrolet and Corvette, but from there the differences were phenomenal....C1 to C7's in every imaginable color, more horsepower than anyone could possibly need and so much more. The prettiest car I saw (which I heard aptly described as “sexy”) was a brand new orange ZR 1 with carbon fiber accents inside and out, orange seat belts and orange stitching on black race seats and with a gigantic carbon fiber “wing” on the back end....does it get any better than that?? I had to work really hard not to drool on that one.

Our schedule for the week was packed full of activities and events....parties and racing, racing and parties...throw in car shows, a cooking class, several tours of the area and a trip to the French Quarter for a bar tour, yes, a bar tour...and rain and more rain....did I tell you it rains in Louisiana a lot?! Racing covered the gamut from drags, low speed autocross, a high speed event, go karts and valve cover racing. The drags escaped the rain, but other circumstances delayed the finish of that event until after midnight...the second half of both the low speed autocross and the high speed event were plagued with torrential rains which may have dampened the track, but not the racers spirits. Workers tended to look a bit like drowned rats, but no one seemed to mind. Thanks to Doug and Glenda McMahan for bringing extra valve cover racers that they offered to anyone that wanted to use them....so William and I took them up on that offer....did you know that the racers with the fancy disc wheels don't run very well outside on pavement....who knew this was an inside and outside event...the most fun part was that William won an award for his efforts. Now I am looking to get my own valve cover racer....

The last evening event was the Grand Masquerade Mardi Gras Party & Gala with everyone sporting their Mardi Gras costumes, feather boas, masks and beads...beads and more beads and if you didn't have enough beads Barb Greenfeder could give you some more.

All in all, it was a busy, fun week...an opportunity to meet some really nice people that love Corvettes as well as a chance to get better acquainted with some folks from our region and our club.

NCCC GOVERNOR

September is the beginning of the last of NCCC (National Council of Corvette Clubs) events for the year. After a break in July and August, we will wrap up the year in September and October. They are a busy two months with almost all weekends full of events. I will probably not be at any of the membership meetings until December. I will miss seeing your smiling faces but I also love to compete so that is what I will be doing!

With this said we will start membership renewals for Cowtown for 2019 and I won't be at the meetings. I will have someone taking membership dues but it would be best to mail them to me and you won't miss anything this great club offers! The RENEWAL FORM is on the home page of the Cowtown website that includes my mailing address. I look forward to getting a lot of checks in the mail made out to Cowtown Vettes.

Our joint autocross event in Mineral Wells is Sept. 15-16th and Cowtown needs your help to make this another successful profitable event. Saturday is our only day but we will welcome workers for Sunday which is a fundraiser for the Southwest Region. We have several that have volunteered but corner workers are always needed.

September 22-23 is a fun competition event in Waco at the TSTC airport, not even all the way into Waco, so if you are looking for a fun thing to do drive down and watch or take part. Saturday night is our 3rd Southwest Region Governors meeting @ El Conquistador Mexican restaurant. That Sunday is drag racing in Holland, TX, at Little River Dragway. Then on to Oklahoma 9/29-30th at the Edmond

Fire Academy. Looking forward to it being cooler by then!
I am missing a lot of high school football due to competition weekends!

SWR Top 10 Standings are as follows: (same as last month since there has not been any events) - :

Men:

- Doug McMahan #1 / #15
- Doc Lambert #5
- Norman Walker #7

Women:

- Glenda McMahan #1 / #8
- Kerrie Sutton #5
- Cowtown Vettes #1 / #5

Come to Mineral Wells to see me and bring me your renewal!

SAVE THE WAVE!
