FROM THE PRESIDENT'S DESK

Hello Cowtown,

Well it's been a crazy Month of weather but it didn't hamper many of our events which is a good thing.

October is a very busy month for our club as we have several events coming up in supporting other clubs as well as our own. I hope that you all will show out in force to celebrate this great club with some amazing members. This month is especially important as you have the opportunity to nominate and or elect your Officers and Board Members. It is very important to keep fresh ideas in any club and that can only be accomplished when others get involved.

Please consider someone or even yourself for one of these positions. It has been a honor for me to be your President these last two years and I truly appreciate all the kindness that you have shown me. I thank you again for your support as I have done what I can to make this an enjoyable club and having fun while being your President. I hope you all enjoyed it as well. A special thanks to my Board , Officers, and Chair & Co-Chair's for making this past year the best.

On behalf of my wife Cory and myself, Thank You & God Bless!!

John Armes

At the time of this writing, your website is up to date. We do have events taking place every weekend so there will be new pages with coverage of these events weekly.

Please do not forget our Classifieds page when you are looking to buy or sell Corvettes or parts. We also have a section for Member Discounts and Member Sites which enables members to showcase their business / talents. Most importantly, don't forget our Bruce Lowrie page; it provides a flyer with their latest specials, contact information for our Club's Rep in Sales, Service and Parts, etc.

2019 CTV Officer / Board Elections will be here starting next Membership Meeting; we encourage you to consider one of these positions. There is no better way to enjoy the club and to be part of the solution than to step up and get involved. The officer position nominations will be submitted on a paper ballot at the October Meeting. You would have one more chance at the November meeting to nominate members from the floor. If nominated and accepted, you can post your BIO on the website for the members to see your passion & qualifications; a place to showcase why they should vote for you.

Do not forget: gather your three photos for the "What you saw along the way" [Cruiser photo contest](#). This contest takes place at the November Membership Meeting – it is a great venue to share your special photos taken while enjoying your Corvette. Talk to Mary or William (Cruiser chairpersons) if you have any questions.

Have you moved or changed your email address?

If so, then please send an updates request to:

ctv-membership@yahoo.com.

NOTICE: When you are added to any distribution list, you will receive an email asking you to accept and join. You **MUST** accept it in order to be added to the distribution list; the invite (from yahoo.com) will time-out after several days, as well so don't delay.

In closing, please don't hesitate to contact me if you have suggestions, questions or comments about **YOUR** Club's website, Facebook account or eMail distribution lists. Likewise if you find any pages that have issues or if there is something you would like to see or things you dislike. Remember, it is your website and it is Cowtown's image on the world-wide-web and it needs to be the best it can be.

This is the time of year when not only do the days start getting shorter, but also my articles do as well!!

This is the last month to accumulate points for the 2018 Cowtown Cruiser Program. It is that really great time of year when you can take the top off (of the car...Ed) and enjoy that feeling of just a little touch of crispness in the air and not so much of the heat beating down on your head!

It is also a great time of year to get out and take that "What I Saw Along the Way" photograph of your Corvette in a unique or interesting setting...maybe even catch a bit of fall foliage to add to the color. You do not have to participate in the Cruiser Program to submit photos for this contest. Each member is eligible to submit up to 3 photos in a 4 x 6 format. I know everyone probably has a great picture that they could turn in. The pictures will need to be turned in to the cruiser chairperson prior to the start of the November meeting on the 2nd. Please put your name on the back of each photograph. They will be displayed during the meeting and members can vote on their favorite photo. The votes will be tallied and awards for 1st, 2nd and 3rd place will be presented in December.

For the Cruiser Program, the points sheet must be completed and submitted to the cruiser chairperson by midnight, Sunday, November 4, 2018 with the photos due by midnight, Sunday, November 11, 2018. Photos may be submitted in a photo album or scrapbook form or digitally on a CD or thumb drive or via DropBox arranged by category/location and labeled as such. For specific questions you can refer to the website or direct your questions to the cruiser chairperson. Awards for 1st, 2nd, and 3rd place as well as gold, silver and bronze awards will be presented in December.

There are currently no cruises scheduled, but Becky Clark and William Nolan are working on

a Drive and Dine event to Loco Coyote when the weather cools off a bit. Also, in the plan is a caravan of cars down to Granbury for the Brazos River Corvette Club's Annual Car Show on October 13, 2018. Watch for detail on the website.

Hopefully someone is considering taking the opportunity to be the Cruiser Chairperson for 2019....new ideas make more fun for everyone!

KEEP CRUISING!!

FIND YOUR CLIQUE ... ummm, I MEAN "FIT"

So, you bought a Corvette and now you've attended at least one membership meeting of Cowtown Vettes (CTV) and decided to become a member! NOW WHAT?

If a membership meeting is all you've experienced, then you've just scratched the surface of what CTV is about; you probably heard a parade of people get up and speak about "goings-on" in CTV. If you're like most who first join you didn't have a clue about what they were saying because they used a lot of jargon like NCCC, TMS, Southwest Region and cruising and wondered what Carnival Cruise Lines has to do with a Corvette club.

Actually, the membership meeting is our monthly business meeting held as mandated by our By-Laws. Try as we might, we've yet to find a way to make it exciting or to make it a place where a lot of socializing can occur. Consequently, we schedule various events designed to help members learn about and enjoy their Corvettes and share camaraderie with other Corvette owners. Throughout the year we hold car shows, rallies, backroad drives (i.e., cruises) to varied locations, autocrosses (timed speed contests through challenging courses) and/or just meet and eat with members at local restaurants.

Now you're wondering "how do I find my fit?"

Easy, we encourage you to try all of what we offer. Attend an autocross or, better yet, help us put on the event by working at one of the many jobs that is required to hold an autocross. Even better than that, enter your Corvette and learn how to experience the power and handling of your Corvette. Enter a club car show or our mid-year Scramble event. Go on a cruise with us – it's impressive to see 25 to 30 or more Corvettes winding through the back roads of Texas and ending up at an interesting venue. We like to eat and regularly find a good, moderately priced restaurant where we meet for food and socializing. You're welcome at any of these.

Finding your fit is up to **you**. Try it all. We're confident we offer something you'll like. And we know you have something to offer us. Everyone brings a skill or unique perspective that we will benefit from. Give us a fighting chance. We want you to be an active, contributing member of CTV.

Raley Smith

The 100%er award was first conceived to encourage participation in the activities of the club and engage new members. Over the last several years, examination of the award winners reveals that the awards usually go to the same handful of people and not many new members have become active in the club solely because of the award.

To encourage more participation, the following changes are proposed to the awards program. This program, if approved, will replace the 100%er award and the Outstanding Male and Female member awards and will be the vehicle to determine the Rookie of the Year award.

The program will reward members for attendance at any CTV sponsored event - meetings, socials, cruises, and charity events - as well as revenue-generating events such as the TMS autocross, Mineral Wells autocross, Spring Scramble, and Car Show. There will be additional points for volunteering or entering one of the revenue-generating events as well as entering or volunteering at other NCCC events. Points will also be awarded for volunteer-

ing at the national races at Texas Motor Speedway which generates track dollars for the club. There will be a sign in sheet at all CTV Sponsored events. Proof of Attendance at other NCCC events (OKC, Waco, etc.) is the responsibility of the CTV member and must be turned in to the person keeping the points record.

Additional points will be awarded for volunteering to be a Committee chair, co-chair or committee member. There will also be points awarded for attending the NCCC National Convention.

Recognition will be given to all members who reach 150 points. Additional awards will be given to those who attain 250 points. The top 10 members who have the most points will be awarded as will the Rookie* with the highest number of points.

**A rookie is a member in his/her first full year of membership. In January every year, the Membership chair identifies all members who have joined in the previous year. These are identified as Rookies.*

THE 6TH NATIONAL CORVETTE CARAVAN IS SLATED FOR AUGUST 28-31, 2019.

Often referred to as the world's largest moving automotive event, the National Corvette Caravan is a celebration of America's Sports Car, culminating in Bowling Green, Kentucky for the anniversary celebration of the National Corvette Museum. Hosted only once every five years, the next event is slated for Labor Day Weekend 2019 and will mark the Museum's 25th Anniversary. Leading the charge will be Jeffrey Duda of Hainesport, NJ, a Lifetime Member of the Museum and previous co-captain of the New Jersey 2014 and 2009 Caravans.

Regional caravans will form and join other caravans as they travel across the United States to meet in Bowling Green, Kentucky for four days of festivities at the National Corvette Museum. An event such as this requires years of planning and coordinating. All help is appreciated!

Registration is now open.

For those interested in joining the caravan to the Corvette Museum there is a Facebook account set up for the Central Texas caravan by Shawn Jones who will be leading us to Bowling Green:

(<https://www.facebook.com/groups/CentralTexas-CorvetteCaravan>)

MUSEUM HAPPENINGS:

Vette City Motorcycle Music Fest @ National Corvette Museum

Oct 12 – Oct 13 all-day There will be 14 bands playing including Friday nights headliner Gretchen Wilson and Saturday night they will have Bret Michaels. Other notables include the Kentucky Headhunters, Pat Travers, David Lee Murphy, The Georgia Satellites, Lita Ford and Foghat.

Military Appreciation Month @ National Corvette Museum

Each November the National Corvette Museum "salutes" members of the American armed forces as well as police and firefighters by offering complimentary admission to them and immediate accompanying family. Just show proof of service at our admissions

counter to receive the offer – with our gratitude.

Vette City Motorcycle Music Fest
(<https://vettcitymotorcyclemusicfest.com>)

The Daily News has rented the NCM to present the Vette City Motorcycle Music Fest Oct 12-13. Questions concerning admittance have arose and we would like to clarify museum access for members...

All Museum members and guests that indicate that they are there only to visit the NCM will be allowed to tour the museum at no charge courtesy of the Daily News.

Members will have to enter and exit through the Cafe side of the NCM.

Once you have completed the tour, you can leave the NCM from the cafe side or purchase a Vette City Motorcycle Music Fest wristband and enter the grounds with the other paying customers.

The Daily News will provide a limited number of parking spaces in Lot C (the parking lot to the left of the circle on the cafe side) for members that would like to only tour the NCM on Oct. 12-13 during normal NCM business hours.

When that lot is filled, all guests will have to park on the grass parking/RV overflow lot, or any adjacent lot with availability.

If you have any questions, please let us know.

Our one remaining 2018 event was the **CTV Autocross and Southwest Region Fundraiser** held **September 15-16, 2018 at the Mineral Wells Airport**. We had 38 racers Saturday and 31 Sunday. We had several new members come out to work and on behalf of the club, I thank you very much. Additionally, I again thank all members who come out either to race or work. We could not put on these events without the club's support.

The temperature was not in the upper 70s as I had promised but it did not rain on us either. A much better race than the event we had last November at Mineral Wells

There has been an additional NCCC Event added, **SWR Fundraiser – October 27-28, 2018 at Waco, Texas**. This will be 14 low-speed autocross events and the events held in Waco are always well managed and a lot of fun to participate in. I hope you will consider coming out to participate, work, or just watch.

A complete schedule and flyers for these events will be coming soon at www.cowtownvettes.org.

We continue to look for new locations to hold autocross events. If you know of a location that might work please contact me or Doug.

If you have questions around NCCC, our events or competing, please don't hesitate to contact me, Doug or your NCCC Governor – Glenda.

NCCC GOVERNOR

THANK YOU! for giving me the opportunity to continue to serve as your governor again in 2019. I will continue to do the job to the best of my ability. If you have any questions about National Council of Corvettes Club, the rulebook for competition or events coming up, please let me know. If I do not have the answer, I will find someone that does.

It is RENEWAL TIME AGAIN!! I may or may not be at October meeting but if I am not I will have someone there to collect your dues for 2019. Anyone who has joined since the August membership meeting I am holding your check and you will not have to pay dues again for next year. You want to continue your membership because Cowtown offers something for everyone. We are a great club and you will find something you like! I want to encourage anyone, new or old members to get involved in some aspect of this club and you will reap the rewards! Come to a Board Meeting and learn how decisions about what and how we do things are made. You as a member will respect what the Board does for this club, and might want to become a board member. It is rewarding!

Dues are payable to Cowtown Vettes and can be delivered at the membership meeting in October or November; after November 15th there will be a late charge of \$10. Single members pay \$42, a couple \$62. If you do not pay at a meeting, please mail it to my address on the renewal form which is found on the Cowtown website.

Competition year is almost over and again Cowtown has been represented with pride by several members. Cowtown's joint venue with Corvette Club of Texas was a huge success in Mineral Wells and the Southwest Region will benefit from Sunday's event. Thank you, Cowtown for stepping up and helping this to be an enjoyable event.

There a only a couple of Southwest Region events left in October and then we are done for 2018! Oct. 20-21 is 7 low speed autocross event in Edmond followed by Sunday Drags at Thunder Valley Raceway in Noble, OK The following weekend is the last fundraiser for Southwest Region (Oct. 27-28th) in Waco at TSTC. It should be a fun time, come out and try your skill at autocross or just come

watch and visit with fellow corvette lovers! It is a great time!

The convention in New Orleans was very successful. The profit is somewhere over \$20,000. The National Council gets half of that and the Southwest Region will profit from the other half. Thank you for those that came and attended and a special thank you for those who worked to make this a good one for all who attended.

National Offices are up for re-election. There is only one opposed office, that being the President of NCCC. The Southwest Region will be represented by Bernyce Molenda. She will be running against Dale Samuelson. The other offices open but not opposed are Amelia Workman for VP of membership, Chris Reitz for Treasurer, Kathy Brisbois forParliamentarian, and John Cantelmo for Public Relations.
