FROM THE PRESIDENT'S DESK

It's summer time again, I would say it's time to take our Corvette's out of mothballs and start enjoying our toys. However, we have already had some great cruises and social events, and there are more in store. For our new and old members our socials are where we come together and enjoy being part of the Cow-town Vettes family.

I want to thank Bill Buehler for stepping up as the 2019 Car Show Chairman. He will need support from the membership to make this event a success.

The next Board meeting will be June 19th at 7:00pm at Buffalo West, and I welcome our members to attend and bring new ideas to the Board.

VICE PRESIDENT'S REPORT

LINES FROM LARRY

I want to thank all those who showed up for our **May** joint venture with the cruise guys to **Hico, Texas** where we visited the **Billy the Kid Museum**. Lunch was enjoyed at **The Chop House**, famous for their **Chicken Fried Steak** (however ALL of their food is excellent *Ed.*). After lunch some walked through town and visited the **Blue Star Trading** and the **Hico Mercantile**, and many went to the museum. After all that shopping, many stopped at the **Koffee Kup** for a piece of pie or visited the **Wiseman House** for some chocolate. I especially want to thank **William Nolan** who led a very adventuresome cruise and **Robert Geyer** who helped keep us all together.

Our June event is scheduled for **Saturday 15th** at the **Revolver Brewery** with a cruise led by **Robert Geyer**.

Don't forget to hold open **December 7th** for our annual **Christmas Party** to be held in the Stockyards.

WEBMASTER

The latest event pages are now posted and I apologize for the delay on the TMS Super Speedway Weekend. It shows how much fun our members had at the Event with the best of hundreds of pictures shot.

Thanks to Richard Downing for all the great action shots at the TMS Autocross and to Doug McMahan for the Awards Pictures and helping prep and sort lots of photos.

Please take time to view it on the Cowtown website and see what a terrific job our Club is doing.

The Hico cruise in May is posted and thanks to Robert Geyer for all the great pictures of that event and to Norman Walker for the interesting content he sent me.

Our club had a lot going on and has a lot more coming up, so be sure to visit the Home Page on the website for Events, Dates and Times, and even a Map link to help you get there.

Again, I am asking for pictures for the upcoming June events at Fat Daddy's since Vicki and I will be at our Grandkids High School Graduation in Pennsylvania that same weekend.

It is hard to make all the Events our Club has scheduled but there is always something for everyone in the Upcoming Events section on the Home Page.

Thanks again to all the Members for sending in pictures and comments about all our Club's Fun Events.

Visit www.cowtownvettes.org to see Events of the past and Upcoming Events for all our members.

COWTOWN CRUISER

"See the USA in your Chevrolet"

"A Corvette is the fastest way to go"

Can you believe it is June already!!! May rains have greened up the country sides and summer is upon us! Skies are blue, flowers are blooming and the temperature is still enjoyable. So get out and enjoy that Corvette before the Texas heat sets in. Check out your photo skills for cruiser points or a photo contest entry and of course, PJ is always looking for photos of your Corvette for the cover of the Low-Down.

It still isn't too late to participate in the cruiser program...try it. The first pass out yields the best results since none of your categories are filled up. Texas has the largest amount of historic markers of any state, commemorating a variety of locations and/or events at said location. Checking those out is a great way to learn a little more about the great state we live in. Also, if you are planning on attending the NCCC convention in Colorado in July, this would be a great opportunity to rack up some out of state cruiser bonus points.

About 20 cars enjoyed a cruise down to Hico, Texas on May 4th. Larry Dyer planned the trip to the Billy the Kid Museum and lunch at the Chop House Restaurant in the Midland Hotel. The group led by William Nolan enjoyed cruising some of the backroads of Hood and Somervell counties on the way to Hico. The rain cleared off in time for everyone to enjoy the drive as well as checking out the other interesting sites and shopping in Hico. Rumor has it that several enjoyed pie at the Koffee Kup.

Larry Dyer has a return cruise to Revolver Brewery in Granbury planned for June 15 so watch the website for info on that.

Mary Pittman is hoping to do a "pop up" cruise over to Clarke Gardens in Mineral Wells, Texas sometime in June to see the daylilies. The date will be contingent on when they start blooming. This will probably be a week day morning cruise for those who are available.

As always, don't forget the "What I Saw Along the Way" photo contest. Remember to photograph your Corvette in unique, interesting or scenic settings. The contest culminates in November with club voting. Each member is eligible to submit up to 3 photos (4 x 6) for this. You do not have to participate in the cruiser program to enter.

Be sure to watch the CTV website for up to date cruiser info and get cruising!!

As always if you have any questions about the cruiser program please do not hesitate to ask your cruiser co-chairpersons, **William Nolan** and **Robert Geyer**, or their able administrative staff, **Cydnie and Mary!**

CHARITIES

CookChildren's

At the May Cowtown Vettes Meeting, we were able to present a check for \$450 to Sylvia Hoaldrige for the National Kidney Walk as part of our approved Charity Program for 2019. I am sure Sylvia had planned to turn this in on the day of the walk as part of Cowtown Vettes participation but unfortunately, the walk was cancelled due to the weather. The monies will still be part of the donation that Sylvia provides for Cowtown Vettes.

Our next activity with the Charity Program will be our participation in the Tarrant Area Food Bank. This activity is planned for June 13 from 6-9 pm at the Food Bank, which is located at **2600 Cullen Street, Fort Worth, Texas 76107**. *Google Maps may tell you that you can travel north on Highway 199 (Henderson) to Cullen, but you are not able to do so due to construction so seek an alternate route.*

We will be working in Quality Control again so make sure that you wear closed toe shoes that cover the entire foot. Jeans, long shorts and t shirts are highly recommended. Short and midriff tops are NOT appropriate, so please control yourselves with your clothing choices!! Plan to arrive 10 minutes early. Parking is available in the lot surrounding the building. You are strongly encouraged to leave all personal belongings at home or in the trunk of your car.

Although the working time is set form 6-9 pm, we usually finish around 7:30 and go to the Mexican Inn near the location for dinner and some fellowship time.

We need 20-25 volunteers so I hope you will consider participating. Many of you are "regulars" with this activity and we welcome all volunteers.

Congratulations to Jane Buehler, who won the 50/50 raffle at the last meeting. She has been selling tickets for many years as the Charities Chairperson and now she has won one herself.

Our membership voted to support 6 different programs for 2019 based on accruing around \$300 per meeting on the 50/50 raffle. We are a little short of this goal as we have not sold \$300 this year, for various reasons, but I hope everyone will consider participating at future meetings.

Cowtown Vettes IS a Corvette club, not a charity program in itself. However, we have a long history of supporting local and national charities and I believe we can extend ourselves to help others who are not as fortunate. I can only speak for myself but there is a definite positive feeling that comes from helping others in need.

Thanks for your support!

Indianapolis 500

The 2019 Corvette Grand Sport will serve as the Official Pace Car for the 2019 Indianapolis 500 presented by Gainbridge, leading 33 drivers to the green flag on May 26 for the 103rd running of the legendary race. It marks the 16th time a Corvette has served as the Pace Car, starting in 1978, and the 30th time a Chevrolet has led the field dating back to 1948, when a 1948 Fleetmaster Six convertible paced the race. No other brand or vehicle has served as the 500 Pace Car more than Chevrolet and the Corvette, respectively.

Experimental Mid-Engine Corvette
Now on Display

The XP-897 GT was a mid-engine concept Corvette intended to be the future generation of Corvette that would have been introduced in 1976. GM installed the Wankel Rotary engine as they planned rotary engines to replace standard piston-in-cylinder engines in future models of GM vehicles.

NASA Exhibit Welcomes Another Astronaut Corvette

The Museum now has two of the three Apollo 15 astronaut Corvettes on display as part of the Gas Station to Space Station exhibit. The three astronauts (David Scott, Al Worden and James Irwin) decided as a group to be patriotic with their Corvettes, with one Mille Miglia Red, one Classic White, and one Bridgehampton Blue. On top of the colors each had a double stripe placed down the length of the car, just to the left of the center, with the other two colors of the American flag. Added to the display is David Scott's Bridgehampton Blue Corvette.

The event was a total success because of all of you who came out and volunteered. This was verified by all the positive comments made by numerous racers throughout the weekend. Overall the weather was perfect. Friday and Saturday were sunny and dry. We did have some rain Sunday morning while trying to get the oval laps in, but it stopped before starting Sunday's racing and stayed sunny the rest of the day. We had a total of 68 racers and 24 of them were CTV members (70 is the limit).

We had 3 Cowtown members win FTD awards for Saturday. They are as follows:

Glenda McMahan, Ladies' Group 1 with a 50.955
Doug McMahan, Men's Group 1 with a 49.404
Kevin Anthony, Men's 3RP with a 46.947. His time was also the overall fastest time Saturday.

We had out-of-region racers from Minnesota, Michigan, Iowa, and Illinois (Lady's #1 in the nation for 2018 Jan Gillespie). I would like to give a shout out to Bragg Trailers in Denton for helping the Illinois racers with the repairs to their trailer. They had a leaf spring break and that bent the axle and ruined 3 tires. Braggs replaced all 4 leaf springs, both axles and helped in locating 4 new tires and had them back on the road Monday by 4:00 that afternoon. They also wanted to say thanks for our club members who helped them out after our event.

If you couldn't make the TMS event, we will be doing the something at **Mineral Wells** in **September**.

June 8th will be our **7th annual Spring Scramble** at **Fat Daddy's** in **Mansfield**. This will consist of a car show, funkhana, and 2 rallyes run simultaneously (poker and gimmick). Registration will start at **9:00 a.m.** The car show will run from **10:00 a.m. until 12:00 p.m.** The funkhana will start at **10:30 a.m. and conclude at 1:00 p.m.** or until we all give up. We will have a short drivers' meeting at **1:00 p.m.** and then the first car will be out shortly thereafter.

The last event of the year will be the **Autocross Scramble** held in **Mineral Wells on September 21st and 22nd**. CTV will be hosting both Saturday and Sunday this year., and lunch for both days will be brought in from Subway. I am still working on a host hotel for this event.

As with all of our events, success is totally due to the club members' support.

NCCC GOVERNOR

Happy Birthday!

to the car we love so much, the **Corvette!** The first one rolled off the assembly line **June 30th 1953!**

May ended the month with a three day Memorial Day weekend event in Stroud, OK. It was fun filled and lots of autocrossing along with socializing with the Southwest Region members.

June 8th is Cowtown's Fat Daddy's event. This is a lot of fun and full of laughter. Come out and enjoy this social and try your skill at a funkhana and 2 rallyes, after a people's choice car show. After all the festivities there is a Southwest Region governor meeting, that anyone can attend.

San Jacinto Corvette Club's event is June 15th at the Houston Police Academy. This is a road course, smaller than Texas Motor Speedway but a road course with very little cones. This is a great place to try your skills!

June 22-23 is another car show, funkhana and rallye event. This will be the 4th of this kind of events.

This region is giving you something besides auto-crossing to take part in and to visit with old friends or make new ones. This will take place in Ardmore, OK. Sounds like a great time!

No events in July or August in the Southwest but you can attend convention July 7-12 in Denver, CO. where it should be cool and Colorado is always a beautiful place to vacation.

Southwest Region Scholarship applications are due for this region on June 15th. If you need info, please check out the website or see me.

However, each registrant is asked to fundraise. Please consider emailing your family, friends and co-workers for their help with donations and spreading awareness of the life-saving programs provided by the National Kidney Foundation.

The NKF leads the U.S. in awareness, prevention and treatment of kidney disease for thousands of health-care professionals, millions of patients and their families, as well tens of millions of Americans who are at risk.

Your support of the NKF will directly influence and positively impact the lives of those at risk for kidney disease, those living with chronic kidney disease and those who care for and about them. The KIDNEY WALK is the nation's largest walk to fight kidney disease. Held in nearly 100 communities, this Walk raises awareness and funds life-saving programs that educate and support patients, their families and those at risk.

WHY I WALK...

- *Kidney disease is a major public health issue. 1 in 3 American adults is at risk for kidney disease. 1 in 9 American adults has kidney disease--and most don't know it.*
- *High blood pressure and diabetes are the two leading causes of kidney disease.*
- *Of the 118,000 Americans on the waiting list for a life-saving organ transplant, more than 96,000 need a kidney. Fewer than 17,000 people receive one each year.*
