## FROM THE PRESIDENT'S DESK

The hot summer days are almost behind us, so it should be cooler for our NCCC Scramble Autocross event in Mineral Wells on the 21 and 22 of the month. This will be the Clubs second large fund raising event for the year. It is very important to have all of our members support.

At the September Membership Meeting we will be nominating your 2020 CTV Governor and in October the 2020 CTV Officer nominations. If you are thinking of running for a officer position, take a look at the Club bylaws guidelines.

The September Board meeting will be the 18th at 7:00pm at Buffalo West. I welcome our members to attend and bring new ideas to the Board.

Have a safe month.

## VICE PRESIDENT'S REPORT

### LINES FROM LARRY

Again, by the time you read this we have already experienced our August event which was the re-scheduled Cleburne Railroaders Baseball game. This time they played Sioux City. I think the predicted weather, HOT, kept some people anyway because I had some cancellations. Those of us who did show up enjoyed ourselves to a fun evening watching a great game.

For our September event I've already purchased 25 tickets for a Texas Rangers baseball game at Globe Life Park. This event will take place September 27th, a Friday evening game and the Rangers will be playing the New York Yankees. The game time is 7:05. We will be sitting in Section 245 row 5,6,7,8,9 seats 1-5. Pre-payment will be required with checks written out to Cowtown Vettes.

I won't be at the September Meeting because if all goes according to plan I along with a few other members will be visiting the Henry Ford Museum in Dearborn, MI. This is all part of our extended 25th Anniversary Caravan trip. Therefore I'm giving the sign up sheets to Don Wells for these events.

Don't forget to hold open **December 7th** for our annual **Christmas Party** to be held in the Stockyards. I have already sent around a sign-up sheet at the last meeting, so if you are planning on attending or think you might, signup at the next meeting or send me an e-mail letting me know.

Last month we learned how to read the latest issue of the LowDown on-line by clicking on **#1** on the home page.

The LO-Down is published on [cowtownvettes.org](http://cowtownvettes.org) around 10 days before the Club Meeting and a couple weeks before you get it in the mail.

This month we are going to look at **#2**, and use the UPCOMING EVENTS part of the home page. We have selected October as our month to look at.

The blue arrow points to the Events, Dates, Time, and Place. Click on that link and the Event Flyer or Info page will open up with all the details.

Newly added is the Month Link...click on the month pointed to by the red arrow and the Month Calendar for October will open showing everything scheduled for the month.

This allows for a quick glance on the home page at the main events scheduled for the month, and if you want to see what else is scheduled...just click on the Month and the entire monthly calendar is open.

These links make it easy to move back and forth inside the month without having to use a dropdown or another page.

Next notice the green balls which indicate that the event is not cancelled or postponed. A red ball denotes event cancelled due to weather, etc.

I hope this tip helps and answers some of the members questions and shows all the information that is just a click away on our site.

Please remember this is your website and we appreciate all the tips and questions you have. Again, thanks to all the members that have sent event pictures to me for use on the site.

Seriously, how can it possibly be September.... this year is certainly flying by...before you know it, it will be Christmas....I thought a person was supposed to have more time in retirement, but that just doesn't seem to be the case....August finally cranked up to the types of temperatures we normally see during our Texas summers, so hopefully September will bring the beginnings of fall and a bit of a cool down so you can get out and enjoy cruising around in your Corvette.

Believe it or not there is still time to collect cruiser points for 2019. It only takes a little time and effort. Fifty points are what is required to receive the Bronze award. As always, county seats can be a great location for multiple points....possibly the city name, county name with or without historical markers and usually a veterans memorial. Using a historical marker will add a bonus point. The photo requirements include 1) you, 2) an identifiable portion of your Corvette, 3) the Cruiser logo sign, 4) and the name of whatever category you are going for. So get out and enjoy a ride in your Corvette!! The cruiser log sheet will need to be turned into the cruiser chairpersons by the first Sunday in November with the photos being due the following Sunday. If you have any questions about accumulating or tabulating your cruiser points or how to document/display your photos, please don't hesitate to ask your cruiser chairpersons, William Nolan and Robert Geyer for assistance.

There is one cruise currently in the works for a trip to Cross Plains, Texas to Woody's Classic Car and Baseball Museum with a stop in Stephenville to enjoy some Hard Eight Barbeque on the way. Hopefully we will be able to find a time to work in this excursion, as it looks like a fun place.

Don't forget about the "What I Saw Along the Way" photo contest. You do not have to participate in the cruiser program to participate in this contest. Each member can submit 3 photos (4 x 6) of your Corvette taken in an interesting, unique or scenic setting that you saw along the way while you were cruising. These photos must be turned in prior to the start of the November membership meeting on the 1st. The winners are selected by popular vote.

Remember, anyone can plan and execute a cruise. The cruiser chairpersons are here to help however they can and get it on the calendar for you.... so show us that favorite curvy road, scenic area or maybe an off the beaten path stop you have found.

Get cruising!!!

As always if you have any questions about the cruiser program please do not hesitate to ask your cruiser co-chairpersons, or their able administrative staff, **Cydnie and Mary!**

Summer is slowing down and hopefully the heat, as well. Cowtown Vettes members, however, do not seem to let the heat be an issue for their involvement. We have had great support for the charity activities for the summer and hopefully, that will continue for the fall.

As mentioned previously at the last few meetings, we have worked at the Tarrant Area Food Bank in June and were able to enjoy the camaraderie and joy brought to children and families at Cook's Children's Hospital with their Christmas in July Party. Speaking for myself and other club members who were able to participate, both activities were gratifying and humbling to have a close-up view with those who are in need. So often, we take our abundance for granted. However, helping feed our "neighbors" is a wonderful way to share ourselves with others. The Cook's Children's Hospital experience was so rewarding as we were able to witness how this hospital opens its' arms to the children who have health issues and to their families as well.

Thanks to all of you who supported our August charity- Don't Forget to Feed Me Pet Food Bank. Kim and James West gathered the food, the coupons, and \$215 in monies. Kim bought more food and James delivered the food. The total weight of food purchased and shared was 800 pounds of pet food. Way to go Cowtown Vettes Members!!! We received a kind thank you stating that we were able to keep

*Debbie Lindsey*  
Charities Chairperson  
[debgind@aol.com](mailto:debgind@aol.com)

pets fed and with their loved ones at home.

I want to thank all of you who have helped me with the monthly raffles or at the venues. I am a "rookie" at this and appreciate the assistance and support.

We are 8 months into 2019 and we have been able to support approximately 1/3 of our charity budget. We still plan to continue our activity with the Food Bank with another night to help in November. We will also be going to Cook's Children's Hospital one more time. Our goal is to be able to support the other proposed charities- St. Jude's Children's Research Hospital, Toys for Tots and Fisher House.

Our financial support at the future club meetings and the October car show with the 50/50 raffles will determine how much we are able to help these programs.

I know Cowtown Vettes Members and I am feeling positive about their support of our programs. Thanks for all you do to help others.

MEMBERSHIP INVOLVEMENT AWARD POINTS

This year we are giving a new type of award for the members who are most involved with the club. Every Cowtown Vettes activity you attend results in points that are accumulated during the year. At the end of the year, there will be awards given for all members who have accumulated 150 points, additional awards for those accumulating 250 points, and special awards for the 10 members who accumulate the most points. To see the full schedule of points, refer to the Standing Rules section of the by-laws.

Please be sure you sign in at every event you attend. If you attend an out of town event and there is no sign-in sheet, please contact me so I can give you credit for attending. If you have any questions, feel free to contact me at [josmith619@gmail.com](mailto:josmith619@gmail.com)

The following schedule of points reflects all the members who currently have 150 or more points through August. To see the record of points for all members, please visit the website, [cowtownvettes.org](http://cowtownvettes.org).

We stay for the people*

Hello again everyone.

Nothing really new to talk about this month. Glenda is up in St Louis at the governors meeting working on our NCCC event dates for next year. I will have more on that next month.

The last NCCC event of the year for CTV will be the autocross scramble held in Mineral Wells September 21st and 22nd. CTV will be hosting both Saturday and Sunday this year (7 events each day). The lunches for workers and racers for both days will be brought in from Subway. We will be using

**Best Western Mineral Wells**  
**4410 HWY 180 East Mineral Wells, 76067**  
**(940) 325-2270**

as the host hotel. There is a block of 25 rooms with the cut-off of September 1st or when they sell out. A single king room or a room with 2 queen beds, is \$69.95. A room with 2 king beds is \$79.95, and the room with 3 queen beds (Party Room) is \$89.95. When you call, tell them you are with Cowtown Vettes in order to get the group rate for that weekend.

I will have a signup sheet at the September meetings for this event. If you will not be at the meeting but would like to work you can email me with your information.

## NCCC GOVERNOR

It is September and fall is not far off! That means it is renewal time again with Cowtown and NCCC. The form is on the internet and you can bring your dues to a meeting or you can

mail it to me at the address on the form. I will not be in attendance at the September meeting but will be there October and November. The deadline for renewals is November 15th, so you will want to renew as soon as possible to continue into 2020.

Autocrossing is getting back into full swing with the Cowtown event at Mineral Wells September 21st and 22nd. The weekend before is an event in Waco TX on Saturday 14th, followed on the 15th by a day of drag racing at Little River Dragway in Holland, TX.

There will be a governor's meeting at our event at the Best Western in Mineral Wells. Come out and help us put on this event and stay for the governor's meeting. You could be interested in becoming Cowtown's next governor. The job is easy and you get to know what makes the club, region and national organization run. I have learned a lot in the job and have made friends from all over the USA who love the Corvette and making NCCC a great group of people!

When you read this article I will be headed to St. Louis for the national meeting and to learn who is running for the open positions in NCCC. I will bring back info on who and what they plan for the next two years. I will ask that you give me your opinion of who we as a club should vote for these positions.

In October there will be two more autocross event weekends and then the season is over for competition!

Standings are as follows:

Men:

- *Larry Schaapveld # 2*
- *Kevin Anthony # 6*
- *Red Greenfeder #7*

Women:

- *Cathy Anthony #3*
- *Glenda McMahan #9*

# Kidney Walk

Raise Money to Fight Kidney Disease

**SAVE THE DATE**  
**Sunday, September 8**  
**Lone Star Park, Grand Prairie, TX**

Due to the recent storms that have plagued the DFW area for the last few weeks, the original 2019 Dallas-Fort Worth NKF Walk had to be cancelled. It has now been re-scheduled for 9/8/19 at Lone Star Park in Grand Prairie.

Click on the [NKF Walk](https://www.kidney.org/events/kidney-walk) website (https://www.kidney.org/events/kidney-walk) to obtain a map of the 5K and 1 Mile Walks.

While you are on the website, don't forget to register to Walk with us. Sign up as a member of **Team Corvettes for NKF**. There is no registration fee. However, each registrant is asked to fundraise. Please consider emailing your family, friends and co-workers for their help with donations and spreading awareness of the life-saving programs provided by the National Kidney Foundation.

The NKF leads the U.S. in awareness, prevention and treatment of kidney disease for thousands of health-care professionals, millions of patients and their families, as well tens of millions of Americans who are at risk.

Your support of the NKF will directly influence and positively impact the lives of those at risk for kidney disease, those living with chronic kidney disease and those who care for and about them. The KIDNEY WALK is the nation's largest walk to fight kidney disease. Held in nearly 100 communities, this Walk raises awareness and funds life-saving programs that educate and support patients, their families and those at risk.

## WHY I WALK...

- *Kidney disease is a major public health issue. 1 in 3 American adults is at risk for kidney disease. 1 in 9 American adults has kidney disease--and most don't know it.*
- *High blood pressure and diabetes are the two leading causes of kidney disease.*
- *Of the 118,000 Americans on the waiting list for a life-saving organ transplant, more than 96,000 need a kidney. Fewer than 17,000 people receive one each year.*

Join the members of Team Corvettes NKF (Jerry & Debbie Lindsey, Larry & Sylvia Hoaldrige, Mack Maxwell, Doug & Glenda McMahan, William & Mary Nolan, Carol Savage & Sharon Zschirnt).
