## FROM THE PRESIDENT'S DESK

Thank goodness summer is over and it is starting to cool down. We will have our 18th Annual Car Show on Saturday October 19th, and I'm looking forward seeing all of our members there.

I'd like to offer congratulations to Jerry Lindsey on becoming our 2020 NCCC Governor, and also to congratulate Rick and Doug for a successful NCCC Scramble Autocross event at Mineral Wells. Most of all I want to thank all members who came out and worked the event.

At the October Membership Meeting we will be nominating our 2020 CTV Officers and Board Members, so if you are thinking of running for a position, please take a look at the club bylaws guidelines.

The October Board meeting will be held at Buffalo West on the 16th at 7:00pm, and I welcome members to attend and bring us new ideas.

## VICE PRESIDENT'S REPORT

### LINES FROM LARRY

Well we're all back from our Caravan and Beyond travels. It was quite the educational experience. For those who have never been to the Gilmore Museum or the Henry Ford Museum I'd highly recommend it. In one weeks', time we saw 2 of the 48 Tuckers ever built. I've written a journal of our travels for Paul to put in the newsletter, hopefully he'll find the room.

Down to current business, our October event will be our annual car show October 19th with a rain date of October 26th. As usual we're hoping for full participation from the club making the work easier for all.

For November I'm looking into something special at AT&T Stadium. I just must work out some details and should be reporting on this at our next meeting.

And please don't forget about our annual Christmas Party to be held in the Stockyards on **December 7th**. So if you are planning on attending or think you might, signup at the next meeting or send me an e-mail letting me know. I'm getting ready to submit the final count for meals.

## COWTOWN CRUISER

October is here and the days are getting shorter and there is the hint of that wonderful cool and crispness in the air that comes with this time of year. It is also the last month to accumulate cruiser points for the 2019 Cruiser Program. This has been an exceptionally busy year for Cowtown Vettes which sometimes did not leave as much time for organized cruises and of course the Texas summer heat kind of puts a damper on being out and about also....there is still one cruise in the making to Woody's Classic Cars & Baseball Museum in Cross Plains probably in November which will be too late to count for points, but fun none the less....

October is Car Show month! Hopefully Doug McMahan will lead a caravan of participants down to Granbury for the 14th Annual Corvette Show sponsored by the Brazos River Corvette Club on October 12, 2019. It is always a nice car show and Cowtown generally wins the award for largest club participation. The square in Granbury is also a great place for cruiser points. Hopefully this year won't be a monsoon like it was last year. Then the following week-end is Cowtown Vettes 18th Annual Corvette Show. So make them pretty and bring them out.

For the Cruiser Program, the points sheet must be completed and turned in to one of the cruiser program chairpersons, William Nolan or Robert Geyer by Sunday, November 3, 2019 with the photos due one week later on Sunday, November 10, 2019. Photos may be submitted in a photo album or scrapbook form or digitally. They must be arranged by category/location and labeled as such. For specific questions you can refer to the website or direct your questions to the cruiser program chairpersons. Awards for 1st, 2nd and 3rd place as well as gold, silver and bronze awards will be presented in December.

Even if you are not chasing cruiser points you still have the opportunity to participate in the "What I Saw Along the Way" photo contest by submitting a photo of your Corvette in a scenic, interesting or unique setting. Each club member is eligible to submit up to 3 photos in a 4 x 6 or 3 x 5 format. Sometimes that spontaneous photo you snapped on your cell phone is just as interesting as some of the ones done with fancy equipment....Photos are due to the cruiser chairpersons prior to the start of the November meeting. Please put up your name on the back of each photo you turn in. The photos will be displayed during the meeting and members can vote on their favorite. Awards for 1st, 2nd and 3rd place will be presented in December.

Get cruising!!!

As always if you have any questions about the cruiser program please do not hesitate to ask your cruiser co-chairpersons, or their able administrative staff, **Cydnie and Mary!**

## NCCC GOVERNOR

First, let me thank Cowtown for the privilege of serving as the governor for 10 years. I have loved the job but it is time for someone else to get their time. Congratulations to Jerry Lindsey!

It is **RENEWAL TIME AGAIN!** Please mail your renewals to my home address. The renewal form is on the Cowtown website ... different than the membership form.

My trip to St. Louis the first part of September was full of NCCC news. The 2019 Convention is expected to make around \$20,000, half going to the club/region that hosted and half going to NCCC organization. A great job to the host of the convention, Denver Corvette Association! We were told about 2020 Convention in Indianapolis, Indiana, and presented with a bid for 2021 from East Ohio Region for the next convention in Cleveland. We were introduced to our new Future Corvette Owners Association (FCOA) director, Shannon Davis. He has a ton of ideas and will move us in a new direction. Remember you can sign your kids, grandkids, niece, nephew or any child you want to sponsor up for FCOA for \$10. as a member until they are 16 years old, a one-time fee.

We heard the new officer candidate speeches. All offices are unopposed except for VP of Competition.

- *Rita Robison for Secretary*
- *Jim Walton for Business Manager*
- *Debbie Schafer for Sergeant-at-Arms*
- *Joe Eller and Bill Docherty for VP of Competition*

I will need to hear from Cowtown members if you have an opinion of who we should vote for.

The competition rulebook will be voted on and a few by-laws typos and word corrections. You can read all of this on the [national website](#).

This year NCCC members have the opportunity to win a set of tires 2 more times. All you have to do to enter is go to

[corvettesnccc.org](http://corvettesnccc.org) page and fill out the form, make the check for \$25.00 ( if you make the check for \$100 your name will be entered 4 times) to St. Jude Children's Research Hospital. Drawings are at the national meetings November 9th 2019 (cut off date October 25th 2019), and February 22nd 2020 (cut off date February 10th 2020).

Our event at Mineral Wells is over and we had a good showing of workers and drivers. It was hot! Ask anybody that was there, summer seems to not want to end. As usual, Cowtown put on a successful event and fun was had by all. Following the autocross on Saturday the Southwest Region had a governor's meeting at the hotel and it was a long very productive meeting. All the bids for 2020 were presented with only a few conflicts. Check out the [Southwest Region website](#) for the 2020 schedule.

Cowtown's events will be as follows:

- **April 18-19th** : Cowtown's 24th annual Speedway Weekend at Texas Motor Speedway (not with Pate's Swap Meet)
- **June 13-14th** : 9th Annual Scramble with a car show, funkhana and 2 rallies
- **September 26-27th** : Autocross Scramble Weekend in Mineral Wells

The Southwest Region banquet will be March 7th, 2020 and will be held at the Texas Motor Speedway Condo Clubhouse, the host will be the regional officers. More to come on that in the near future, so you can plan to attend.

**Taylor Forsythe** was announced as a recipient of the Southwest Region Scholarship. Congratulations, Taylor!

The Southwest Region competition points standings, (not including the last two events):

Men:
