FROM THE PRESIDENT'S DESK

Merry Christmas and a Happy New Year

I want thank you all for a great 2019 year, we enjoyed the car shows, cruises, socials and our clubs NCCC events. We've had a very good year with our Charity Program at the membership meetings, TMS event and car show, and a special thanks goes out to Sylvia Hoaldrige and her hard work with the National Kidney Foundation.

It has been a honor to be your 2019 President and I am looking forward to serving again next year. I want to thank the board and committee chairs for their hard work and time spent to make our club a success.

Remember, this is your club, and without your support and participation at our socials, working our NCCC events and stepping up to become an officer, board member or committee chair our club would not continue to succeed.

The December board meeting will be on the 18th at 7:00pm at Buffalo West. I welcome all members to attend and bring new ideas to the board. Have a safe month.

Don Wells
President

president@cowtownvettes.org

VICE PRESIDENT'S REPORT

LINES FROM LARRY

Wow, the year is almost over, so hard to believe. Does anybody else feel the years are going by faster now that we're older? I thought once I retired time would drag but instead it seems to have accelerated.

We had a very good turnout at Funky Picnic and Brewery Café. It looked like everyone was enjoying themselves. The restaurant had us in a special section so we were all together and by ourselves. The food was very good and all the different beers I tried were excellent. Thanks to all who attended.

Our Christmas Party, something I've been working on for the last 11 months, is just about here. I hope everything goes as planned and those who attend have a good time. Please don't forget we are also doing our annual "Toys for Tots" toy collection that night so don't forget the kids.

Looking over the events from this past year I learned an important lesson; some of our more successful events involved either adult beverages or food. I'll try to remember that for next years' events.

Thank you for allowing me to be your Vice President this past year and for trusting me for next year.

My last thought for this newsletter is **Merry Christmas, Happy Holiday**, or whatever your belief to all. See you next year!

COWTOWN CRUISER

Really not sure where 2019 has gone, but the Cruiser Program for this year has officially ended. The awards will be presented at the Christmas party on December 7 at the Fort Worth Stock Yards. We only had 6 participants (3 couples) in the program this year which to my way of thinking is really sad. It is actually a fun way to participate in a club competition without being a racer...yes, it does take a little time, but it is fun to strategize how to make the most points...ie using historic markers, being out of state, or just searching down those obscurely named towns or counties to fill out your alphabetical listing. In 2014 we only cruised in Texas and still finished at the gold level. You can also find enough points in the area to qualify for an award. So hopefully more of you will consider participating next year.

Voting for the favorite photo from the "What I Saw Along the Way" photo contest was done at the November meeting. We had a record 32 great photos submitted. There were so many great photos submitted that I heard many comment that it was difficult to pick a favorite. The awards for first, second and third place photos will be presented at the Christmas party, also. Many thanks to all who submitted photos.

Thanks again to all who participated in either or both of these competitions. Special thanks to those who led cruises for the program this year. This included Robert and Cydnie Geyer who led the cruise up to the Horton Classic Car museum in Nocona and on to WinStar Casino and then also to the Revolver Brewery near Granbury later in the year, William Nolan who led the cruise to Hico and the Billy the Kid Museum, and David Gill who led the most recent cruise to Sugar Ridge Brewery near Ennis. Thanks also to Doug McMahan for leading the caravan down to Granbury for the Brazos River Corvette Club's annual car

show. It was a bit hard to work cruises in to our already busy club schedule so a big thanks to all these folks.

We have lots of new folks in our club...my best suggestion for how to become a part of the group is to find a place to "plug in". Do you want to race?? Do you just enjoy getting out and driving your car?? Are great restaurants, wineries or breweries your thing?? Chances are if any of these things tickle your fancy they do it for someone else also....find a friend and grow your "group"....the comments Larry Dyer made at the last meeting about getting involved and stepping up to the plate as an officer would also apply to getting involved in club activities....the more you are involved...the more fun you will have....and after all "it's a car club...it is supposed to be fun!

As always if you have any questions about the cruiser program please do not hesitate to ask your cruiser co-chairpersons, or their able administrative staff, **Cydnie and Mary!**

William Nolan
Cruiser Chairperson

Robert Geyer
Co-Chairperson

CHARITIES

Happy Holidays to all!!! We have likely feasted our way through Thanksgiving, have enjoyed the family and friend gatherings and are likely in the Christmas spirit. Jerry and I will have recently enjoyed the excitement and fun of keeping our 2-year-old grandson for 4 days and I hope we will still be standing when he leaves.

Thanks to all who attended the Tarrant Area Food Bank outing on November 17. We had a great turnout and enjoyed the experience of serving others. This program is well run and provides assistance to so many AND they are very appreciative of our help. Dinner at Mexican Inn provided a good ending for the evening.

Don't forget to bring your gift/gifts for Toys for Tots to the club meeting on December 6 or to the Christmas party on December 7th. We will have representatives from the USMC at the party and they will gladly take our gift donation as well as our financial donation from the club. You will not need to wrap the gifts that you bring. Our Marine Corps friends do a great job in distributing these to children across the metroplex so please show your holiday spirit by participating in this activity.

The last activity for the year will be our Cook's Children's Hospital Activity. The Volunteer list is full, but I will have a sign up sheet for substitutes if you are interested. PLEASE DO NOT SHOW UP AT COOK'S IF YOU HAVE NOT SIGNED UP AND BEEN APPROVED. All volunteers must go through a background check. I will

follow up with details for those who have signed up. I will also have a signature sheet at the meeting in December so if you are signed up to help, please see me.

With the help of the proceeds from the Cowtown Car Show in October, we should be able to meet our charity goals for the year and completely support the following- Cook's Children's Hospital, Tarrant Area Food Bank, Fisher House, Toys for Tots, the National Kidney Foundation, St. Jude's Children's Hospital and the "Don't Forget to Feed me Program." I can't thank Bill and Jane Buehler enough for hosting the event and including the 50/50 raffle in the activities. Thanks also to all who volunteered to help. Your assistance was so appreciated and your efforts have allowed us to fund all of the planned programs.

AND... to ALL of our club members who supported the 50/50 raffle at the club meetings this year as well as at the car show, thank you, thank you, thank you!!! YOU make the program and provide assistance to so many with your continued generosity. We have one more 50/50 raffle for the year so please come prepared to participate.

See you December 6th and/or 7th!!

CEMENTED IN HISTORY:

1954 'ENTOMBED' CORVETTE JOINS MUSEUM COLLECTION

It was 1954 and successful business man, Richard Sampson of Brunswick, Maine had just purchased a brand-new Corvette. After driving it for four years, he wanted to park it somewhere safe. Sampson was constructing new stores for his grocery chain and decided one of them would be the perfect structure to keep his car secure. A tomb was built inside the store – literally around his Corvette. Sampson specified in his will that the car was not to be taken out of the man-made 'time-capsule' until the year 2000. Although Sampson changed his wishes before he passed away in 1969, the car remained entombed for 27 years.

The story of the Corvette was not widely known until the early 1980s when a magazine article was published. In 1986, the building's new owner (who purchased the store in 1982) released the Corvette into the hands of Sampson's daughter Cynthia. Workers disassembled the tomb, brick-by-brick, for a spectacular reveal. Cynthia then took the car to her home in Daytona Beach, Florida where it remained in the middle of her living room for the next ten years. The car has changed hands a few times since then, but still has accumulated only 2,344 miles and remains in unrestored and original condition.

"The donors reached out to see if we would have an interest in the car," said Derek E. Moore, Director of Collections / Curator. "We talked a little about the significance of it, as well as keeping it in original condition. We know we want to recreate the tomb in some fashion, a diorama or vignette setting. We're excited to share this unique piece of history!"

The donors, who wish to remain anonymous, donated it to the National Corvette Museum to continue in the preservation of both the car and its amazing (and interesting!) story. Thank you to them and we can't wait to share it with visitors!

Merry Christmas

Complete schedule and flyers for these events can be found at
<http://www.ncccsregion.org/schedule.html>

NCCC GOVERNOR

The Holidays are upon us and instead of things slowing down for me, they are busier than ever. I hope everyone had a great Thanksgiving and will enjoy the Christmas season.

We will have our Christmas/Awards party the night after our membership meeting and we will all know who are the top competitors of Cowtown for NCCC events.

This will be my last article as the NCCC governor and I want to thank the members for a great 10 years serving this club. Please help Jerry Lindsey to enjoy this job as much as I have. I will be here to help him do the job in case he needs or wants my help. I will still be around!

Regular renewals are finished on my part. It is not too late for anyone that wants to continue their membership and has not yet paid their dues. I will still take your money and update the database. A great number of members have renewed, but as always we have lost a few for whatever reason. Mind you, if you are one of those we will always welcome you back at anytime.

Remember to check the Southwest Region website for future events and details on the scholarship!

Happy Holidays!

Glenda McMahan
NCCC Governor
glenda-gm@att.net

FOR SALE

1995 Corvette C4 Coupe

Lots of restoration work completed. The car is in good condition and runs and drives great. Has quite high mileage, but just about everything has been rebuilt or replaced. I have over \$12,000 in the car, but being realistic I'm asking **\$6750** OBO
