## FROM THE PRESIDENT'S DESK

**HAPPY NEW YEAR !** everyone!

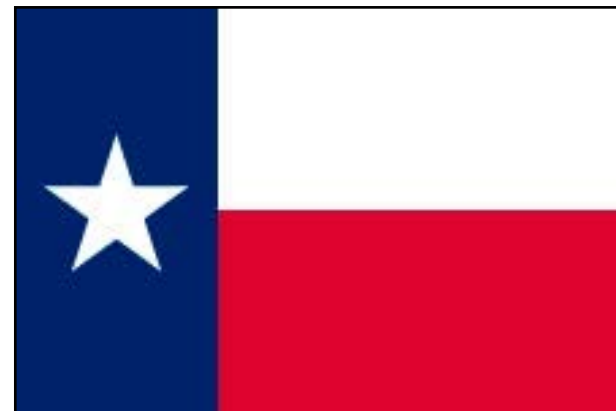

Hopefully everyone who came to our Christmas Party in the Fort Worth Stockyards had a great time.

This new decade heralds changes and challenges all around, including Cowtown Vettes. Let's hope we can all find and enjoy our particular niche interest, whether it be cruising, auto-crossing, shows, or maybe just plain driving our Corvettes!!

Be safe!!

## VICE PRESIDENT'S REPORT

### **LINES FROM LARRY**

Let me start by wishing everyone a Happy New Year and I hope your holidays were joyful.

Next, thanks to all who attended our annual Christmas Party and Awards banquet. I only wish we had more people attending. But, based on some of the comments I've received looks like I did an okay job, so I guess I'll do it again next December.

For the new year we have some "new" board members and together with the officers I hope we can figure out a way to increase club participation. I'm trying my best to come up with new/different activities which interest a wide range of members. If you have an idea which you think would be of interest to the club members let me know, my email address is located on page 2 of this prestigious magazine, as well as at the bottom of this article.

To start the new year, I have scheduled an event suggested by a club member, it's taking a tour of the Amazon Fulfillment Center in Coppell. It is scheduled for Tuesday January 14th at 11:30, and I've decided to make this a cruise also, so we will meet at the old FURR's restaurant parking lot on 183 just the road up from Buffalo West. We will meet at 10:15 with a leave time of 10:30. At this time I have 19 people signed up to go and I can have up to 35. Afterwards I think we can stop at one of the local restaurants have some lunch before heading home.

## WEBMASTER

The Great American Speedway!™

Since the last edition of the Lowdown, the following Events have been added to our website:

1. Cook Children's Party
2. Christmas Party & Awards Banquet

As we start a new year, you will want to go to the website and see what all is scheduled and coming up fast so you can get registered for the events you wish to attend.

The website will have the latest updates and any cancellations due to weather, etc. So... check it often for the latest info on your event.

Some members have already ordered their new C8 Mid Engine Vette and at the bottom of the home page click on the Red 2020 Corvette – **MOTORTREND Car of the Year** and see all the options and variations now available.

A mid-engine masterpiece

When you completely reimagine a car as iconic as Corvette, you get a beautifully sculpted mid-engine sports car that makes a powerful statement. Not your everyday car, but a car you want to drive every day. And with aerodynamic components integrated throughout, its gorgeous form is functional.

So, I guess we can all start on our 2020 Christmas List and dream of the options we want Santa to bring.

I want to thank all the members that helped with pictures and content for our website last year and look forward

to their support this coming year.

Next, I would appreciate input from our members as to any additions or changes that you would like to see on our site. A website is an evolving entity that is only as good or useful as the data and usefulness it offers the user. So... any ideas or thoughts will be appreciated.

Visit [www.cowtownvettes.org](http://www.cowtownvettes.org) often for the latest information and see all the past years events and your favorite pictures.

Thanks again and Happy New Year!

2019 was another fun year for the **Cowtown Cruiser Program** for those who participated. Though our numbers were small it was a lively competition among those of us who competed. An added bonus, since several of us traveled together this past summer, was having someone along to point out things that would count and be willing to stop for a picture.

The top 3 competitors were:

- 1st: Robert and Cydnie Geyer**
- 2nd: William Nolan and Mary Pittman**
- 3rd: Doug and Glenda McMahan**

There were also a large number of great photographs submitted for the "What I Saw Along the Way" photo contest. There were so many great photos that it was definitely hard to choose a favorite. There were also several first time participants...so thanks to those folks.

The winners were:

- 1st: David and Becky Clark**
- 2nd: William Nolan and Mary Pittman**
- 3rd: Robert and Cydnie Geyer**

Many thanks to all who participated in both competitions.

Now on to the more pressing issue...how do I get you to become involved in this program or actually any other CTV program/competition. I rack my brain every month when it comes time to write this article...how do I make this program sound interesting to my fellow Corvette owners?? How do I make them understand that once you get past the page of rules, it can really be quite a bit of fun...or at least a challenge. I hope you will re-read the following portion of the cruiser article from last month and take it to heart....*"We have lots of new folks in our club...my best suggestion for how to become a part of the group is to find a place to "plug in". Do you want to race?? Do*

*you just enjoy getting out and driving your car?? Are great restaurants, wineries or breweries your thing?? Chances are if any of these things tickle your fancy they do it for someone else also....find a friend and grow your "group"....the comments Larry Dyer made at the last meeting about getting involved and stepping up to the plate as an officer would also apply to getting involved in club activities....the more you are involved...the more fun you will have....and after all "it's a car club... it is supposed to be fun!"*

If you are actually reading this article and will let William Nolan know he will buy the first person to tell him a drink at the next meeting.

**William** will be stepping down as **Cruiser Chairperson** in 2020 and hopefully someone with new, fresh ideas will step up to the plate.

Co-Chairperson

The New Year is here!! Hope you had a wonderful Christmas and a Happy New Year that includes many special memories made with family and friends.

As of this writing, it is my understanding that no other member has volunteered to chair the Charity Committee for Cowtown Vettes and Don Wells assumed that I would continue so it looks like I will be heading up these special activities once again in 2020. I do have a year of experience from last year that I hope to utilize, and I know Jane Buehler and others are willing to help and guide me with this program.

I first want to thank all of you again for your support with the 50/50 raffle at the meetings and at the car show this past year. Your generosity enabled Cowtown Vettes to reach the Charity goals that were set when I assumed the position last January. We provided support to the National Kidney Foundation, the Tarrant Area Food Bank, Cook's Children's Hospital, Don't Forget to Feed Me Program, St. Jude's Children's Research Hospital, Fisher House in Dallas, and Toys for Tots.

Hopefully, you saw the pictures from the Christmas Party that showed the support Cowtown Vettes members gave to the Toys for Tots program with the toys that were brought to the party as well as the financial donation we made. There were 3 United States Marine Corps officers at the dinner, and they were presented the toys and the monies for our participation. Thanks to Karen Watson for arranging for the officers to attend and be a part of our festivities. Jerry and I

were fortunate to be able to sit at the table and visit with these three young men and they were so nice to talk with.

The Cook's Children's Hospital Christmas party was held after I wrote this article and I am sure you will be able to see pictures of the success of this activity on the Cowtown web site as well as in the Lowdown.

At the January meeting, you will have the opportunity to select charity programs/activities that you would like to participate in during 2020. If you have a suggestion for a program that we can participate in, please email me at [debglind@aol.com](mailto:debglind@aol.com) or call me. A variety of programs will be listed, and the members will select their top choices.

Looking forward to 2020!

CORVETTES:  
THE ART AND INFLUENCE OF  
ED "BIG DADDY" ROTH!**

As a young man having built many models and bought many magazines featuring Rat Fink and seen Ed Roth's cars featured in magazines, we can now see them up close and personal.

Thanks to Roth car collector and President of Galpin Motors, Beau Boeckmann, guests will be able to see the Orbitron, Mysterion, and Tweedy Pie, as well as Ed's personal truck that he would use to do his pinstriping work from.

On loan from The Petersen Museum is The Outlaw, and from the National Automobile Museum in Reno, Nevada is Beatnik Bandit.

This exhibit will run from January to December 2020

At the December National Corvette Museum fourth quarter board meeting, four new board members were officially added with their terms starting January 1. Joining the team are Shannon Lamarche, Michael LaRocca, Jerry Mosbacher and Neil Watanabe.

## NCCC GOVERNOR

Mugshot not yet available

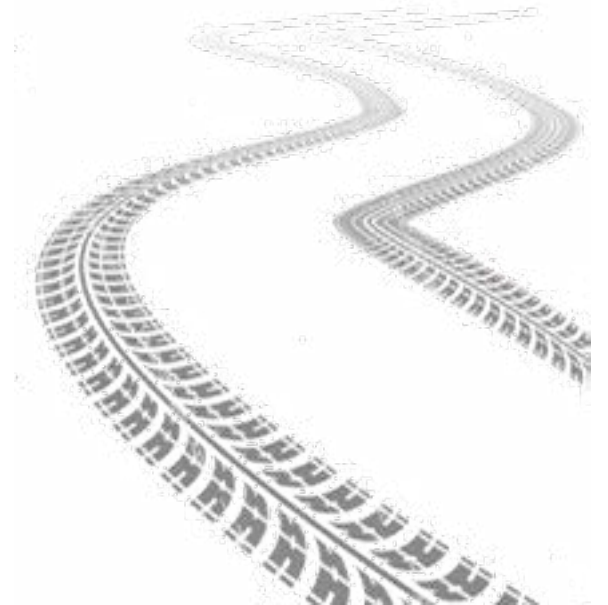

As Yogi Berra once said: "It's déjà vu all over again." Yes I am that old. It has been nearly 28 years since I last held the position as NCCC Governor of Cowtown Vettes. Glenda McMahan has left some pretty big shoes to fill, a statement most women do not like to hear, after serving in this position for the last 10 years. I will attempt to fulfill the requirements of this position to the best of my ability and keep our members up to date on Cowtown Vettes', Southwest Region and national NCCC activities, events and rule changes. There have been many changes in how things are done and it will be a challenge to get up to speed on the processes.

Back in the olden days when I was NCCC governor, Regional Competition Director and eventually VP Competition Director I was more involved and now I am attempting to regain some of my previous enthusiasm for competition and camaraderie.

Larry Hoaldrige also became NCCC Governor and Regional Competition Director because as he said: "If Jerry can do it, how hard can it be?". He declined to run for VP Competition Director because he said he wasn't that stupid.

### RIP Larry

See the rest of you in the New Year.

*Jerry Lindsey*  
NCCC Governor  
[jeleind@aol.com](mailto:jeleind@aol.com)

Sadly, we say goodbye to one of Cowtown Vettes founding members.

**Kenneth Larry Hoaldrige**, loving husband, son and lifelong friend, passed away Tuesday, December 10, 2019 surrounded by his wife, Sylvia, and several close friends. Even though Larry's fight was short, he fought a courageous battle against Interstitial Lung Disease and fought valiantly to the end.

Larry was born Tuesday, January 27th 1948 in Fort Worth, Texas to Reagan and Mazie Hoaldrige. He attended the University of Arlington and graduated in 1971 with a degree in Architecture. Afterwards, he followed in his father's footsteps and became a firefighter with the Dallas Fire Department and was a firefighter for 36 years, having retired in 2008.

After a lengthy courtship, Larry and Sylvia married in 1975 among family and friends. Larry loved Corvettes: rebuilding, painting, concouring and racing.

Larry was one of two charter members remaining active in Cowtown Vettes, a Corvette club organized in April 1974. He served as Governor of the Corvette club, as well as Regional Competition Director.

Larry will be remembered for his knowledge of Corvettes and other vehicles, along with the love and respect he had for his wife. He will be missed by those who knew him. In addition to the loving care Larry received from his wife, Sylvia, heartfelt thanks go to friends, as well as medical personnel at Kindred Hospital ICU and Hospice Plus personnel.

Larry is preceded in death by both of his parents, as wells as various aunts and uncles.

He is survived by his loving wife of 44 years, Sylvia Hoaldrige, and numerous cousins.

We also say goodbye another member.

**Thomas William ( Tom ) Shelhimer** passed away Saturday, November 16, 2019 in Cleburne, Texas.

Tom was born August 6, 1941 to Marian Mackey ( Miller ) and Marlin Thomas Shelhimer. He was the oldest of two children. His sister and husband live in Littleton, Colorado.

He graduated from the University of Oklahoma in 1963, where he earned a Bachelors in Business Administration. He immediately went to work for LTV. He worked there until 1997 when he took early retirement.

Tom and his first wife, Marilyn had two children, Brett Thomas Shelhimer and Dana Lynne (Shelhimer) Minissale.

On November 18th, 1989, he married a second time to Grace Ann Meeks who brought with her two children Jason and Sara.

After a short but valiant battle with lung cancer, Tom passed away peacefully surrounded by his family and close friends.

He is survived by his wife, Grace Ann, his 2 children, 5 grandchildren, and nieces and nephews.

Tom's most recent enjoyment was his Blue Corvette C7 which he enjoyed driving around the local countryside as well as cross country.

He will be missed by all who knew him.
