## FROM THE PRESIDENT'S DESK

I heard that our members who attended the Amazon Tour had a great time, and I wish that I could have been there; unfortunately Nancy and I were visiting family in Florida. We are looking forward partying down at the February 22nd Mardi Gras Party with you all.

Your Board had a very successful meeting, and voted to waive the current sponsor program so we can start having a guest speaker in March and at future membership meetings.

At this time we are still needing a Car Show and NCCC Chair. If you are interested, please call or email me.

Remember, this is YOUR Club, and without your support participating at our socials and working our NCCC events, the Club would not continue to succeed.

The February Board meeting will be February 19th at 7:00pm at Buffalo West. I welcome members to attend and bring your ideas to the Board.

Have a safe month.

### New eMail Distribution Lists

Members, we have started migration to a new eMail Distribution List system. We started with our Elected Officer, Committee & Info lists with Membership to follow.

We have seen several benefits already:

- Ability to add email addresses that yahoogroups couldn't communicate with.
- Rich Text works with Apple iOS mobile devices
- Improved easy of management with a modern administration console

At this time, these are the lists that have been migrated:

- [CTV-EO@groups.io](mailto:CTV-EO@groups.io) – CTV Elected Officers & Board
- [CTV-Committees@groups.io](mailto:CTV-Committees@groups.io) – CTV Committee Chairs
- [CTV-Info@groups.io](mailto:CTV-Info@groups.io) – on our website to request club info

If you have any questions, please feel free to reach out to me.

Regards

## VICE PRESIDENT'S REPORT

### LINES FROM LARRY

Well the Amazon Tour is history now and it was great. The facility was very, very large they told us it was larger than Terminal D at DFW airport. It was very clean but a little noisy, so they gave us headsets for the walking tour. The whole operation is very high tech, a power failure or computer glitch would shut the whole place down. It was unfortunate that some people who signed up for the tour didn't make it or let me know, because I had several people on the cancellation who didn't get to go because of the 35 people limit. However, if there is enough firm interest, I would consider doing another tour; just remember I need a minimum of 20 and maximum of 35 to do this. So, if you are interested please contact me and I'll see what I can do.

For February we have our **Mardi Gras party at Boo Ray's of New Orleans, 5728 Boat Club Road, Fort Worth.** Start time is 4:30pm and I have 50 people who signed up so it should be fun.

Here are a couple of additional events scheduled around the area which might be of interest to some of you:

**March 13 - 15 Good Guys show at Texas Motor Speedway**  
**March 14 - 15 Corvette/Chevy Expo Galveston**  
**March 20th CenTex/TCCC Autocrosses in Waco**

It's 2020 now and time to think about those winding road lunch cruises and maybe a couple of over night trips too. I will be taking over the chair person position this year, and with the help of David Gill as co-chair, we hope to make this a memorable year for cruising. As always we need input from the membership as to where you would like to travel. David and I have a few good ideas to begin with and will be working out the details soon.

My goal is to do at least one cruise each month with open calendar dates permitting. Remember, this is a NCCC club and some dates are already committed as well as other functions within our club.

The 2020 Cruiser competition began on January 1, 2020. New cruiser packets are available on line electronically or in paper form. This includes the 2020 Cruiser sign, log sheet, and program rules. Remember the Cruiser program was started as a way to encourage members to get out and explore the countryside while driving those beautiful Corvettes. The rules are simple, but sometimes can seem confusing. Myself or David will always be available to help explain and answer any questions you might have.

Next, the Cruiser Photo Contest. Even if you are not collecting Cruiser points you can still participate in the Cruiser Photo Contest by taking pictures of your Corvette at interesting places you "saw along the way".

We had a record number of pictures in 2019 and hope to have even more in 2020.

For the benefit of new members and those older members that need a refresh, I plan to host a Cruiser 101 before the March meeting, Be on the look out for a CTV-all for more details.

National Kidney Foundation™

The votes are in and the winners are.... At the January membership meeting, those members in attendance were given the opportunity to select up to 5 charities that they would like to support for the year 2020. This is the second year that I have been the Charity Chairperson and the selections were more diverse from the previous year. All choices listed on the original list, except one, received at least one vote. The Board reviewed the information and discussed various options and the final decision was to support 5 charity programs- **Cook's Children's Hospital, Fisher House, the National Kidney Foundation, St. Jude's Children's Research Hospital and Tarrant Area Food Bank.** These are listed in alphabetical order, not vote order and our support with these charities will be financial as well as activities with **Cook's Children's Hospital** and **Tarrant Area Food Bank.** We will also support **Toys for Tots** and the pet families with the **Don't Forget to Feed Me** Program with donations of toys for the kids and pet food, respectively.

Based on discussions at the meeting and from surveys that Don Wells received, we are considering donating to fewer charities next year but donating a larger amount of money to each charity. It is under consideration so if you have an opinion, either way, please feel free to share with me.

The budget to meet our goal for the charities we support is \$250 in 50/50 raffle ticket sales each month. Tickets are \$1 each or 6 tickets for \$5. If you have a "treasure" that you cannot use, please consider donating it to the raffle for an extra prize or a silent auction item. We were able to add to our winnings of \$122.00 this past month with some door sills brought by Bill Buehler that were sold through the silent auction. You never know what someone else can use.

Well here it is February 2020 and I am still in office, so I haven't messed up too bad. Well, at least nobody has told me yet.

We have close to 160 members to start out the new year and are looking forward to increasing that number as the year progresses.

There are already 63 SW Regional events on the calendar which range from parades in Palestine on March 21st to low speed autocrosses on September 26th and there will be more added as the year progresses.

The SW regional Awards Banquet will be held on March 7th at Texas Motor Speedway which will be a good time to show our support for our club and members who competed so well in 2019. **Cowtown Vettes finished 1st in our region and 8th nationally.** Cowtown Vettes members who finished very well in the region were: **3rd - Cathy Anthony and 8th - Glenda McMahan in the women's classes and 2nd - Larry Schaapveld, 7th - Kevin An-**

**thony, and 9th - Red Greenfeder.** I would also like to mention **William Nolan, Doug McMahan, Mary Pittman and Ann Walker** who accumulated **over 125 points** as workers in over 50 events. Other members in our club who accumulated **over 200 competition points** were: **William Nolan, Jerry Lindsey, Tony Edwards, Doug McMahan, Ronnie McCrary, Doc Lambert, Norman Walker and Mary Pittman.**
