## FROM THE PRESIDENT'S GARAGE

Our Club is back in the saddle for 2021. Gayle has scheduled socials for February and March, Doug has the auto practice / driving school scheduled for March and Robert and David are working on a cruise in March. Without you participating at our socials and your support working our NCCC events, your Club will not continue to succeed.

I will not be at the February Membership Meeting, Gayle and Mary will be presiding in my place. Nancy and I will be celebrating our 50th anniversary with our children and grandchildren.

Under new business, Mary will be requesting approval from the floor to eliminate the Cowtown Vettes current Sponsor Program.

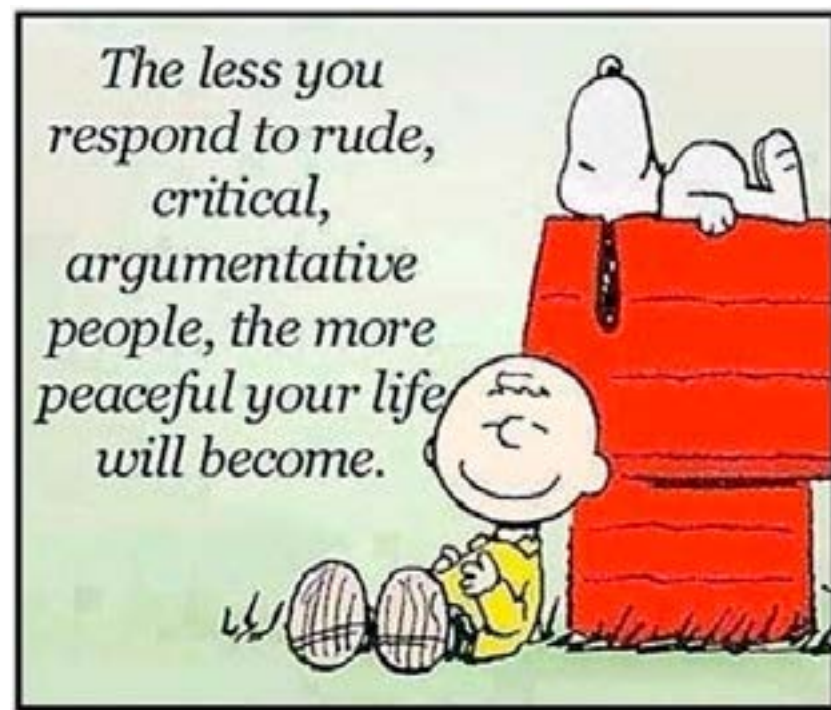

We still need a National Corvette Museum Chair, so if you are interested please give me a call.

Our February 17th Board Meeting will be held at Fat Daddy's at 7:00 PM. As always, Board meetings are open to all members.

***Have a safe month.***

## DIGITAL & SOCIAL MEDIA

As we start a new year, I'd like to share a few quick notes.

eMail Distribution Lists – several lists are maintained for club use.

- CTV-ALL@groups.io – this list is for all active members of Cowtown Vettes. If you are not getting club emails, send an email to CTV-Membership@groups.io. This is the primary media used to disseminate information about things going on in the club. FYI: This list is moderated to eliminate spam emails from everyone's inboxes.
- CTV-EO@groups.io – this is only for Club Officers – however, if you have something you would like to bring to their attention, as members, you can email to this list.
- CTV-Committees@groups.io – this is only for Club Committee Chairs and Co-Chairs – if you have something to share, as members, you can email to this list.
- Other distribution lists exist for things like Car Show, NCCC Events, etc. exists, reach out if you need more info.

If you change your email address – please send an email to CTV-Membership@groups.io.

More information on lists and acceptable use of them can be found on our website.

Facebook – if you are on Facebook and not a “friend” of Cowtown Vettes, members can't include you in tags – to show your non-club member friends all the fun we are having. If you are posting, be sure to tag Cowtown Vettes so it appears on our Facebook news feed.

Note: the club's email distribution lists have been scrubbed of members that did not renew with Cowtown for 2021

## TEXAS MOTOR SPEEDWAY

Due to some changes at TMS, it appears the TMS contact I have been working with for years on our event and contract is now in charge of some of the worker positions for the Professional Races @ TMS. So, Don asked me if I would continue to work with them to get us back on the schedule to work. Talking to David late 2020, he stated he would put us back on the list as soon as spectators are allowed back in the pits. We really don't know what events or job functions will be available however I'll share those as soon as I know. If you like working these types of events, keep track of these dates.

TMS 2021 Professional Race Event Dates

- April 29 - May 2 – Indy Car Series
- June 10-13 – NASCAR
- October 14 – 17 NASCAR

**Note:** dates shown are tentative dates for qualifying and the actual race date

If you have an interest in working a shift or two please reach out to me. Working these events helps us to offset the cost of renting the facility for our April Super Speedway Weekend.

## COWTOWN CRUISER

Well it was a typical Winter January with very little happening, however I intend to change things up a bit. With a suggestion from Larry Schaapveld I am planning Cowtown's first cruise of 2021 to be happening on February 27th. Details are still in the planning stages, but the cruise should happen, weather permitting. I should have plans formalized by our February meeting so tune in or better yet attend our Cowtown monthly meeting at Fat Daddy's and I will have the details ready by then.

Now on with the rest... It's not too early to start gathering those Cruiser Points, so get out in your Vette on a sunny warm winter's day and pick up a bunch of points locally and enjoy the time spent in your favorite car. Also remember to take a picture of your beautiful Vette at or with "something you saw along the way". That could be a sunset, unusual building, or just a local setting that showcases your Corvette. Be creative as this makes for an interesting contest that everyone likes to see.

In closing, remember to watch for my emails with the details of the February cruise.

## NATIONAL CORVETTE MUSEUM

*If you have a passion for the National Corvette Museum (NCM), get with Don Wells, we need an Ambassador.*

A few of the events happening at the NCM this year

- The Rat Fink Exhibit ends May 2 – this is a cool display of Ed Roth's creations that many of us enjoyed back during our childhood. The display was to end last December however it was extended until the 5/2 date due to the NCM being closed for Covid-19.
- April 22-23 – the Virtual Michelin Bash
- April 25-26 – the Museum In Motion Dragon Run
- May 14-23 – a 9-Day NCM Caribbean Cruise
- September 2- 4 – the 27th Anniversary Celebration of the NCM

Don't forget, since Cowtown Vettes is an NCM member, we do have passes available if you want to visit the NCM.

## 10 THINGS YOU DIDN'T KNOW ABOUT CARS IN INDIA

1. India's "National Engine" Yes. even the obscure Premier Rio uses a Fiat Multijet turbo diesel engine, JTD in GM speak. 15 cars in India are powered by the 1.3 liter Fiat Multijet diesel engine and its derivatives. Yes you read right, cars from Maruti Suzuki (Swift, Ritz, Dzire, Ertiga, Ciaz and S-Cross), Fiat (Punto, Linea and Avventura), Premier (Rio), General Motors (Sail U-VA, Sail and Enjoy) and Tata (Bolt and Zest) use this efficient and punchy turbo diesel motor.
2. Move over budget hatchbacks Compact sedans are outselling entry level budget hatchbacks. People are buying more Maruti Dzires than Alto 800s, and this shows that incomes are growing, and that the car market is maturing rapidly.
3. D-Segment sedans are dying The Mahindra XUV500 alone sells more than all the D-Segment sedans (Toyota Corolla Altis, Chevrolet Cruze, Volkswagen Jetta, Hyundai Elantra, Renault Fluence and Skoda Octavia) taken together.
4. Cars vs People. Who's growing faster? More cars than people? We're trying to get there! Car penetration in India (the ratio of cars to every 1,000 people) is at an all time high. Yet, it is at just a fraction of developed countries' car penetration. Key takeaway? The growth potential is huge, which is why every big car maker of the world wants to have a share of the Indian market.
5. Fast food? Well, how about fast car Maruti Suzuki sells 2 cars every minute. That's 2,880 cars each day and a little over a million cars each year. Last year, Maruti Suzuki closed with sales of 1,148,000 cars.
6. Can a car maker sells more engines than cars? Fiat sells more engines than cars in India. In just 3 days, Maruti Suzuki, which is the largest diesel engine buyer from Fiat, sells more cars than Fiat does in one full year.
7. The one trick pony! Out of 10 cars that Renault sells in India, 9 are Dusters. The French automaker desperately wants to change this, and has lined up the Kwid hatchback. Renault's long list of flops have include the badge engineered Pulse and Scala, the Fluence and the Koleos, and more recently, the Lodgy.
8. We're still the land of the frugal The cheapest car in the world, the Tata Nano, is still made in India. No other country, in recent times, has produced a car cheaper than the Nano. The Nano AMT is the cheapest automatic car in the world.
9. Make-in-India, sell outside Nissan, Ford and Volkswagen export more cars than they sell in India. Made-in-India cars such as the Volkswagen Vento, the Chevrolet Beat and the Toyota Etios the are among the best sellers in Mexico, Chile and South Africa respectively.
10. And Maruti always has the last laugh One out of every 2 cars sold in India is a Maruti Suzuki. The company's current market share stands at nearly 48 %. Maruti Suzuki had dominated the Indian car market for over 3 decades, despite a huge rise in competition. Also, none of the world's largest car brands such as Toyota, General Motors and Volkswagen are in the top 3 in India.

## TOUR OF CHRISTMAS LIGHTS

December 22nd 2020  
Arlington, Texas

**William Nolan** has volunteered to be Co-Chair for 2021; he has been around numerous NCCC events as a worker and spectator. If you like to organize events, get with us – we need more members that want to learn the ropes of putting on these events. One of the most beneficial skill sets is organization – knowledge of NCCC events is helpful; which can be easily learned.

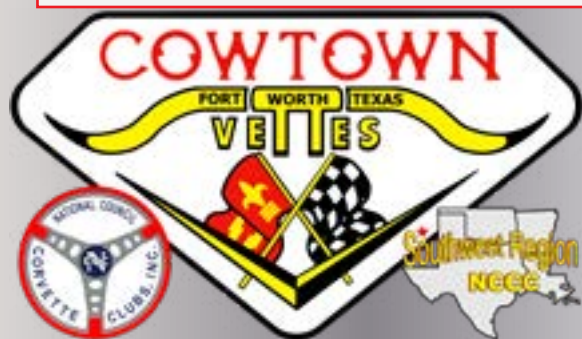

One of Cowtown's biggest needs at these events are Members to help host the events, so we can put on the region's premiere events and to bring in funds to our club. I'd like to add that one of the biggest benefits of being around these events are the life-long friends you gain, many are outside our club.

**Cowtown's 2021 Event Dates** – we invite you to mark your calendar for these fun events.

- Driving Skills Training / Practice Autocross: March 7, 2021 – tentatively planned at the TCC South Campus, lots 3 & 4. This is a fun time to push your Corvette in a safe environment and to learn how well they handle. It is also a great time to try some of the fun functions, as we shake off the cobwebs from our club trailer & timing equipment. If you want to push your Vette and have a little fun, this is also a great time to do so – we even have seasoned drivers that can ride with you.
- 1st Annual Larry Hoaldrige Memorial Event: April 24-25, 2021 – this will be our 24th annual autocross event at TMS – consisting of 12 Low-Speed Autocrosses on the infield track at Texas Motor Speedway. Tech is hosted in the garage on Friday evening and we host a dinner on Saturday evening at the hotel. Laps on the oval for participants & workers takes place Sunday morning.
- Spring Scramble: May 15, 2021 – at Fat Daddy's in Mansfield – consisting of a Car Show, Funkhana and a Gimmick & Chance Rallye.
- Autocross Scramble: September 18-19, 2021 – TSTC Airport in Waco – consisting of 14 Low-Speed Autocrosses. TSTC is about the same distance for most of us as Mineral Wells (now closed) was – plus this has indoor restrooms and we eat lunch inside the building.

We will have some photos from past events in the February Meeting Slideshow – at Fat Daddy's ... and online.

For more information on these events, please look on Cowtown's website or feel free to reach out to me or William.

Well, we made it through January in good condition. We now have 131 members, and are looking for ways to grow our membership. Obviously Covid is still with us, but with the vaccine being dispensed, hopefully we'll begin to finally get it under control.

Our VP has a Super Bowl party scheduled for February 4th at B.J.'s at Hulen Mall. She also has a Mardi Gras party planned for March 13 at Boo Ray's in Crowley. In addition to our Driver Training/ Practice Autocross event scheduled for March 6 (tentively), there are two SW Region events the first quarter, including the Dogwood Trails Festival in Palestine, March 20 to 21, and a 14-event autocross weekend in Waco, March 27 to 28.

The SW Region Awards party (just a social, this year) is still being planned to coincide with our Driver Training/Practice Autocross event. As of now, these events are still a go. Stay tuned for updates!

Save the wave!
