FROM THE PRESIDENT'S GARAGE

The word must be out, Cowtown Vettes is a fun and exciting Club! We had 7 new members join at the May membership meeting.

Gayle is putting on great socials, whilst Robert and David are leading fun and exciting cruises.

My hat is off to Doug and William and all members and guests who participated and worked at our Corvette Scramble at Fat Daddy's. It was a great success. If you were not able to attend, you missed a lot of fun.

Mark your June calendar - on the 5th, Pathfinders Brewery in Hudson Oaks, TX - on the 12th, the Cruise to Clark Gardens in Mineral Wells, and on the 15th, volunteering at the Tarrant Food Bank. Check out the Lowdown and [web site](#) for details.

The June board meeting will be at Fat Daddy's on Wednesday 16th at 7:00pm. Board meetings are always open to all members.

DIGITAL & SOCIAL MEDIA

The June slideshow will boast photos from the recent club events. It will be on the west wall TV at Fat Daddy's ...and in addition, our webmaster will post it online. If you have taken a trip in your Corvette and have some fun pictures to share with membership, please send those to me and I'll include them in the next slideshow.

We would request that when you are replying to a **CTV-ALL** email, please only reply to the **originator** of that email. To do this, select *Reply* on the email, then *remove* the **CTV-All** entry and replace it with the **originator's** email address. I have also asked the officers and chairs to include their email address in the body of the email so you have that address handy.

If you change your email address – please send an email to CTV-Membership@groups.io.

More information on lists and acceptable use of them [can be found on our website](#).

Note: The CTV Virtual Monthly Meeting Invites are good for all-year (2021); for both Membership & Board. These are recurring meetings, so I do not need to send out a new invite every month. If you are a new member or by chance have deleted the previous invite email; drop me an email and I'll resend the invite to you.

facebook if you are on Facebook and not a “friend” of Cowtown Vettes, members can't include you in tags – to show your non-club member friends all the fun we are having. If you are posting, be sure to tag Cowtown Vettes so it appears on our Facebook news feed.

I continue the discussions with our new contact at TMS, Chris, hoping that we can have an opportunity to continue to work the professional events out there. We really don't know what events or job functions will be available at this time, however I'll share those as soon as I know. If you like working these types of events, keep track of these dates.

COWTOWN CRUISER

Hi everyone,

It's June and we are well into cruiser season. I hope all of you cruisers are remembering to take pictures of your Vette in that special setting for our end of year "*what I saw along the way*" contest. Keep an eye out for those cruiser points as well. I hope everyone is ready for another jaunt as I have one planned for June 12th. As of this posting, I have a large group of 27 cars traveling with me to Clark Gardens in Mineral Wells with lunch at The Mesquite Pit. This trip will be much more relaxed with beautiful flower gardens to visit and a nice lunch afterwards. Check my CTV-all postings for the details.

I am working with David Gill for a trip North to the Dennison and Lake Texoma area for July or early August.

We have had very large turn outs for all cruises so far, which I hope means everyone is enjoying them. Having said that I always need more member input as to locations and venues you would like to cruise to. Remember, I just need suggestions and I'll take care of the rest.

That's all for now and I will see ya'll on the next cruise.

CHARITIES

CookChildren's

Summer is upon us, Covid 19 cases are dropping, more people are getting their vaccines, and everything seems to be on a more even keel than this time last year. Yes, gasoline prices are higher than they were last year, but many items seem to be higher. Of course, this time last year, prices were lower because no one was traveling but all that seems to be about to change. Hope you have some fun summer plans you are looking forward to.

Cowtown Vettes members will be volunteering at the Tarrant Area Food Bank on Tuesday, June 15 from 1-4pm. If you are interested and have not signed up, please email me. I will not be at the meeting in June so will share the details with you now. We will meet at the food bank at 12:45 to get signed in. The address is 2600 Cullen Street, Fort Worth. Please wear closed toe shoes. They were requiring masks so please bring that as well. They do have gloves to wear but you can also bring your own. The work schedule is from 1-4 which is a little longer than we have worked before. You can always take a break if needed. Remember, we are VOLUNTEERS!! After we are through, we plan to go for an early dinner at Chuy's on West 7th Street. Our old standby of Mexican Inn on Henderson is not currently open. We have had 15 members volunteer to help, and I can add more to the list. We have donated to the Tarrant Area Food Bank for many years, and it may be one of the charities we choose to support at the end of the year.

As I stated, I will not be at the meeting in June, BUT the 50/50 raffle will take place with the help of a few "friends" so do not forget to bring your monies to play. Tickets are \$1 each or 6 tickets for \$5. The winner receives half of the monies and the other half goes into the charity kitty for the year.

No updates yet on Cooks Children's Hospital for July yet. I hope to have information soon on a plan for August.

Happy June and Happy Father's Day to all the dads.

Chevrolet Corvette to Pace 2021 Indy 500 — See All 18 'Vette Pace Cars

For the eighteenth time, a Corvette will lead the starting field to the green flag for the 105th running of the Indianapolis 500 presented by Gainbridge on May 30, 2021. This year a 2021 mid-engine Chevrolet Corvette Stingray hardtop convertible finished in Arctic White with yellow and gray accents will have the honor of pacing the thundering field of open-wheel race cars — the first time since 2008 that a convertible has been selected.

C7 Pace car

Doug and Glenda's C7 at NCM

Found on the WEB...Just another Vette Guy ??

The 1967 variant was the last in the C2 Corvette range. “The Secret Service won’t let me drive it. I’m not allowed to drive anything. It’s the one thing I hate about this job. I’m serious,” Biden said. With up to 350 horsepower, a V8 engine and the ability to reach speeds of 60 mph in just 4.7 seconds, it’s easy to see why Biden treasures his 1967 classic. Biden’s love for Corvettes was obvious when he said “He wanted to drive the new Electric Corvette that can reach 200 mph”OOOOPS is there an Electric C9 coming down the road ????

One of which was our **Corvette Scramble**, then a 21-event Low-Speed Autocross Weekend on **Memorial Weekend** in Drumright, OK (a new autocross location).

Cowtown did host our **9th Annual Corvette Scramble at Fat Daddy's on May 15th**. We enjoyed the only non-rain day for a while, which was great along with having a good turnout. William & I would like to thank the Functional Chairs: PJ Jackson for Car Show, Robert Geyer & Don Wells for Funkhana & Jack Gandy for the Gimmick & Chance Rallyes.

At this event, there were 30 Cowtown entrants, 13 Non-Cowtown entrants along with 7 non-NCCC Entrants. Total Entrants per category (not individual people counts): Car Show included 39 entries, Funkhana enjoyed 15 Teams, and the Rallyes boasted 19 Teams. Thank you to all that came out to participate and enjoy. We especially thank those that came out and worked the event.

Cowtown's 2021 Event Dates – we invite you to mark your calendar for these fun events.

- **1st Annual Larry Hoaldrige Memorial Event: September 18-19, 2021** – TSTC Airport in Waco – consisting of 14 Low-Speed Autocrosses. The TSTC location is on the north-end of Waco. It is about the same distance for most of us as Mineral Wells was, not to mention TSTC has indoor restrooms and we enjoy lunch inside the building.
- **24th Annual Super Speedway Weekend: tentative date of 11/6-7/21**. Due to the anticipated price jump at TMS, we are still entertaining other venues to host this event and possibly a date change.

NCCC GOVERNOR

We have seven new members this month, bringing our new total to 150!

Things are beginning to return to some semblance of normalcy. We had a great turnout for our Spring Scramble, with many members and visitors alike in attendance. A good time was had by all!

By the time you are reading this, the Memorial Day (3-day) autocross event at Drumright, OK will have taken place. I expect a good turnout. This will have been the first SW Region autocross event in a year and a half! People are just wanting to drive their cars! And yes, I bought another C4 to autocross, so I won't have to autocross my C3!

NCCC National Convention is June 13-18, in Cleveland, OH. Last year's National Convention was cancelled, due to Covid, so I'm hoping having the convention this year is a sign of things to come.

There are now two more events on the calendar that are similar to our Spring Scramble. The first is **Crusin' The Arbuckles**, in Ardmore, OK, July 17-18. The second is at **Burnet and Highland Haven**, TX, August 14-15. There are no flyers on the calendar yet, so keep an eye out for their addition. I have personally attended the last two Crusin' The Arbuckles events, and it's a great opportunity to get to know our Oklahoma friends in a more relaxed setting. When we normally go to Oklahoma, it's for an autocross event, and it's pretty intense. There is little time to relax and socialize.

Save the wave!
