## DIGITAL & SOCIAL MEDIA

The July slideshow will boast photos from the recent club events. It will be on the west wall TV at Fat Daddy's. In addition, Larry, our webmaster will post it on the [CTV Website](#). If you have taken a trip in your Corvette and have some fun pictures to share with membership, please send those to me and I'll include them in the next slideshow.

We would request that when you are replying to a **CTV-ALL** email, please only reply to the **originator** of that email. To do this, select *Reply* on the email, then remove the **CTV-ALL** entry and replace it with the **originator's** email address. I have also asked the officers and chairs to include their email address in the body of the email so you have that address handy.

If you change your email address – please send an email to [CTV-Membership@groups.io](mailto:CTV-Membership@groups.io).

More information on lists and acceptable use of them [can be found on our website](#).

**Note:** The CTV Virtual Monthly Membership Meeting Invite is good for all of 2021. The Virtual Board Meetings ended in May; they are now in-person only. Since the Virtual Membership Meeting is a recurring meeting, I do not need to send out a new invite every month. If you are a new member or by chance have deleted the previous invite email; drop me an email and I'll resend the invite to you. We are only seeing a handful of members joining virtual nowadays so the need for these might go away soon, being more "normal like"... 😊

**facebook** if you are on Facebook and not a "friend" of Cowtown Vettes, members can't include you in tags – to show your non-club member friends all the fun we are having. If you are posting, be sure to tag Cowtown Vettes so it appears on our Facebook news feed.

## TEXAS MOTOR SPEEDWAY

I have continued the discussions with our new contact at TMS, Chris, in hopes that we can have an opportunity to continue the fun of working the professional events out there. We really don't know what events or job functions will be available at this time, however I'll share those as soon as I know. If you like working these types of events, keep track of these dates.

### TMS 2021 Professional Race Event Dates

- *October 14 – 17 NASCAR*

Note: dates shown are tentative for qualifying and the actual race date

If you have an interest in working a shift or two please reach out to me. Working helps us to offset the cost of renting the facility for our Super Speedway Event

## COWTOWN CRUISER

Hello Cruisers

Hope ya'll had a BANG UP 4<sup>th</sup> of July. As some of you know Cydnie and I were Cruising in the Appalachian mountains the last two weeks of June. So I have asked David Gill to put together the cruise for July. He is organizing a trip up to Lake Texoma and surrounding area, and will give all the details at our July 7th club meeting. The date he has set is Saturday July 17th. For this cruise we will meet at the **Buc-ee's North of Forth Worth at Texas Motor Speedway off I 35**. Lunch will be at Highport Marina on the lake. This sounds like a fun and different trip and both David and I hope you can come with us. More details will be coming soon.

Remember it's not too late to start collecting cruiser points and find that favorite picture with your Vette.

## CHARITIES

**CookChildren's**

National Kidney Foundation™

IT IS HOT!!! The month of June has been hot, and I can only imagine that July will follow with the same temperatures and humidity if not hotter. Maybe I am just older, but it seems like it is hotter than it used to be??

Thanks to the following Cowtown Vettes members who helped at the TAFB on June 15 - **Red and Barb Greenfeder, Bob and Kaye Snegon, Randy and Cathy Baker, Carol Savage, Nancy Moulton, Tamra Lahmer, Donna Forsythe and Mike Messerli**. We spent our volunteer time creating food boxes for families. Needless to say, we had some interesting combinations of foods for the evening meals that we added to the food boxes, and I know we provided much needed help.

I did hear from my contact at Cooks Children's Hospital and at this time, there are no volunteer activities allowed. They are waiting for continued decline in Covid 19 cases in the area and are eager to have activities as soon as they feel that it is safe. I am sure this is a very difficult decision for them to make.

In August, I hope you will bring donations of food items for furry friends. We will be donating food items to the "Don't Forget to Feed Me Program". Kim West has graciously agreed to help with this once again, but we are in need of a member with a truck that would be willing to help gather the food at the meeting on August 4 and assist us with the delivery the next weekend. Club members should bring dog/cat food items, coupons and/or monies to help with this annual activity that helps with the pressure that families feel to feed their family AND pets. I know many of you are pet owners and can appreciate the situation some families may find themselves in deciding to feed the family or their furry friends. If you have a truck, Suburban or one of those large, beastly moving vehicles, please contact me at **debglind@aol.com or 817 266-1593** if you can help with this.

Congratulations to Norman and Ann Walker for winning the 50/50 raffle in June. Hope to see many members at the July meeting.

The National Corvette Museum showcases the Chevrolet Corvette, an American sports car that has been in production since 1953. It is located in Bowling Green, Kentucky, off Interstate 65's Exit 28. It was constructed in 1994, and opened to the public in September of that year. The National Corvette Museum was established as a 501(c)3 not-for-profit foundation with a mission of celebrating the invention of the Corvette; preserving its past.

**NCM Exhibits:** Last time I shared a unique exhibit experience, it was about Ed Roth's Rat Fink Exhibit. Starting Memorial Day Weekend, they now have a ["Corvette Powered Exhibit"](#) at the NCM; so, what does that mean? From European and American sports cars to boats and motorcycles, the Corvette engine has powered more than just Corvettes over time. As explained by Director of Collections/Curator, Derek E. Moore, "this exhibit shares a piece of Corvette history and explores the stories of unique vehicles and their use of Corvette engines." Corvette Powered replaces Cartoon Creatures, Kustom Kars and Corvettes: The Art and Influence of Ed 'Big Daddy' Roth in the Exhibit Hall. Other vehicles to see in the exhibit include a 1958 Scarab, 1967 Bizzarini Strada, 1965 Impala built by Chip Foose, 1969 Mangusta, and more. Visitors will be able to enjoy the Corvette Powered exhibit through Bash of 2022.

## NCM Upcoming Event Dates

- [Museum in Motion Colorado Springs](#) – Registration for the MiM Colorado Springs trip is now live! From July 11th through July 15th, Museum in Motion will be in Colorado Springs, Colorado. During those three days, the group has an exciting schedule that explores everything that beautiful Colorado has to offer. Some of the visits on the trip include historic landmarks, the Cliff Dwellings, U.S. Olympic and Paralympic Museum, and a drive on Pike's Peak. This trip is one you don't want to miss! Call Maci (270) 467-8804 or Bryce (270) 770-4506 to register for a spot or to ask any questions you may have!
- [NCM 27th Anniversary Celebration](#) - September 2 - 4, 2021. Every year around the Labor Day weekend we celebrate the Grand Opening of the Museum in 1994 with a participant focused event. This year we mark the 27th Anniversary milestone and focus on the diversity of the people that Corvette has brought together for a look back on the Museum's history and forward to the future! Registered participants can enjoy 3 days of activities in and around the Museum including access to interesting and unique road tours, special video presentations, raffles, and more during this event in honor of your help and support!
- [Museum in Motion: National Parks Tour](#) (AZ & UT) - September 19 - 25, 2021 (WAIT LIST AVAILABLE)
- [One Lap of Kentucky](#) - 4 October dates: 9/27-10/2, 10/4-10/9, 10/11-10/16, & 10/18-10/23
- [Vets 'n Vettes presented by Mobil 1](#) - November 4-6, 2021

[Corvette Assembly Plant Tours](#) – the plant is still closed to the public and a date of reopening has not been determined.

If you haven't made up your mind on purchasing a new Corvette C8, you can visit the [NCM Motorsport's Park](#) and drive one of their C8s on their fun track; a much better test drive than from a dealership. You can also drive your Corvette on their track if that is more appealing to you. If you'd like other driving type events, you can also enjoy go-karts on their go-kart track.

If you are planning to visit the museum, CTV's NCM membership provides the club six per year; contact me for details.

It is with a sad note to share that due to the massive management changes out at TMS, it appears we have been totally squeezed out of hosting an event there in 2021. That being stated, the new management at TMS had also shared that a projected cost for facility use for the event would be estimated to be in excess of \$16k. That is a cost which cannot achieve break-even for the event, even if we sold out all 80 competitor slots. So, unfortunately, unless something changes for 2022, it appears that our days of the "Super Speedway Weekend @ TMS" will have come to an end. This is unfortunate after 24 years of holding events there and being the longest working group that works their professional events. However, we will revisit and continue discussions with TMS when they are ready to start booking for 2022; in hopes that something changes to our benefit.

We have been investigating other facilities and at this time, we have only bad news as the 1) price is either too high and/or 2) they have no availability for the remainder of 2021. We have contacted the typical autocross venues, like Motorsports Ranch, Eagle's Canyon, Lone Star Park, Baylor Stadium, etc. and none can accommodate us this year. I do have an outstanding inquiry to the City of Mineral Wells, asking for them to allow us to hold one last event at that facility; at this time, I have not heard back. If we can't secure this or another autocross capable parking lot / facility, we would need to consider another scramble-type event instead. We would like to hear your thoughts on non-autocross options.

We have swapped a few things around for the **1st Annual Larry Hoaldrige Memorial Event** to rename the September Event, which is scheduled for the TSTC facility at the Waco Airport, rather than at the November Event. We will be utilizing all 10 of Cowtown's NCCC Sanctions in addition to others from CCT & BRCC to round out a 14-event weekend. The only catch at this time is for TSTC to provide the green light that they have opened back up and the events can be hosted there as scheduled.

**Cowtown's Remaining 2021 Event Dates** – we ask that you to mark your calendar for these fun events – to help make Cowtown Successful.

- **1st Annual Larry Hoaldrige Memorial Event: September 25-26, 2021** – TSTC Airport in Waco – consisting of 14 Low-Speed Autocrosses. The TSTC location is on the north-end of Waco. It is about the same distance for most of us as Mineral Wells was, not to mention TSTC has indoor restrooms and we enjoy lunch inside the building.
- **TBD: November 6-7 2021.** Unknown location / event type, as mentioned above.

More information on these events, please see information on Cowtown's website or feel free to reach out to Doug or William.

We had no new members this month, keeping our total at 150.

We had a great cruise to Clark Gardens in Mineral Wells. Thank you Robert and David! Well, it was better for some, than others. It would have been better for me, if my C3 hadn't had a heart attack and died on the side of the road. I'm afraid it's terminal, but that's a story for another day.

We had a great turnout for the Memorial Day autocross event at Drumright, OK. Cowtown was well represented, and currently, in the men's regional standings, Larry Schaapveld is in 4th Place. Norman Walker is in 8th Place, and Red Greenfeder is in 9th Place. Also competing was Kevin Anthony, but he didn't run the full 3 days to get enough points to make the Top 10. In the ladies' standings, Cathy Anthony is in 7th Place, Ann Walker is in 9th Place, and Barb Greenfeder is in 10th Place. And no, Ann didn't race, those are worker points.

The next scheduled autocross isn't until September 18-19. Seven autocrosses at TSTC in Waco and 3 drags at Little River in Holland. Keep an eye out for the flyer when it's ready.

The next non-racing event in the region is Crusin' The Arbuckles, in Ardmore, OK, July 17-18. This a 2-day event that is similar to our Spring Scramble, with a funkhana and car show on Saturday, and rallyes on Sunday. In addition, there is usually a planned activity, such as a boat tour of Lake Murray, and dinner Saturday evening at a nice restaurant. We've eaten at Two Frogs the last couple of times. Blocked rooms will have been released by the time you're reading this, but I'm sure you won't have a problem getting a room if you still want to attend.

There is now a flyer for Burnet and Highland Haven, TX, August 14-15 event. Check it out!

Save the wave!
