CTV Sponsorship

The committee had a meeting at the end of July to discuss and start work on a Club Sponsorship Program. We do have a few potential sponsors asking questions and we need to get a program defined. The committee discussed a few items like:

- What does the club need as a benefit from Sponsors?
- Should we start with the previous sponsor program and alter it - or start over?
- Review the previous Sponsor Program - it wasn't terrible but it had heavy restrictions.
- Over the years we have heard we need to allow speakers at our meetings and we couldn't, how does that need to fit in?
- Should we have a tiered program & pricing structure? Do we need so many levels? ...what is the best approach?
- Some potential sponsors may only want ADs in our Low-Down and/or on our Website.
- Should we have sponsors for events (i.e. Car Show & NCCC) that differ from Club Sponsors? The Car Show was listed but did things not on the Sponsor Program.

Do you have thoughts or items you would like the committee to consider?

DIGITAL & SOCIAL MEDIA

The August digital slideshow will boast photos from the recent club events this past July. It will be on the west wall TV at Fat Daddy's. In addition, Larry (our webmaster) will post it on the CTV Website. If you have taken a trip in your Corvette and have some fun pictures to share with membership, please send those to me and I'll include them in the next slideshow.

We would request that when you are replying to a **CTV-ALL** email, please only reply to the **originator** of that email. To do this, select *Reply* on the email, then remove the **CTV-All** entry and replace it with the **originator's** email address. I have also asked the officers and chairs to include their email address in the body of the email so you have that address handy.

If you change your email address – please send an email to CTV-Membership@groups.io.

More information on lists and acceptable use of them [can be found on our website](#).

Note: The CTV Virtual Monthly Membership Meeting Invite is good for all of 2021. The Virtual Board Meetings ended in May; they are now in-person only. Since the Virtual Membership Meeting is a recurring meeting, I do not need to send out a new invite every month. If you are a new member or by chance have deleted the previous invite email; drop me an email and I'll resend the invite to you. We are only seeing a handful 😊 members joining virtual nowadays so the need for these might go away soon, being more “normal like”...

facebook if you are on Facebook and not a “friend” of Cowtown Vettes, members can't include you in tags – to show your non-club member friends all the fun we are having. If you are posting, be sure to tag Cowtown Vettes so it appears on our Facebook news feed.

I have continued the discussions with our new contact at TMS, Chris, in hopes that we can have an opportunity to continue the fun of working the professional events out there. We really don't know what events or job functions will be available at this time, however I'll share those as soon as I know. If you like working these types of events, keep track of these dates.

Last month we wrote about the **new C8's** coming out in the near future:

The **Z06**... The **ZR1 Twin Turbo 850 HP**... The **750 HP HYBRID Vette**... and the **1000 HP Corvette ZORA** which Corvette Racing plans on racing and beating the super cars on the track!!

So... what has the C8.R Team been up to the last month...

(Above) Corvette Racings Antonio Garcia and Jordan Taylor Take a 1-2 win at Watkins Glen.

(Below) The mid-engine Corvette C8.R won its Lime Rock debut, and Corvette Racing won at the circuit for the sixth time. It also marked the first overall Lime Rock victory for Corvette Racing.

The 24 Hours of Le Mans has been officially postponed to August 21-22 where Corvette Racing has yet to announce an entry

According to the official 24 hours of Le Mans website, the 89th 24 Hours of Le Mans has been moved to August 21-22. NATIONAL CORVETTE MUSEUM

The National Corvette Museum showcases the Chevrolet Corvette, an American sports car that has been in production since 1953. It is located in Bowling Green, Kentucky, off Interstate 65's Exit 28. It was constructed in 1994, and opened to the public in September of that year. Cowtown has a couple of bricks at the museum (shown below) and you can [obtain your own brick](#) there to mark your spot in Corvette History.

NCM Exhibits: Last time I shared a unique exhibit experience, it was about Ed Roth's Rat Fink Exhibit. Starting Memorial Day Weekend, they now have a ["Corvette Powered Exhibit"](#) at the NCM; so, what does that mean? From European and American sports cars to boats and motorcycles, the Corvette engine has powered more than just Corvettes over time. This exhibit shares a piece of Corvette history and explores the stories of unique vehicles and their use of Corvette engines. Visitors will be able to enjoy the Corvette Powered exhibit through Bash of 2022.

NCM Upcoming Event Dates

- [Museum in Motion Colorado Springs](#) – Registration for the MiM Colorado Springs trip is now live! From July 11th through July 15th, Museum in Motion will be in Colorado Springs, Colorado. During those three days, the group has an exciting schedule that explores everything that beautiful Colorado has to offer. Some of the visits on the trip include historic landmarks, the Cliff Dwellings, U.S. Olympic and Paralympic Museum, and a drive on Pike's Peak. This trip is one you don't want to miss! Call Maci (270) 467-8804 or Bryce (270) 770-4506 to register for a spot or to ask any questions you may have!
- [NCM 27th Anniversary Celebration](#) - September 2 - 4, 2021. Every year around the Labor Day weekend we celebrate the Grand Opening of the Museum in 1994 with a participant focused event. This year we mark the 27th Anniversary milestone and focus on the diversity of the people that Corvette has brought together for a look back on the Museum's history and forward to the future! Registered participants can enjoy 3 days of activities in and around the Museum including access to interesting and unique road tours, special video presentations, raffles, and more during this event in honor of your help and support!
- [Museum in Motion: National Parks Tour](#) (AZ & UT) - September 19 - 25, 2021 (WAIT LIST AVAILABLE)
- [One Lap of Kentucky](#) - 4 October dates: 9/27-10/2, 10/4-10/9, 10/11-10/16, & 10/18-10/23
- [Vets 'n Vettes presented by Mobil 1](#) - November 4-6, 2021

[Corvette Assembly Plant Tours](#) – the plant is still closed to the public and a date of reopening has not been determined.

If you haven't made up your mind on purchasing a new Corvette C8, you can visit the [NCM Motorsport's Park](#) and drive one of their C8s on their fun track; a much better test drive than from a dealership. You can also drive your Corvette on their track if that is more appealing to you. If you'd like other driving type events, you can also enjoy go-karts on their go-kart track.

If you are planning to visit the museum, CTV's NCM membership provides the club six per year; contact me for details.

NCCC EVENTS

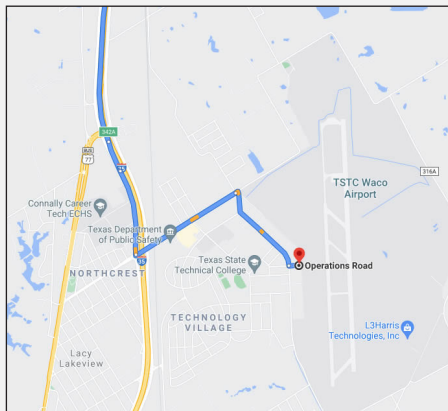

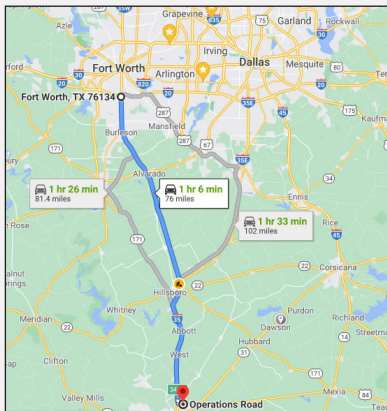

NCCC Events are in full swing for the last half of this year regionally and nationally – Cowtown does still have two on the calendar for 2021. Several of us enjoyed a fun Scramble type event July 17-18 in Ardmore, OK – consisting of a car show, funkhana and a gimmick & chance rallye.

We have swapped a few things around for the 1st Annual Larry Hoaldrige Memorial Event to rename the September Event, which is scheduled for the TSTC facility at the Waco Airport; rather than at Nov. Event. We will be utilizing all 10 of Cowtown's NCCC Sanctions in addition to others from CCT & BRCC to round out a 14-event weekend. The only catch at this time is for TSTC to provide the green light that they have opened back up and the events can be hosted there as scheduled.

Cowtown's Remaining 2021 Event Dates – we ask that you to mark your calendar for these fun events – to help make Cowtown Successful.

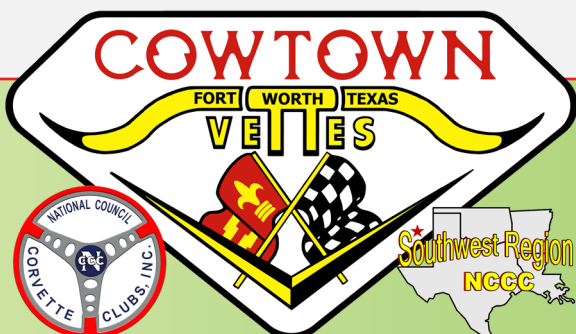

- **1st Annual Larry Hoaldrige Memorial Event: September 25-26, 2021** – TSTC Airport in Waco – consisting of 14 Low-Speed Autocrosses. The TSTC location is on the north-end of Waco. It is about the same distance for most of us as Mineral Wells was, not to mention TSTC has indoor restrooms and we enjoy lunch inside the building. We do have a room block (25) at the Holiday Inn & Suites in West, TX for anyone that might be competing or helping to host the event both days – see [the Flyer](#) for info.

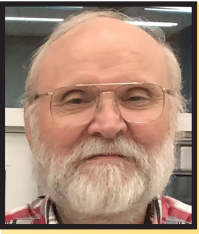

Hotel to Event Location

- **DFW Location to be announced at a later: November, 6-7, 2021.** This event will consist of 14 Low-Speed Autocrosses with sanctions from Brazos River Corvette Club, Corvette Club of Texas and Tin Hall Toys. For more information on these events, please see information located on Cowtown's website or reach out to myself or William.

It's exciting to see our club growing again! We had six new members this month, making our new total 156.

David Gill led a successful cruise to Lake Texoma area on the 17th. Some of us went to Crusin' The Arbuckles, in Ardmore, OK. Every Cowtown member that entered the car show, won! We also had a great turnout to Angelo's BBQ on the 24th. A big "Thank You" to Gayle for putting it together, even though she couldn't be there.

Still no flyer for the autocross, September 18 and 19. in Waco. Seven autocrosses at TSTC in Waco and 3 drags at Little River in Holland. Keep an eye out for the flyer, it should be ready soon.

I am happy to announce that the flyer is up for the First Annual Larry Hoaldrige Memorial Event, September 25 and 26 in Waco! Fourteen low-speed autocross events, over 2 days. It's a great, smooth concrete pad, so bring your cars out and see what you, and they, can do!

No competition points for the Ardmore event have been added yet, so the regional point standings from last month remain the same.

They're still accepting registration for the Burnet, Marble Falls and Highland Haven event on August 14-15. Check it out!

Save the wave!
