DIGITAL & SOCIAL MEDIA

The September digital slideshow will boast photos from the recent club events this past August. It will be on the BIG SCREEN at Fat Daddy's again this month. In addition, Larry (our webmaster) will post it on the CTV Website. **If you have taken a trip in your Corvette and have some fun pictures to share with membership, please send those to me and I'll include them in the next slideshow.**

Cowtown now has a *Microsoft O365* account now which provides us all the office applications to use on our club laptops. In addition, it provides *OneDrive*, making it much easier for you to provide photos from events or for the slideshow. Please contact me and I'll provide you with that link link to share your photos.

We would request that when you are replying to a **CTV-ALL** email, please only reply to the **originator** of that email. To do this, select *Reply* on the email, then *remove* the **CTV-All** entry and replace it with the **originator's** email address. I have also asked the officers and chairs to include their email address in the body of the email so you have that address handy.

If you change your email address – please send an email to CTV-Membership@groups.io.

More information on lists and acceptable use of them [can be found on our website](#).

Note: The CTV Virtual Monthly Membership Meeting Invite remains good for all of 2021. Since the Virtual Membership Meeting is a recurring meeting, I do not send out a new invite every month. If you are a new member or by chance have deleted the previous invite email; drop me an email and I'll resend the invite to you. We are only seeing a handful of members joining virtual at the meeting so the need for these might go away soon, as life returns to a more "normal like" environment 😊

facebook if you are on Facebook and not a "friend" of Cowtown Vettes, members can't include you in tags – to show your non-club member friends all the fun we are having. If you are posting, be sure to tag Cowtown Vettes so it appears on our Facebook news feed.

COWTOWN CRUISER

Hello all,

October is here and it's going to be busy month. First let me remind everyone that time is running out for you to collect as many points as possible for the Cruiser Program. You will need to turn in your Participation Log Sheet along with your picture binder or pictures on a memory stick at the November club meeting. Also for those entering the 'what I saw along the way' photo contest, those pictures (4" x 6") will be brought to the November meeting for display and voting by the membership. You are allowed 3 pictures for each person entering, so gather up your best pictures and let's have a really large showing.

Now about my cruise. As you should already know it will happen on **Saturday the 23rd of October**. I have signed up 50 people with 26 cars participating and we are now currently full. I will accept standbys if someone cancels. For those already confirmed I strongly suggest you attend Octobers club meeting for detailed information about the **Mystery Dinner Cruise**. I will also send detailed information in a CTVALL email before the cruise so be watching for that

CHARITIES

The 50/50 raffle at the club meetings enable us to support charity programs with a financial donation. Congratulations to Pat Gill who won our last 50/50 raffle at the club meeting in September. We will have another raffle at the October club meeting as well as at the car show on October 16. The car show committee has worked hard to make this a success and hopefully, many of our members will participate.

For future activities, I mentioned working at the Tarrant Area Food Bank in November and I am planning on the date of November 16. We can help in the afternoon or the evening. Times to work in the afternoon are from 1-4 and in the evening from 6-9, although we don't usually work the full 3 hours in the evening. If you are interested in helping and prefer a particular time, please let me know.

Last month we covered 24 Hours Le Mans and the great race between Corvette and Ferrari...Next up Corvette dominates Porsche...

Found this great article on the WWW- BY [SAM MCEACHERN - SEP 13, 2021](#) ...so enjoy

Corvette Racing Outclasses Porsche At Laguna Seca, Extends Championship Lead

The No. 4 Corvette C8.R of Tommy Milner and Nick Tandy took a decisive GTLM class victory in Sunday's IMSA WeatherTech Championship race from Laguna Seca, beating the No. 3 Corvette Racing sister car to the finish line by an entire lap.

Milner started the race for the No. 4 team, getting a clean start from second position and sticking with Jordan Taylor in the pole-sitting No. 3 C8.R for the duration of the opening stint. Taylor dove into the pits at the 51-minute mark, turning the reigns over to Antonio Garcia and taking fresh fuel and tires. Shortly after, Milner also came into the pits for fuel and tires and to turn driving duties over to Tandy.

Tandy then gave chase to Garcia, with the Briton and the Spaniard engaging in a spirited battle that saw the pair trade fastest GTLM race laps multiple times. Tandy emerged the victor of this dogfight, setting a new GTLM track record of 1:21.827 (98.461 mph) and pushing Garcia to use up his tires and come into the pits before him. Tandy followed suit a pitted a lap later, but his superior pace allowed him to undercut Garcia and take the lead – despite the fact he took a trip through the gravel whilst exiting the pits. Tandy then extended his gap to Garcia in the remaining hour, taking the chequered flag a full lap ahead of the No. 3 sister car and the No. 911 Porsche 911 RSR of WeatherTech Racing, which was third in the three-car GTLM class.

Tides up so let's go ...WEB SURFING

General Motors has shared the first official photo of the 2023 Corvette Z06 without any camouflage covering its body panels. The automaker shared a photo of a 2023 Corvette Z06 finished in the Hypersonic Gray Metallic exterior color on Monday morning. The photo shows a front-three-quarters angle of the new mid-engine supercar, revealing its redesigned, Corvette C8.R-inspired front fascia with larger air intakes, a black-painted “boomerang” side air intake element, pronounced front and rear wheel arches and new twin six-spoke alloy wheels. Chevy did not share a photo of the vehicle's rear end, so we'll have to wait a bit longer to get a glimpse of the new center-exit quad tip exhaust setup.

VETERANS DAY PARADE

FORT WORTH – Bells of peace will ring, “Taps” sound, and a 21-gun salute will signal the start of this year’s

102nd Veterans Day Celebration on Thursday, Nov. 11, 2021 at 11 a.m.
in the Panther Island Pavilion, Fort Worth parking lot.

The Tarrant County Veterans Day Parade is a chance for participants and spectators alike to bring and ring bells in remembrance of the guns falling silent, and bells tolling on the Western Front to signal the end of World War I – “the war to end all wars.”

“Bells of Peace” was developed by the WWI Centennial Commission in concert with the Society of the Honor Guard (Tomb of the Unknown Soldier), the VFW, and American Legion to commemorate the 100th anniversary of the armistice in 2018. The Doughboy Foundation then launched the initiative nationwide. It was successful and the foundation’s been promoting Bells of Peace as an annual moment of remembrance ever since.

Bells will toll in communities across the country – in places of worship, schools, town halls, and cemeteries – to mark Veterans Day. Locally, bells will toll to launch the Veterans Day parade, hosted by the City of Fort Worth and organized by the Tarrant County Veterans Council (TCVC).

A military flyover about 11 a.m. will kick off the Veterans Day parade. A motorcade will then roll down North Forest Park Blvd. along the Clear Fork section of the Trinity Trails system to Rotary Plaza., then back to Panther Island. Spectators can picnic along the Trinity River while viewing the parade on the west side of downtown Fort Worth.

“Battlefront at Home... Saluting our Veterans & First Responders” is the theme of this year’s parade. The TCVC is busy putting final touch on this special event. The parade website [Tarrant County Veterans Day Parade](https://www.tarrantcountytx.gov/veterans-day-parade) contains extensive information about viewing, supporting, and taking part in this year’s celebration.

“Everyone can join in our salute to veterans and first responders who’ve given so much during the pandemic,” notes Parade Chairman Ken Cox. “Simply visit our website where you can learn how to support, volunteer and take part.

“Will you consider being part of our celebration?” Cox asks. “If you’re not available, please help us spread the word. Hope y’all can join our Cowtown salute on Veterans Day!”

NCCC EVENTS

There have been a lot of activities in regards to CTV's NCCC Events since my last article; including a lost venue and the creation of a new event weekend.

Cowtown's Remaining 2021 Event Dates – we would ask that you to mark your calendar for these fun Cowtown hosted events. If you have never experienced autocross, come out and it is a great place to try it out. **We also need YOU your assistance to make these Cowtown Events Successful.** Regardless if you can come out for a half day, full day or both days, we need workers for these events; in multiple areas. Remember, the best seats at an event are being a Corner Worker and Richard Downing has volunteered again to be in chair the Corner Workers ☑. Mary Pittman is handling registration. Becky & David Clark are heading up Timing & Starter. We will also have a runner (young) for each corner so our members don't need to chase cones.

- **1st Annual Larry Hoaldrige Memorial Event: September 25-26, 2021** – TSTC Airport in Waco – TSTC cancelled all events thru the end of 2021 with concerns for their students and personnel around Covid-19. We were not able to find another autocross location in 2021, (on any available dates) to host a one or two-day autocross.
- **Shine & Rallye Event, Oct 16 & 17, 2021 NEW** – due to the cancellation above, we have used 4 sanctions to create an **NCCC People's Choice Car Show** concurrently with our **19th Annual Corvette Show** for Saturday; it will have a separate registration. Then on **Sunday morning**, we will host another **People's Choice Car Show**, followed by a **Gimmick & Chance Rallye** at Fat Daddy's, like we did in May of this year.
Volunteer Needs: registration (both days), counting car show ballots (both days), rallye tech, and we 3 chance rallye checkpoint workers.
- **1st Annual Larry Hoaldrige Memorial Event: November, 6-7, 2021. – Mineral Wells Heliport, TX.** This event will consist of **14 Low-Speed Autocrosses** using 10 CTV sanctions, 2 *Corvette Club of Texas (CCT)* and 2 *Tin Hall Toys (THT)*. We are planning a small celebration at the host hotel Saturday evening.
Note: This is the last auto event to ever be held at the helipad, it is the last event the 2021 SWR Competition Year and last but not least, we are finally able to hold the **1st Annual Larry Hoaldrige Memorial Event**.
Volunteer needs: corner workers, someone to head up Safety Tech, help with the club trailer and setting up the track on Friday afternoon, help with the Saturday night social, Young Runners, etc.

For more information on these events, please see information located on Cowtown's website or reach out to myself or William.

On a related note: we receive NCCC sanctions to hold these events from two sister SWR NCCC Clubs, **BRCC & CCT**.

We have bartered with BRCC for their 10 NCCC Sanctions each year; this is done with our members showing in their Corvette Show. This is **BRCC's 15th Annual Corvette Show** – a judged show on the Historic Granbury Square – lots to do. **Please put October 9th on your calendar to join us in showing at this Corvette Show.** Hint: *Page 4 of their flyer even has information to help prepare your car and what the judges are looking for.*

As in previous years, we will meet & caravan from the **Cracker Barrel** just west of **Winscott Road** – see our website for more information. Below are a few photos from previous years. [2019 Photos](#)

That same weekend, Granbury hosts their [October Fest](#) just off the Square – lots to do

NCCC GOVERNOR

Renewals of club and NCCC dues for 2022 are coming along. At present, I have received 50 renewals. I will continue to accept renewals through the November meeting. After that, there will be a \$10.00 late fee for renewals received AFTER the November Membership Meeting. As I wrote last month, the renewal form can be found on the Cowtown Vettes website under the menu heading: **Meetings/Membership/Membership Renewal Form**. The amount for dues is on this page as well as the renewal form to be downloaded. Please make out your check to Cowtown Vettes and bring to the October or November meeting, OR, send the completed form and check to:

Norman Walker
1514 Cindy Ln.
Cleburne, TX 76033

Please fill out the form, as that's the only way we know if there is any new information that needs to be changed. Current membership is now at 160 members.

The updated flyer for the First Annual Larry Hoaldrige Memorial Event, November 6 and 7 in Mineral Wells has been posted. Fourteen low-speed autocross events, over 2 days.

There are proposed changes to the competition rule book that will greatly affect the ability of **Cowtown Vettes (and the entire South West Region)** to hold sanctioned events. The red-line proposed rule book changes for 2022-2023 can be found on the National NCCC website. From the Home Page, click on the COMPETITION tab. Then select the 2020-2021 Competition Manual (Rulebook). On the next page, select the 2022-2023 Redline Competition Manual. Pay close attention to the red-lined segments on Chapter 1, Page 3. Please, if you have an opinion on the proposed changes, let me know your thoughts. If you don't understand what the changes mean, or have questions, call me at 817-917-9300 and I'll be glad to discuss them with you.
