## FROM THE PRESIDENT'S GARAGE

It's hard to believe this year is almost over. Our Club has had a great year, lots of new members, fun socials, great cruises, large turnout for our Annual Car Show and two successful NCCC events. I want to thank the Car Show Committee for their hard work with this year cat show. Also, I want to

thank the many of our members who helped with set up, break down and registration. We had 98 awesome Corvettes at the show and Charities collected \$587.50 from the 50/50. See p 13 for results. And it's not over yet. On November 6th and 7th is the **1st Annual Larry Hoaldrige Memorial Event** at Mineral Wells, Texas. This is one event you do not want to miss. Check the website and November Lowdown for details.

Gayle has been working very hard on our annual Christmas Party. Good food, dancing, karaoke for those who dare and a great time with our Cowtown family. Don't forget the Toys for Tots gifts.

I have talked with the Fat Daddy's manager and we will have our November Membership Meeting inside next to the band stage. Looking forward to seeing you there. 🙌 will be nominating our 2022 Officers and Board members from the floor.

I have proudly served as your President for many years and it is time to pass the gavel to someone else. Thank you to all who have helped and supported me.

The November 17th Board Meeting will be at Fat Daddy's at 7:00 pm, and as always Board meetings are open to all members.

## DIGITAL & SOCIAL MEDIA

The November digital slideshow will boast photos from the recent club events this past October; primarily car shows. It will be on the BIG SCREEN at Fat Daddy's again this month. In addition, Larry (our webmaster) will post it on the CTV Website. **If you have taken a trip in your Corvette and have some fun pictures to share with membership, please send those to me and I'll include them in the next slideshow.**

Cowtown's Microsoft O365 account provides **OneDrive**, which makes it much easier for you to provide photos from events for the web and/or monthly slideshow. Please contact me and I'll provide you with that link to share your photos.

We would request that when you are replying to a **CTV-ALL** email, please only reply to the **originator** of that email. To do this, select *Reply* on the email, then remove the **CTV-ALL** entry and replace it with the **originator's** email address. I have also asked the officers and chairs to include their email address in the body of the email so you have that address handy.

If you change your email address – please send an email to [CTV-Membership@groups.io](mailto:CTV-Membership@groups.io).

More information on lists and acceptable use of them [can be found on our website](#).

**Note:** The CTV Virtual Monthly Membership Meeting Invite remains good for all of 2021. Since the Virtual Membership Meeting is a recurring meeting, I do not send out a new invite every month. If you are a new member or by chance have deleted the previous invite email; drop me an email and I'll resend the invite to you.

**facebook** if you are on Facebook and not a "friend" of Cowtown Vettes, members can't include you in tags – to show your non-club member friends all the fun we are having. If you are posting, be sure to tag Cowtown Vettes so it appears on our Facebook news feed.

## COWTOWN CRUISER

Hello all,

It's now November and the 2021 cruiser season is coming to an end. I hope all of you enjoyed at least some of my cruises. Looking back I remember the wet and foggy morning for the start of my tenure as cruiser chair. The trip to the Twisted Sisters and of course my latest trip The Mystery Dinner Cruise. It's been a real blast to see if I could get you lost, JUST KIDDING.

This November meeting is when you will need to bring your '*what I saw along the way*' pictures for display and voting by membership.

So dig through all your beautiful car scenery pictures and bring them to the meeting and lets fill up the display board. Remember each person is allowed 3 pictures of 4" x 6" size. Also, the Cruiser program will be ending in November as well. On that note the Cruiser Program Participation Log Sheet will be due on or before midnight Sunday November 14th and your corresponding pictures will be due on or before Sunday midnight November 21st. These pictures can be in photo format in a binder or digital format on a memory stick.

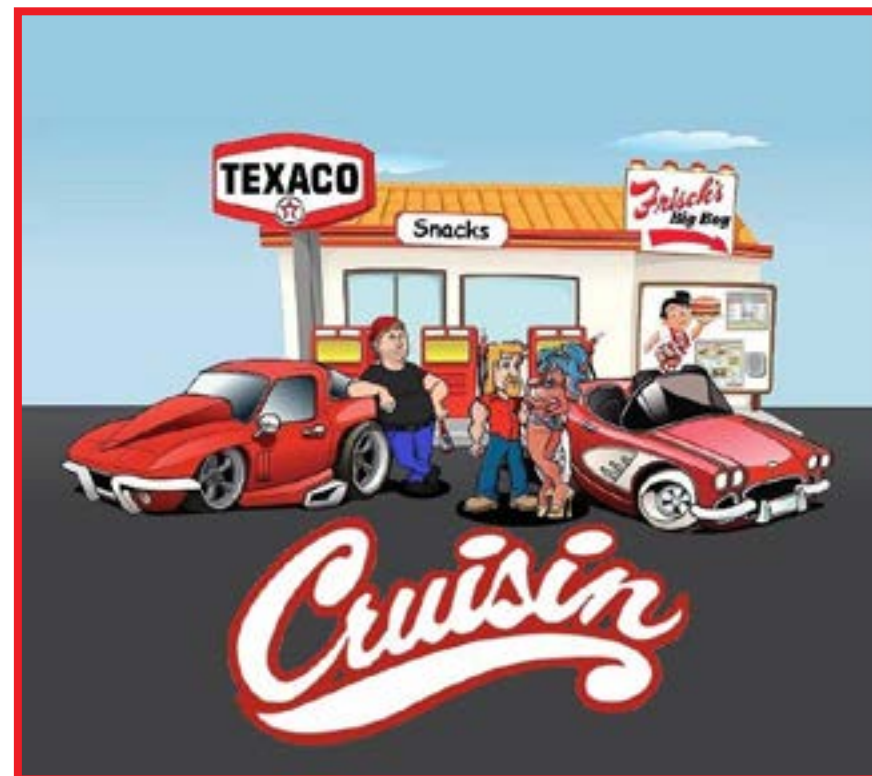

In closing, it's been an honor and pleasure to lead you guys on what I hope was a fun drive through the countryside in your Vettes. So until next year keep waving at that oncoming Corvette and if they're a **TRUE** Corvette owner they'll wave back!

## Another Corvette Win as IMSA Takes Over Long Beach

**Jordan Taylor, driving the Number 3 C8.R,** secured the pole position in Friday's qualifying session and started Saturday's race ahead of teammate **Tommy Milner in the Number 4 C8.R.** **Milner was never more than a second off Taylor's pace throughout their stints in Saturday's race.** Milner managed to pass Taylor while in traffic just past the halfway point in the race. Taylor was the first of the Corvettes to the pits, and that stop put **Antonio Garcia in the Number 3 car for the remainder of the race.** **On the next lap, Milner pitted to be replaced by co-driver Nick Tandy, who exited the pits ahead of the Number 3 car and stayed ahead until the checkered flag.** Even while navigating traffic of the slower GTD class cars, **Tandy and Garcia were practically nose to tail, with Tandy crossing the finish line just 0.75 second ahead of Garcia.** Wow ... talk about close!!

## VETERANS DAY PARADE

**FORT WORTH** – Bells of peace will ring, “Taps” sound, and a 21-gun salute will signal the start of this year’s

**102nd Veterans Day Celebration on Thursday, Nov. 11, 2021 at 11 a.m.**  
**in the Panther Island Pavilion, Fort Worth** parking lot.

The Tarrant County Veterans Day Parade is a chance for participants and spectators alike to bring and ring bells in remembrance of the guns falling silent, and bells tolling on the Western Front to signal the end of World War I – “the war to end all wars.”

“Bells of Peace” was developed by the WWI Centennial Commission in concert with the Society of the Honor Guard (Tomb of the Unknown Soldier), the VFW, and American Legion to commemorate the 100th anniversary of the armistice in 2018. The Doughboy Foundation then launched the initiative nationwide. It was successful and the foundation’s been promoting Bells of Peace as an annual moment of remembrance ever since.

Bells will toll in communities across the country – in places of worship, schools, town halls, and cemeteries – to mark Veterans Day. Locally, bells will toll to launch the Veterans Day parade, hosted by the City of Fort Worth and organized by the Tarrant County Veterans Council (TCVC).

A military flyover about 11 a.m. will kick off the Veterans Day parade. A motorcade will then roll down North Forest Park Blvd. along the Clear Fork section of the Trinity Trails system to Rotary Plaza., then back to Panther Island. Spectators can picnic along the Trinity River while viewing the parade on the west side of downtown Fort Worth.

“Battlefront at Home... Saluting our Veterans & First Responders” is the theme of this year’s parade. The TCVC is busy putting final touch on this special event. The parade website [Tarrant County Veterans Day Parade](https://www.tarrantcountytx.gov/veterans-day-parade) contains extensive information about viewing, supporting, and taking part in this year’s celebration.

“Everyone can join in our salute to veterans and first responders who’ve given so much during the pandemic,” notes Parade Chairman Ken Cox. “Simply visit our website where you can learn how to support, volunteer and take part.

“Will you consider being part of our celebration?” Cox asks. “If you’re not available, please help us spread the word. Hope y’all can join our Cowtown salute on Veterans Day!”

## OUR COWTOWN VETTES LEADERSHIP & CHAIRPERSON POSITIONS – FOR YOUR CONSIDERATION

**Do you have an interest to get more involved in the Club? *Then your opportunity is NOW!*** Nominations for 2022 Elected Officers & Board Members is coming up soon; consider putting your name in for these. Do you find a specific area of the club’s activities that is appealing to you? A few examples are socials, charities, car show, cruiser, etc. – if so, contact our existing President or a Board member and we can help share our knowledge on those activities and function. If you aren’t ready to be a chairperson – step up and offer to be a co-chairperson.

You can also visit our website, select **Contacts** from the menu bar, and then select **Officers** or **Chairpersons** from the drop-down. Next, select the officer, board or chairperson title to see a job description.

Visit the Club’s website, it has a [list of members](#) that have served as an elected officer or board member, since the club started in 1974. For chairpersons, you can go to the chairperson page and add a year date in the URL to look at previous years; as shown below.

***Also, some of were taught that the more you put into something, the more you will get out of it; some of us fully believe it!***

## VOTE VOTE VOTE VOTE

In order for our club to function we must have folks who will take the responsibility to make it happen... and happen in an orderly fashion.

This is a car club designed to facilitate the enjoyment of your very fast, very loud and very enjoyable Chevrolet Corvette.

We race, we cruise, we socialize, we do charity work and much more...

BUT, in order for those events to happen, someone has to take responsibility for planning and execution.....

SO, if you have been nominated for an office, consider serving!! OR, if you have been an officer consider offering your expertise to someone who might be willing to step up.

Our first round of officer nominations took place in October. In November, there will be nominations from the floor... if you weren’t nominated in October and you fit the criteria, you can be nominated in November.

Election ballots will be sent out prior to November 17, 2021 and returned either by mail or in person by the membership meeting on December 1, 2021

Be an active participant...make it better, make it happen!!

## NCCC EVENTS

We held our **1st Annual Shine & Rallye Event** on Oct 16 & 17, 2021. **Saturday's NCCC Car Show** was held concurrently with **Cowtown's 19th Annual Corvette Show**; separate registration and awards. Sunday morning, we hosted another **NCCC People's Choice Car Show**, followed by a **Gimmick & Chance Rallye** at Fat Daddy's, like we did in May of this year. Due to short notice of switching these sanctions from the cancelled autocross, we did experience a smaller volume of participants than at our May event; we did make a profit though. Next year we would include a Funkhana to make the event more appealing. Additionally, it would be better advertised so we can obtain a larger volume of participants.

**Cowtown's Remaining 2021 Event Dates** – we would ask that you to mark your calendar for **one remaining Cowtown hosted event. NEXT WEEKEND, we also need your assistance to make our last 2021 Cowtown NCCC Event Successful. Regardless if you can come out for a half day, full day or both days, we need workers for these events in multiple areas.** Remember, the best seats at an event are being a Corner Worker and Richard Downing has volunteered again to be in the chair for that Don Wells is handling transportation of the Club Trailer. Mary Pittman is handling registration. Vicki Currey & Mary Pittman are heading up Timing. Larry Currey, Don Wells and Jim Dawson that have volunteered as our Starters. Larry Schaapveld is chief Safety Tech, he will need others to assist. We will also have a runner (young) for each corner so our members don't need to chase cones.

**1st Annual Larry Hoaldrige Memorial Event: November, 6-7, 2021. – Mineral Wells Heliport, TX.** This event will consist of **14 Low-Speed Autocrosses** using 10 CTV sanctions, 2 *Corvette Club of Texas (CCT)* and 2 *Tin Hall Toys (THT)*. We are planning a small celebration at the host hotel Saturday evening.

**Note:** This is the last auto related event that will ever be held at this location, which CTV (and others) have used for over 3 decades. It is also the last sanctioned event for the 2021 SWR Competition Year and last but not least, we are finally able to hold the **1st Annual Larry Hoaldrige Memorial Event.**

**Volunteer needs:** we still need a fair volume of corner workers – the more we have, the shorter shifts everyone has. We need assistance to help setup the track on Friday afternoon, help with the Saturday night social, Young Runners, course teardown on Sunday, etc. I will have the sign-up sheet at the November Membership Meeting.

**Cowtown's 2022 NCCC Event Dates** – please mark your calendars

- **April 2-3** – Autocross ...with April 9-10 as an alternate date
- **May 14-15** – Scramble @ Fat Daddy's
- **September 17-18** – Autocross
- **October 15-16** – Fall Shine & Rallye w/CTV's 20th Annual Car Show

For more information on these events, please see information located on Cowtown's website or reach out to myself or William.

If you have an interest in being Chair or Co-Chair of **Cowtown's NCCC Events for 2022**, we are seeking someone to be the **NCCC Events Chairperson**. You **do not** have to be a competitor to handle this position; organizational skills are a definite plus. We have developed a master to-do list and we would assist and work with you for the functions and steps. If someone wants to be Chairperson, I would volunteer to shadow and possibly even Co-Chairperson with them.

## NCCC GOVERNOR

This year is quickly coming to an end! By the time you are reading this, early renewals of club and NCCC dues for 2022 will have ended (November 7). Late renewals are still open, but don't forget to add the \$10.00 late fee. The renewal form can be found on the Cowtown Vettes website under the menu heading: **Meetings/Membership/Membership Renewal Form**. The amount for dues is on this page as well as the renewal form to be downloaded. Please make out your check to Cowtown Vettes and bring, or mail the completed form and check to:

**Norman Walker**  
1514 Cindy Ln.  
Cleburne, TX 76033

Please fill out the form, as that's the only way we know if there is any new information that needs to be changed.

The First Annual Larry Hoaldrige Memorial Event, November 6 and 7 in Mineral Wells will probably be over by the time you read this. Not only was it the last event for the South West Region this year, it was the last event, period, to be held at the Mineral Wells Airport pad.

The last national governor's meeting of the year will be in St. Louis on November 12 and 13. I will be in attendance. We will be voting on the proposed changes to the competition rulebook that will greatly affect the ability of Cowtown Vettes (and the entire South West Region) to hold sanctioned events. I gave instructions in last month's Low-Down on how to access the proposed changes. Again, if you have an opinion on the proposed changes, let me know your thoughts. If you don't understand what the changes mean, or have questions, call me at 817-917-9300 and I'll be glad to discuss them with you.

Don't forget to sign up for the Christmas Party on December 4th!

Save the wave!
