## THE PRESIDENT'S PIT STOP

David Gill  
President

[president@cowtownvettes.org](mailto:president@cowtownvettes.org)

"Spring has sprung, Fall has 'fell,' Summer's here and....." well..you know the rest.

Cowtown's Summer agenda is always sparse but, there are some activities that can be entertaining from the air-conditioned comfort of "America's sports car." Cruises, whether planned or impromptu, can easily bring us together. Whether we gather in small or large groups, go somewhere and have some fun. June 4 is the day we visit the Fort Worth Aviation Museum. Being a former aerospace employee, this will be a reminder for me! June 7 is the day we go to work at the Tarrant Area Food Bank. Don't worry; we don't work that long or that hard. Let us not forget Independence day and a parade that Cowtown supports with our participation. Details are complete and already posted on the club web site.

As I write my "memo" to the club, I ponder Memorial Day. This hallowed day is NOT a day of celebration. It is a day of remembrance of those who paid the ultimate price when asked to defend our country. NEVER forget

Please always remember our monthly membership meetings at Fat Daddy's in Mansfield. This is the perfect opportunity to stay abreast of what is going on inside CTV. Remember, also, that our board meetings meet monthly and are always open to all members. June's board meeting will be held on June 22nd (instead of the regular 3rd Wednesdays) at the request of Fat Daddy's management.

Several years ago, I upgraded my Corvette's cooling system with a larger radiator and an engine oil cooler. I did this mostly because I wanted to stay cool in the Texas Summer heat. I also want YOU to stay cool in the Texas Summer heat. It is possible to have fun in the Summer. You know what to do and what not to do. DO IT and stay safe!

Hope you have all been out enjoying those Corvettes – we have had some amazing days to enjoy them. We also hope you have been taking photos of your Corvette Drives to share on the Monthly Slideshows. We will have a

good slideshow for June with socials like the Cowtown's 10th Annual Corvette Scramble. The Slideshow will be on the BIG SCREEN at Fat Daddy's again this month for your viewing pleasure. In addition, Larry (our webmaster) will post it on the CTV Website. **If you have taken a trip in your Corvette and have some fun pictures to share with membership, please send those to me and I'll include them in the next slideshow.**

Cowtown's **Microsoft O365** account provides **OneDrive**, which makes it much easier for you to provide photos from events for the web and/or monthly slideshow. If you plan to share photos, please take them in high-resolution; if not, they can't be used on the big screen or they will be grainy/blurry. Please contact me and I'll provide you more information and the OneDrive link to share your photos – basically use the highest resolution option you have on your camera or smartphone.

We would request that when you are replying to a CTV-ALL email, please **only reply to the originator** of that email. To do this, select *Reply* on the email, then **remove** the CTV-All entry and replace it with the **originator's** email address. I have also asked the officers and chairs to include their email address in the body of the email so you have that address handy. If you change your email address – please send an email to [CTV-Membership@groups.io](mailto:CTV-Membership@groups.io).

More information on lists and acceptable use of them [can be found on our website](#).

**facebook** – if you are on Facebook and not a “friend” of Cowtown Vettes, members cannot include you in tags at events; these tags show your non-club member friends all the fun we are having. Maybe some of you are in the witness protection program and don't want to be tagged ☹ If you are posting, be sure to tag Cowtown Vettes so it appears on our Facebook news feed.

## SPONSORSHIP

Do you have a candidate or thought on a club sponsor? With club sponsors we have the ability to not only fund the financial needs of our club but we also have options for partially funded socials and/or printing the Low-Down, etc.

We have copies of Cowtown's NEW **Sponsor Program** and they are available at the Membership Meetings – see me. If you need some in between meetings, contact either myself or the Sponsorship Committee at [CTV-SC@groups.io](mailto:CTV-SC@groups.io)

We continue tweaking the Member Guide that will help everyone to understand and promote Cowtown to potential sponsors. This guide will only be posted on the CTV Member's Only website page – not to be distributed to non-CTV Individuals.

If you have questions or need clarifications, please reach out.

Still working on details so come to the June club meeting and I will have all the info then. For those that can't make it to the club meeting, I will post the details on CTVALL email.

And by the way, have you found that perfect "what I saw along the way" picture? Don't worry you still have plenty of time, just don't forget!

So until next time **SAVE THE WAVE** and cruise on.

### Corvette Racing Continues...Go yellow #3

- First Place Finish in the Mobile 1 Twelve Hours of Sebring
- Corvette Racing Third at Long Beach, Moves into GTD Pro Championship Lead

#### Corvette Racing Gets Ballast Increase Ahead of IMSA Laguna Seca Round

The only Corvette C8.R in the IMSA WeatherTech field has received a rather significant 176-pound (80 kilogram) ballast weight increase for the two-hour, 40-minute race at Laguna Seca, along with a 12 percent decrease in engine airflow.

These Balance of Performance changes were made in an attempt to slow Corvette Racing down after the factory-backed Chevy squad took a commanding victory at the 12 Hours of Sebring last month.

Jordan Taylor started from the back of the GTD Pro grid on Sunday after the team struggled for pace in Saturday's qualifying session, with the American driver posting a time that was a full second off the pole-sitting Porsche 911 of Pfaff Motorsports.

This put the team on a three-stop strategy for the race, with Taylor diving into the pits for fuel and tires just 25 minutes into the two-hour, 40-minute sprint.

A full course caution then came out two laps later, with Corvette Racing calling Taylor back in for a brief fuel top off. This shuffled Taylor to the front of the GTD Pro field, as rival teams were stuck in the pits taking more fuel.

Rather unfortunately, Taylor fell through the order when the green flag came back out and then made slight contact with another GTD Pro car, but he was able to continue.

The 30-year-old drove a mistake-free stint for another 57 minutes before handing **driving duties over to Antonio Garcia for the 60-minute sprint to the chequered flag.**

A podium spot looked within reach as **Garcia methodically reeled in the No. 25 BMW M4 GT3** of Conor de Phillipi, however the abundance of lapped traffic on the rather tight 11-turn road course meant he was unable to use the superior pace of the Corvette C8.R to its full advantage, forcing the Spaniard had to settle for fourth position.

The strong result ensured **Corvette Racing retained its GTD Pro championship lead** over Pfaff, however, with the Chevy squad now leading the Porsche team 990 points to 960 points.

# CASTING CAR LOVERS & CAR RESTORATION EXPERTS!

Warm Spring Productions is looking for individuals who have that one special family member or friend who always talk about their favorite car “they used to have” and are in the process of gifting them the car of their dreams. The show features those who have dreamt about finding that special for that person, remodeling it (1-2 months worth), and then surprising them with it as a gift. If you are a car restoration expert and have a client who fits this criteria, this would be a perfect way to document your restoration experience on a national platform!

## NCCC GOVERNOR

Norman Walker  
NCCC Governor  
[norman\\_walker@charter.net](mailto:norman_walker@charter.net)

Our Spring Scramble at Fat Daddy's in Mansfield was a great success! It consisted of a car show, funkhana and 2 ralleys. By the time you are reading this, the 3-day, Memorial weekend event at the Firefighter Training Facility at Edmond will have happened.

Currently, there are 5 CTV men and 3 CTV women in the Southwest Region Top 10. James Little is 2, Larry Schaapveld is 5, Norman Walker is 6, Kevin Anthony is 9, and Rick Whitcomb is 10. For the ladies, Cathy Anthony is 5, Kim Little is 9, and Mary Pittman is 10.

There are NO events scheduled for June, due to the National Convention in New Jersey. Next up is "Summer Fun Fest" in Lewisville on July 9, hosted by Tejas Vettes. It's a car show/ funkhana and 2 ralleys, similar to our Spring Scramble. A new flyer can be found on the SWR Schedule page. Next up, on July 16-17 is "Crusin' the Arbuckles" in Ardmore, OK. The flyer is not yet up, but the weekend usually consists of a car show, funkhana, 2 ralleys (on Sunday), dinner out (on Saturday evening) (usually at "2 Frogs") and sometimes, a boat tour of lake Murray, or other activity! This is a laid back week-end with a lot of time for visiting with our friends we have made in the Oklahoma City area! There are no SWR events scheduled for August.

Cowtown Vettes membership now stands at 151 members!
