Hope you have all been out enjoying those Corvettes – even with the drought and then the floods of the summer. We also hope you have been taking photos of your Corvette drives to share on the Monthly Slideshows. We will have a slideshow for September with socials and

events – hopefully you have some photos of your trips to share as well. The Slideshow will be on the BIG SCREEN at Fat Daddy's again this month for your viewing pleasure. In addition, webmaster Larry will post it on the CTV Website. **If you have taken a trip in your Corvette and have some fun pictures to share with membership, please send those to me and I'll include them in the next slideshow.**

Cowtown's **Microsoft O365** account provides **OneDrive**, which makes it much easier for you to provide photos from events for the web and/or monthly slideshow. If you plan to share photos, please take them in high-resolution; if not, they can't be used on the big screen or they will be grainy/blurry. Please contact me and I'll provide you more information and the OneDrive link to share your photos – basically use the highest resolution option you have on your camera or smartphone.

We would request that when you are replying to a **CTV-ALL** email, **please only reply to the originator of that email.** To do this, select **Reply** on the email, then **remove** the **CTV-All** entry and replace it with the **originator's** email address. I have also asked the officers and chairs to include their email address in the body of the email so you have that address handy. If you change your email address – please send an email to [CTV-Membership@groups.io](mailto:CTV-Membership@groups.io). More information on lists and acceptable use of them [can be found on our website.](#)

**facebook** – if you are on Facebook and not a “friend” of Cowtown Vettes, members cannot include you in tags at events; these tags show your non-club member friends all the fun we are having. Maybe some of you are in the witness protection program and don't want to be tagged. If you are posting, be sure to tag Cowtown Vettes so it appears on our Facebook news feed.

**CAR SHOWS:** Each year, we receive NCCC sanctions from two sister-clubs, BRCC & CCT. This allows us to hold additional NCCC events, generating additional club revenue. This year, we have again bartered with BRCC for their 10 Sanctions; this is accomplished with our members showing in their Corvette Show. This is [BRCC's 16th Annual Corvette Show](#) – a judged show on the Historic Granbury Square – lots to do in the area. We ask that you please put **October 8th** on your calendar to join us in showing at this Show. [Entry Form](#) – **9/8 early registration deadline.** Hint: [this is a link](#) to help prepare your car and what the judges are looking for.

Below are a few photos from previous years. [2021 Photos](#) – lots of CTV Winners at this show.

That same weekend, Granbury hosts their [October Fest](#) just off the Square – lots to do. The following weekend is [Cowtown's 20th Annual Corvette Show.](#)

Cruiser Chairperson

James Little: Co-Chair

Hi guys,

We are finally getting a break in the almost endless 100 degree summer heat and that means Fall is just around the corner. And with the cooler weather it's a great time to lower the convertible top or remove the targa top on your coupe and explore the countryside. While driving always be on the lookout for that perfect location to take your ' what I saw along the way ' picture to share with the membership during November's club meeting.

As most you know, Cydnie and I along with 10 other CTV members just returned from cruising South Dakota's scenic black hills and what a great time we all had. Now I am preparing another extended cruise to the Eureka Springs Corvette Weekend in Eureka Springs, Arkansas. As this trip had to be planned and rooms booked months in advance, my group has been set for some time. However I plan to do a couple more lunch cruises as the weather cools, so be on the lookout for those.

As a reminder, if you are participating in the Cruiser Program, time is quickly running out so find those hard to find points and be ready to finish by November.

That's all for now so *keep Cruising and Save the Wave*

## Corvette Racing Continues...Go yellow #3

### Corvette Racing at Road America: No. 3 C8.R Back on Podium

*Challenges with weather, pace work against Garcia and Taylor in GTD PRO*

ELKHART LAKE, Wisc. (Aug. 7, 2022) – [Corvette Racing](#) came home third in class Sunday at Road America in the IMSA Fastline SportsCar Weekend. Antonio Garcia and Jordan Taylor finished on the GT Daytona (GTD) PRO podium in the No. 3

Meanwhile, the rain was somewhat consistent at the start of Taylor's stint but moved to drying conditions as the second of three full-course yellows flew with 78 minutes remaining. Garcia got back in on slick tires and restarted fourth in class.

The race went green with 36 minutes to go but Garcia was swallowed up and passed by two more lapped GTD cars on the run from the final corner to the start-finish line. He was able to hold on to the third position in GTD PRO before a final yellow ended the race with eight minutes left.

**Corvette Racing's next event is the Michelin GT Challenge at VIR from Virginia International Raceway on August 26-28.**

**The FIA WEC season continues with the Six Hours of Fuji in Japan this September.**

Howdy –

Just a few bullet points on events at our National Corvette Museum -

- Hot Wheels: Race Through Time September 25th – If you or your kids were Hot Wheel enthusiasts in the past, an exhibit that features all size Corvettes that were later cast by Mattel. A 2009 ZR1 Blue Devil and a 1981 Green Corvette are on display.
- Nominations for the Corvette Club of the Year by August 5th. Nominees may be recognized for anything from racing to Corvette enthusiasm. If you are a serving person it may be too late for this year but you might start working on a nomination.
- Check out the Corvette Store @corvette.com. Some unique items that are reasonably priced. Not as flexible, efficient or affordable as Do.
- Take a track day at the NCM Motorsports Park. It's a great experience after some issues from the tornado that hit Bowling Green in 2021.
- Win a Corvette through a raffle. Drawings for new C8's take place with ticket prices ranging from \$20 to \$300. These continue to be a major source for the support of our NCM.

Hope everyone is staying cool and are finding time to get out and enjoy our rides – in air conditioning comfort !

NCCC GOVERNOR

Norman Walker  
NCCC Governor  
[norman\\_walker@charter.net](mailto:norman_walker@charter.net)

Finally, RELIEF! The rain that we so desperately needed has come!

I will be attending the third (of four) National Governor's Meeting in St. Louis, September 9 and 10.

The second half of the competition season is upon us and September is a very busy month. Next up on the agenda is our **"Cowtown Corvette Rodeo"** on September 17 and 18. This will consist of 14 low-speed autocross events at the south campus (parking lot 3) of Tarrant Area College.  
<http://www.ncccsregion.org/2022/SW-074-CTV Rodeo Flyer-.pdf>.

Following that event will be another 14 low-speed autocross event at **TSTC Airport in Waco**.  
<http://www.ncccsregion.org/2022/SW-200-002.pdf>. This is the first time we will have been able to compete at TSTC since covid first hit. It's a great facility, so bring your cars out to see what they, and you, can do!

October is even busier and begins with **"Fall Festival 2022"** a 14 low-speed autocross event at Edmond, Ok on October 1 and 2. <http://www.ncccsregion.org/2022/OCCC-Fall-Festival-22.pdf>.

Weekend of October 8 and 9 there are two events! For the racers, there is a 14 low-speed autocross event at the **Houston Police Academy**. <http://www.ncccsregion.org/2022/SJCC-CMCT-Flyer Oct 2022.pdf> and for the non-racers, **Brazos River Corvette Club** is hosting their **16th Annual Corvette Show** on the square in Granbury. Registration form here: <http://brazosrivercc.com/ewExternalFiles/2022 Registration-2.pdf>.

The weekend of October 15 and 16 is Cowtown's own **Fall Shine & Rallye Event** and our **20th Annual Corvette Show**. The flyer is not yet available for this event.

Last, but certainly not least, is at **Little River Dragway in Holland** on October 29 and 30. It will consist of seven (7) low-speed autocross events on Saturday, and the ONLY three drag events in the SW Region this year, on Sunday! <http://www.ncccsregion.org/2022/SW-143 Flyer-A.pdf>

Currently, there are 3 CTV men and 2 CTV women in the Southwest Region Top 10. James Little is 2, Norman Walker is 4, and Larry Schaapveld is 5. For the ladies, Kim Little is 7, and Cathy Anthony is 8. Cowtown Vettes is holding onto a slim lead as the Number 1 Club in the Southwest Region!

Cowtown Vettes membership now stands at 162 members!
